Explorations In Cultural Anthropology A Reader:

Explorations in Cultural Anthropology Colleen E. Boyd, Luke Eric Lassiter, 2024-03-26 Explorations in Cultural Anthropology is a collection of readings chosen to demonstrate the varied and valuable applications of the anthropological perspective to real world problems on local regional and global scales It introduces undergraduates to the exciting perplexing and troubling issues that socio cultural anthropologists confront in their work in academia and beyond Students now have a one stop source for a variety of key ethnographic and cultural materials without having to buy or search for numerous texts Explorations in Cultural Anthropology offers 31 classic readings and contemporary anthropological essays as well as pieces written by journalists scholars from other disciplines cultural consultants and community leaders The selections are meant to thoughtfully challenge students and provoke further discussion within introductory level classrooms The book is organized into nine parts that reflect significant themes and current trends in cultural anthropology Culture Fieldwork and Ethnography Language Communication and Expressive Culture Socio economic and Political Systems in a Changing World Race and Ethnicity Gender and Sexuality Marriage Family and Kinship Belief Systems and Applied and Future Anthropologies Each part introduces the articles therein and provides probing questions per article for student response This outstanding collection perfectly complements Luke Eric Lassiter's Invitation to Cultural Anthropology textbook but has wide appeal for all introductory cultural anthropology courses **Exploration in Cultural Anthropology** Ward Explorations in Cultural Anthropology George Peter Murdock, 1964 Hunt Goodenough, 1964 Transgender India Douglas A. Vakoch, 2022-05-18 Transgender India Understanding Third Gender Identities and Experiences provides the first scholarly study of hijras transmen and other third gender Indians from the perspective of a range of disciplines in the behavioral and social sciences as well as the humanities This book fosters a dialogue across academic fields as authors cross reference each other's chapters comparing and contrasting their views of transgender experience and identity in India This multidisciplinary approach helps readers understand the complex interplay of factors that have led to discrimination against third gender individuals as well as paths forward to a more equitable and just future in ways that go beyond the perspective of a single academic field This multidisciplinary approach is the book s most distinctive feature in comparison to existing works limited to individual fields such as anthropology investigative journalism and history The broad scope of Transgender India is relevant to scholars and students in diverse disciplines who seek a greater and more nuanced understanding of the behavioral and societal impact of these issues The Reader's Adviser ,1986 Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense *Invitation to Anthropology* Luke Eric

Lassiter, 2014-01-09 This concise introduction to cultural anthropology offers a fresh and accessible approach to stimulating student interest in the human experience

Explorations in Cultural Anthropology. Essays in honor of George Peter Murdock. Edited by Ward H. Goodenough. [With a portrait.] George Peter Murdock, Ward Hunt GOODENOUGH, 1964 A Reader's Guide to the Social Sciences Peter Michael Blau.1972 ESSENTIALS OF CULTURAL ANTHROPOLOGY A. R. N. SRIVASTAVA, 2012-09-19 This well organized text continues to present the social cultural anthropological concepts and theories which have influenced the mankind in the past particularly in the twentieth century between the years 1965 and 2000 The new edition is incorporated with two new sections one defining the major concepts of sociology defining society community association and so on and the other an Appendix on Tribal Movement in India The book further provides an anthropological analysis of cultural institutions relating to society economy polity folklore and art The description of the relation between language and culture and a separate chapter on Cultural Change make this text unique Examples are taken from all across the world to describe socio economic political and religious institutions and give a panoramic view of the diverse cultures This book is intended to serve as a text for undergraduate students of Anthropology and postgraduate students of Anthropology and Sociology In addition it would also be beneficial for the students preparing for various competitive examinations KEY FEATURES Provides theoretical orientations in cultural anthropology Contains annotated references at the end of each chapter Gives an insight into the contributions of well known anthropologists Illustrates concepts through diagrams and charts thus enhancing the value of Language Documentation Lenore A. Grenoble, N. Louanna Furbee, 2010-11-25 Language documentation also the text often called documentary linguistics is a relatively new subfield in linguistics which has emerged in part as a response to the pressing need for collecting describing and archiving material on the increasing number of endangered languages The present book details the most recent developments in this rapidly developing field with papers written by linguists primarily based in academic institutions in North America although many conduct their fieldwork elsewhere The articles in this volume position papers and case studies focus on some of the most critical issues in the field These include 1 the nature of contributions to linguistic theory and method provided by documentary linguistics including the content appropriate for documentation 2 the impact and demands of technology in documentation 3 matters of practice in collaborations among linguists and communities and in the necessary training of students and community members to conduct documentation activities and 4 the ethical issues involved in documentary linguistics Cultural Anthropology: A Reader for a Global Age Kenneth J Guest, 2017-11-16 Best selling author Ken Guest presents the essential readings and diverse voices that will help students understand their rapidly globalizing world This concise affordable reader is designed to complement any introductory syllabus and is the perfect companion to Guest's market leading texts The SAGE Handbook of Cultural Analysis Tony Bennett, John Frow, 2008-03-26 A genuine one stop reference point for the many many differing strands of

cultural analysis This isn t just one contender among many for the title of best multidisciplinary overview this is a true heavyweight Matt Hills Cardiff University An achievement and a delight both compelling and useful Beverley Skeggs Goldsmiths University of London With the cultural turn the concept of culture has assumed enormous importance in our understanding of the interrelations between social political and economic structures patterns of everyday interaction and systems of meaning making In The SAGE Handbook of Cultural Analysis the leading figures in their fields explore the implications of this paradigm shift Part I looks at the major disciplines of knowledge in the humanities and social sciences asking how they have been reshaped by the cultural turn and how they have elaborated distinctive new objects of knowledge Parts II and III examine the questions arising from a practice of analysis in which the researcher is drawn reflexively into the object of study and in which methodological frameworks are rarely given in advance Addressed to academics and advanced students in all fields of the social sciences and humanities The SAGE Handbook of Cultural Analysis is at once a synthesis of advances in the field with a comprehensive coverage of the scholarly literature and a collection of original and provocative essays by some of the brightest intellectuals of our time **Reading the Romance** Janice A. Radway, 2009-11-18 Originally published in 1984 Reading the Romance challenges popular and often demeaning myths about why romantic fiction one of publishing s most lucrative categories captivates millions of women readers Among those who have disparaged romance reading are feminists literary critics and theorists of mass culture They claim that romances enforce the woman reader s dependence on men and acceptance of the repressive ideology purveyed by popular culture Radway questions such claims arguing that critical attention must shift from the text itself taken in isolation to the complex social event of reading She examines that event from the complicated business of publishing and distribution to the individual reader s engagement with the text Radway's provocative approach combines reader response criticism with anthropology and feminist psychology Asking readers themselves to explore their reading motives habits and rewards she conducted interviews in a midwestern town with forty two romance readers whom she met through Dorothy Evans a chain bookstore employee who has earned a reputation as an expert on romantic fiction Evans defends her customers choice of entertainment reading romances she tells Radway is no more harmful than watching sports on television We read books so we won t cry is the poignant explanation one woman offers for her reading habit Indeed Radway found that while the women she studied devote themselves to nurturing their families these wives and mothers receive insufficient devotion or nurturance in return In romances the women find not only escape from the demanding and often tiresome routines of their lives but also a hero who supplies the tenderness and admiring attention that they have learned not to expect The heroines admired by Radway's group defy the expected stereotypes they are strong independent and intelligent That such characters often find themselves to be victims of male aggression and almost always resign themselves to accepting conventional roles in life has less to do Radway argues with the women readers fantasies and choices than with their need to deal with a fear of masculine dominance These

romance readers resent not only the limited choices in their own lives but the patronizing atitude that men especially express toward their reading tastes In fact women read romances both to protest and to escape temporarily the narrowly defined role prescribed for them by a patriarchal culture Paradoxically the books that they read make conventional roles for women seem desirable It is this complex relationship between culture text and woman reader that Radway urges feminists to address Romance readers she argues should be encouraged to deliver their protests in the arena of actual social relations rather than to act them out in the solitude of the imagination In a new introduction Janice Radway places the book within the context of current scholarship and offers both an explanation and critique of the study s limitations **Explorations in Cultural** Anthropology, 1969 Concise Dictionary of Social and Cultural Anthropology Mike Morris, 2013-04-10 Practical and accessible this dictionary is designed to enlightenthose newly engaged in anthropological study or seeking a guickguide to the field Fills a need for a beginner's pocket guide to the far reaching and complex field of anthropology including over 800detailed entries and the intellectual background of terms Written in plain jargon free language for readers withoutextensive background in the field Features brief conceptual definitions of terms bibliographical references to anthropological classics relatedworks for background reading and further research The user friendly format includes bold terms featured elsewherein the book extensive cross references and indexes of names peoples places and subjects Incorporates related terminology from allied fields such associology economics and geography Explorations in Cultural Diversity, 1993 Produced for unit ASS101 Explorations in cultural diversity A offered by the Faculty of Arts School of Social **Archaeology on the Great Plains** W. Raymond Wood,1998 This Inquiry in Deakin University's Open Campus Program synthesis of Great Plains archaeology brings together what is currently known about the inhabitants of the ancient Plains The essays review the Paleo Indian Archaic Woodland and Plains Village peoples providing information on technology diet settlement and adaptive patterns **Theoretical Foundations** ,2019-05-20 No detailed description available for Theoretical Foundations
