

PLANTER OPERATION AND IN FIELD ADJUSTMENTS

This section covers operating procedures and in field adjustments for your Early Riser Planter.

The in field adjustments in this section are the adjustments recommended to be made under field operating conditions. Other planter adjustments are included in the Preseason Preparation Section in this manual.

During operation it can be necessary to make an adjustment in field that would normally be considered preseason. Refer to Preseason Preparation for other adjustments as required.

Carefully follow the recommended operating and adjustment procedures to obtain optimum planting results.
