A Thematic Access-Oriented Bibliography of Jesus's

Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which

support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Experiencing the Spirit* Henry Blackaby,Mel Blackaby,2009-02-17 The first Christians turned the world upside down Acts 17 6 shaking the gates of hell even in the face of severe persecution The result People all around were filled with wonder and amazement Acts 3 10 What can give Christians today the same impact God s Holy Spirit is ready to answer that for us in an awesome way as Henry Blackaby and his son Mel Blackaby make clear in *Experiencing the Spirit* You ll see how the proof of the Spirit s presence is our awareness of God s personal assignments for us plus our supernatural enablement to carry out those assignments You ll find essential clarification on the difference between natural talents and spiritual gifts You ll explore the dynamics of being filled with the Spirit through intimate relationship with Him committed obedience and radical departure from sin Instead of considering what you can do for God with your abilities and talents you ll be encouraged here to seek what God wants to do through you supernaturally by His Spirit empowering you beyond your personal competence and capacities Release the Holy Spirit s work at the very core of your experience of the Christian life as He releases you to serve God as never before What the Spirit Is Saying to the Churches Henry Blackaby,2003-03-07 People today are hungry for God s sure guidance in their churches But how do they find it One of the strongest prophetic voices to the church today Henry Blackaby helps Christians grasp God s pattern for strengthening their churches rather than relying on human ideas and methods that leave God on the periphery They ll learn how to be sensitive individually and corporately to the effort of the Spirit exploring the trustworthy principles by which the Lord longs to guide each congregation toward its own distinctive mission Celebrating Life with God ,

The 2022 Canterbury Preacher's Companion Catherine Williams, 2021-06-30. A longstanding annual favourite has a new editor and a new refreshed look. What hasn't changed is its year long reliability as a resource for preaching at the principal and the second service for which preaching resources are scarce every Sunday of the coming year. Ideal for preachers in all churches that use the Revised Common Lectionary, it also includes sermons for holy days, major saints days and special occasions such as Mothering Sunday, harvest, rogation and Christmas services. If preparation time is short, the sermons are complete and can be used as they are, but they will also act as a framework for creating your own sermon texts. It also includes an introductory essay for preachers, all age talks for special occasions, hymn suggestions throughout the year, an index of topics and names. A boon for hard pressed clergy, readers and local preachers everywhere.
