EXODUS 20:1-17

ACCORDING TO ANCIENT SCRIPTURE, THE HEBREWS WERE CAST OUT OF EGYPT BY PHARAOH AND MADE TO WANDER THROUGH THE DESERT IN SEARCH OF THE PROMISED LAND. GOD SPOKE TO THE PROPHET MOSES ON MOUNT SINAI IN THE EGYPTIAN DESERT, WHERE HE ORDERED MOSES TO TAKE HIS COMMANDMENTS TO HIS PEOPLE, SO THEY COULD LIVE ACCORDING TO HIS WISHES. THESE LAWS FORM THE BASIS OF THE MODERN RELIGIONS OF JUDAISM AND CHRISTIANITY.

## **Explanation Of The Ten Commandments:**

*An Explanation of the Ten Commandments, Considered as the Rule of Christian Obedience* William Vickers (Archdeacon of Salop.),1847     Between Woman, Man and God Hagith Sivan,2004-08-01 According to the demands of the Decalogue manhood entails the avoidance of stealing killing and coveting not to mention apostasy and violation of the Sabbath and other men s property What then would be the essence of womanhood if different By selecting female characters narratives as interpretative clues for the law this book presents a legal behavioral and representational reading of the Decalogue Beginning with an analysis of the legal contents of each Commandment through allied legal texts which relate to women and to the feminine each chapter continues with an investigation of the ways in which the activities of the female and male protagonists of select narratives elucidate the range of Commandments     **The Ten Commandments** Patrick D. Miller,2009-08-06 In this volume Patrick D Miller studies the Ten Commandments as ancient document and as contemporary guide With careful attention to each commandment in its original context this book shows the reader the modern relevance of these basic principles as well as how the ideas of each commandment influenced the New Testament More than an intellectual exercise The Ten Commandments applies the call of the commandments to modern day issues Westminster John Knox Press is proud to introduce an exciting new phase in the renowned Interpretation commentary series Instead of focusing on individual books of the Bible these new volumes will focus on the Bible s most enduring passages and most vital themes bringing to these topics the insight and faithful wisdom that are longtime hallmarks of the Interpretation series This expanded Interpretation series will be an excellent resource for all those who teach preach and study the Bible     *The 10 Commandments Explained* Silvia Vecchini,Antonio Vincenti,2019-02-02 An illustrated inexpensive self contained instructional unit on the Commandments with discussion questions that highlights the essentials of the Catechism in accessible language for kids Bring children ages 8 12 into a deeper understanding of the Ten Commandments This guide explores each of the commandments and shows children the purpose of the commandments Each chapter explores a commandment s deeper meanings Prayers reflections a notebook section and quotes from various saints and theologians give more depth to the commandments The 10 Commandments Explained examines the commandments and gives children a more thorough understanding of what they entail which offers them a deeper understanding of their faith and God     A Short and Plain Explanation of the Ten Commandments ,1815     The Ten Commandments Rose Publishing,2006-02-22 The Ten Commandments is an ideal Bible study resource for youth and adults Shows both the traditional and contemporary wording of each of the 10 Commandments a principle and the meaning of each commandment what Jesus taught about the commandments and why the 10 Commandments are important today Below is an example of the information you will find in The Ten Commandments Commandment 3 Do Not Misuse God s Name Thou shalt not take the name of the LORD thy God in vain Principle God s name is holy powerful and glorious Meaning God s name is holy and should be treated with respect there

is power in the LORD's name and it shouldn't be used lightly. Because God is Spirit we know Him through what He says about Himself to take His name in vain violates God's nature. As God's creation everything a person says and does should be done in order to praise and glorify God. 1 Corinthians 10:31 Bible examples: When a man named Shelomith blasphemed the name of God with a curse the Lord commanded that he be taken outside the camp and stoned to death. Leviticus 24:10-16. Jesus was accused of blasphemy because He claimed to be God. John 10:33. James warned believers to watch what they say because the tongue is capable of evil and poison and can easily corrupt a person. James 3:5-9. Jesus Teaching: Jesus said every sin and blasphemy will be forgiven men but the blasphemy against the Spirit will not be forgiven. But I tell you that men will have to give account on the day of judgment for every careless word they have spoken. For by your words you will be acquitted and by your words you will be condemned. Matthew 12:31-36, 37. Jesus said to begin praying with Our Father in heaven hallowed be your name. Matthew 6:9. Explanations: Jews and Jewish scribes would go to great measures in order to avoid saying or writing the LORD's name for fear of blasphemy. The Bible says we are to pray, heal and baptize in Jesus' name. Matthew 28:19. Mark 16:17. John 14:13. Acts 3:6. The Bible says that what we say is very important and it is a glimpse into who we are. James 3:9-12. God loves us and wants us to love and worship Him in whatever we are doing and at all times God wants us to use His name. It is holy and powerful. If we can show respect for the names of our fathers, mothers, teachers and doctors then how much more should we respect the name of our sovereign God. The Ten Commandments breaks the 10 Commandments into two main divisions: commandments about our relationship to God and commandments about our relationship to other people. This pamphlet is also a great resource on the history of the commandments and why. The Ten Commandments were revolutionary for their time. *The Ten Commandments* Martin Sicker, 2007-12. The Ten Commandments is an exploration into the background, meaning and implications of the Decalogue from a Judaic perspective. Although they have become a universal symbol of Judeo-Christian civilization it is only within Judaism that the Ten Commandments have a juridical function that goes beyond the mere announcement of a set of key precepts for man and society. In Judaism the Ten Commandments are considered an epitome of the vast body of biblical legislation, a concise statement of a mere 172 Hebrew words that was presented as a credo that could easily be memorized and serve as a basic list of essentially easily understandable general rules. It was not expected that the ordinary citizen would remember or fully understand the plethora of commandments found in the Torah that demand compliance and observance by the children of Israel, their descendents and those who chose to cast their lot in life with them. To understand the meaning and significance of the Ten Commandments in Judaic thought it is therefore necessary to correlate them with the body of legislative enactments set forth in the Torah dealing with the same subject matter, a rather complex endeavor that this study hopes to facilitate.

[10 a Brief Analysis of the Ten Commandments of Almighty God](#) Richard Griffin, 1915-03-29

What is the purpose of the Ten Commandments What is significant about each one Where is Mount Sinai How far is it from the Red Sea How many days did it take God to appear to the people and give Moses the Ten Commandments Why did Aaron make a golden calf and not something else Why did God want to destroy the Hebrews before they had even recieved the stone tablets Who wrote the Laws on the tablets What does it mean when scripture says Moses was horned Do the Ten Commandments have any meaning today This commentary answers those questions and more providing an analysis of each Commandment and describing the process by which God contracts with the Hebrews to make them His own forever It is a dramatic story about which most are only familiar with a few key elements For example most people probably don t realize that at one point Moses was in line to become Pharaoh of Egypt This analysis offers some additional background and explanation in an attempt to enhance the scriptural narrative of one small but important moment in the development of Judaism and Christianity It also offers commentary on the meaning of the commandments as they apply in a modern world filled with wonders and issues that didn t exist or could be imagined in Moses time
