Faith as Participation Jeanette Hagen Pifer, 2019-05-29 In recent years three particular debates have risen to the fore of Pauline Studies the question of the centre of Pauline theology how to interpret the mula and the relationship between divine and human agency In the present study Jeanette Hagen Pifer contends that several of the apparent conundrums in recent Pauline scholarship turn out to derive from an inadequate understanding of what Paul means by faith By first exploring the question of what Paul means by faith outside of the classic justification passages in Romans and Galatians she reveals faith as an active and productive mode of human existence Yet this existence is not a form of human self achievement On the contrary faith is precisely the denial of self effort and a dependence upon the prior gracious work of Christ In this way faith is self negating and self involving participation in the Christ event

An Inescapable Concept R. J. Rushdoony, 2018-01-03 The doctrine of the infallibility of Scripture can be denied but the concept of infallibility as such cannot be logically denied Infallibility is an inescapable concept If men refuse to ascribe infallibility to Scripture it is because the concept has been transferred to something else The word infallibility is not normally used in these transfers the concept is disguised and veiled but in a variety of ways infallibility is ascribed to concepts things men and institutions This is one of two Systematic Theology booklets that would later become part of R J Rushdoony's larger Systematic Theology set **Never-Ending Prayer** Bert Hoedemaker, 2022-03-31 Is Christian tradition to be maintained as

the absolute body of truth Can it be used selectively depending on the preferences of individual believers What can religious truth possibly mean in our age of opinions and overwhelming cultural diversity These are unsettling questions for Christians their effect aggravated by our daily encounter with non western cultures and non Christian religions and by the increasing presentation of secularism and atheism as the normal way of life In Never Ending Prayer Bert Hoedemaker outlines the continuing importance of tradition while showing that in facing these challenges our understanding of tradition needs a reset Drawing on his own experiences of world Christianity he reconstructs the Christian tradition in such a way that it no longer defines and defends itself as a specific body of concepts and practices over against the world but as a living community originating in and remaining in interaction with humanity's permanent struggles It is presented as a system of religious imagination in which prayer is the driving force and reconciliation is seen as the destination of humankind Annual Report of the Public Service Commission Massachusetts. Price Of Passion Onesimus Malatji, 2023 In The Price of Passion readers are introduced to Julia and Maya two women whose lives represent the extremes of modern society's approach to love and fulfilment Julia a woman who has slept with numerous partners represents the archetype of someone continually seeking satisfaction in external validation and materialistic gains Her story is one of fleeting encounters and a relentless quest for something more leading her down a path of emotional and psychological turmoil Despite her many relationships with men from various walks of life businessmen politicians thugs spiritual healers Julia finds herself trapped in a cycle of emptiness and longing In stark contrast Maya leads a life of purpose and direction Focused on her career and personal growth Maya's journey as a successful lawyer and her stable marriage to Dwayne a businessman with a complex past offers a different perspective on love and success The narrative weaves these

two lives together examining how different choices lead to vastly different outcomes It touches on themes of self worth the illusion of happiness through materialism and the transformative power of self reflection and redemption The story reaches its climax when Julia now at a crossroads must confront the consequences of her past and seek a new path toward healing and fulfilment The Price of Passion is not just a story about love and relationships it s a reflection on the choices we make and how they shape our lives It is a poignant reminder that the pursuit of passion without purpose can exact a heavy toll and that true contentment often lies in the paths less taken and the quiet satisfaction of inner growth and stability
