*Children's Literature in Action* Sylvia M. Vardell, 2019-06-14 This practitioner oriented introduction to literature for children ages 5-12 covers the latest trends, titles and tools for choosing the best books and materials as well as for planning fun and effective programs and activities. The third edition of *Children's Literature in Action* provides an activity oriented survey of children's literature for undergraduate and graduate students seeking licensure and degrees that will lead to careers working with children in schools and public libraries. Author Sylvia M. Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children's literature to deliver something different: a book that focuses specifically on the perspective and needs of the librarian with emphasis on practical action and library applications. Its contents address seven major genres: picture books, traditional tales, poetry, contemporary realistic fiction, historical fiction, fantasy, and informational books. Each chapter includes practical applications for the educator who shares books with children and who develops literature based instruction. Chapters are enriched by author comments, collaborative activities, featured books, special topics, and activities including selected awards and celebrations, historical connections, recommended resources, issues for discussion, and assignment suggestions. This new edition incorporates the 2018 AASL National School Library Standards.

*The Politics and International Relations of Fantasy Films and Television* Joel R. Campbell, 2023-02-09 This book uses several fantasy movies or movie series and television series to explain political and international relations (IR) concepts and theories. It begins with an overview of the importance of fantasy in literature, film, and television and its increasing impact on the field of International Relations. It then presents the political IR and social issues in each franchise and in five chapters uses these tales' key story arcs or plot points to illustrate major political and IR themes. The volume pays particular attention to such fantasy franchises as *Lord of the Rings*, *Game of Thrones*, the *Harry Potter* films, recent fairytale and children's stories, and female-led fantasy projects.

*The Common Core in Action* Deborah J. Jesseman, 2015-06-19 This book addresses Common Core State Standard curriculum resources to assist the school librarian in collaborating with classroom teachers. Librarians are being asked to understand the Common Core State Standards (CCSS) and their implications to programming and instruction as well as to collection development planning. Using lesson plans originally published in *School Library Monthly*, this title builds upon them, adding many additional plans that address CCSS issues. The plans will help you implement the standards and can also be used as stepping stones to facilitate planning, conversations, and collaboration with teachers to co-teach lessons correlated with the standards. The book begins with an overview of the CCSS: what they are, how they are different from the content standards, and what the implications are for schools where the state has adopted them, including what the CCSS mean for collection development. It then goes on to

explore the opportunities the CCSS present for the school librarian looking at how you can become a leader in employing the process The majority of the book is devoted to reproducible lesson plans organized by curricular area or topic and grade level for ease of use     Baseball Team Names Richard Worth,2013-03-12 Professional baseball is full of arcane team names The Los Angeles Dodgers for instance owe their nickname to the trolley tracks that honeycombed Brooklyn in the early 1880s Residents were trolley dodgers From the Negro Leagues there were the Pittsburgh Crawfords sponsored early by the Crawford Bath House and Recreation Center from the minors the Tucson Waddies slang for cowboy and later the Montgomery Biscuits for the would be concessions staple from overseas the Adelaide Australia Bite a shark reference but also a pun for bight and the Bussum Netherlands Mr Cocker HCAW the sponsoring restaurant chain followed by the acronym for the official team name Honkbalclub Allan Weerbaar This comprehensive reference book explains the nicknames of thousands of major and minor league franchises Negro League and early independent black clubs and international teams from 1869 through 2011     Books in Print Supplement ,2002     **Hearst's International** ,1924     *Understanding Disney* Janet Wasko,2020-01-20 Since the 1930s the Walt Disney Company has produced characters images and stories that have captivated audiences around the world How can we understand the appeal of Disney products What is it about the Disney phenomenon that attracts so many children as well as adults In this updated second edition with new examples provided throughout Janet Wasko examines the processes by which the Disney company one of the largest media and entertainment corporations in the world continues to manufacture the fantasies that enthrall millions She analyses the historical expansion of the Disney empire into the twenty first century examines the content of Disney s classic and more recent films cartoons and TV programs and discusses how they are produced considering how some of the same techniques have been applied to the Disney theme parks She also discusses the reception and sometimes reinterpretation of Disney products by different kinds of audiences By looking at the Disney phenomenon from a variety of perspectives she provides an updated and comprehensive overview of one of the most significant media and cultural institutions of our time This important book by a leading scholar of the entertainment industries will be of great interest to students in media and cultural studies as well as a broader readership of Disney fans     **The Social Studies Professional** ,2002     **The Literary Digest International Book Review** Clifford Smyth,1923     *Catalog of Copyright Entries* Library of Congress.
