**The Citadel Journal**, 1985      **Journal of the United States Artillery**, 1930      *Pilgrims' Castle ('Atlit), David's Tower (Jerusalem) and Qal'at ar-Rabad ('Ajlun)* C.N. Johns, Denys Pringle, 2019-05-23 First published in 1997 this collection includes papers on Crusader era architecture in Palestine with a focus on Atlit the castle of Ajlun and on the Citadel of Jerusalem both the papers and sites of which have previously been difficult to access The volume is presented partly to repair the very real deficit in the literature on Crusader architecture and partly as a fitting memorial to the author who died in 1992 Atlit in particular held a special significance for C N Johns being the site of his first major project as a field archaeologist His Guide to Atlit a masterly summary of his findings remains the most complete and comprehensive account of the castle and its suburb The studies collected here pay tribute to their author's enduring contribution to the medieval archaeology of the Near East The first part of the book deals with the Pilgrim's Castle the great Templar fortress and town at Atlit The significance of Johns excavations at this site has been relatively neglected because it remains in a military area inaccessible to visitors and because almost the entire stock of his major publication was lost in 1947 This Guide to Atlit a synthesis of historical archaeological and architectural research on the monument is reprinted here together with all the interim reports relating to the medieval period Also included are Johns studies on the Citadel of Jerusalem the Tower of David and on the Islamic castle of Ajlun Together they represent a fundamental contribution to the study of the period of the Crusades and to the military architecture of the Middle Ages The notes by Denys Pringle bring the accounts up to date in the light of recent research

**God, Guts, and Gallantry** Dr. Will Joslin,2021-02-05 Major James Lide Coker of Hartsville South Carolina was a gutsy man of God and an entrepreneurial genius who founded 20 successful businesses He grew up in the Old South but became one of the most forward thinking leaders of the New South His business odyssey alone makes a fascinating story but his expansive heart and keen intellect reached well beyond commerce He was a passionate leader of the Christian faith a pace setter in women s education and a progressive in race relations Ahead of his times in every way he concluded his own book on the Civil War with these words There is one great result of the war between the States for which we are truly thankful slavery is abolished Though high born he and his family were brought low In the Civil War he bravely defended his homeland

fighting with Robert E Lee and Stonewall Jackson in Virginia where his brother was killed In Tennessee James s left thigh was shattered at the Battle of Lookout Mountain and he became a prisoner of war Delirious with pain he had several harrowing escapes from death before finally returning home to Sherman devastated South Carolina He had lost almost everything including the use of a leg But with extraordinary valor he rose up with a crutch and a hoe to re establish his farm and went on to lead the economic educational and spiritual rebound of his region in a time of crisis and carpetbaggers James became the wealthiest man in South Carolina yet remained humble and down to earth His war agonies and innate sensitivity to human need enabled him to identify with the harshest realities of the human condition and with the plight of the disenfranchised When his ingenious and diligent post war initiatives brought him rivers of prosperity he let them flow through him to bless countless others in his rural state A deeply spiritual man Major Coker also faithfully taught the boys Sunday School for thirty eight years Today we have too few leaders of genuine integrity We need more like the Major rock solid gallant far sighted and good to the core For the benefit of present and future generations his inspiring story with fresh perspectives and previously unpublished material is retold in Dr Joslin s unique style blending biography daring adventure courageous faith and the drama of American history *Congressional Record* United States. **Kierkegaard's Journals and Notebooks, Volume 8**  
 Søren Kierkegaard, 2015-08-18 For over a century the Danish thinker Søren Kierkegaard 1813-55 has been at the center of a number of important discussions concerning not only philosophy and theology but also more recently fields such as social thought psychology and contemporary aesthetics especially literary theory Despite his relatively short life Kierkegaard was an extraordinarily prolific writer as attested to by the 26 volume Princeton University Press edition of all of his published

writings But Kierkegaard left behind nearly as much unpublished writing most of which consists of what are called his journals and notebooks Kierkegaard has long been recognized as one of history's great journal keepers but only rather small portions of his journals and notebooks are what we usually understand by the term diaries By far the greater part of Kierkegaard's journals and notebooks consists of reflections on a myriad of subjects philosophical religious political personal Studying his journals and notebooks takes us into his workshop where we can see his entire universe of thought We can witness the genesis of his published works to be sure but we can also see whole galaxies of concepts new insights and fragments large and small of partially or almost entirely completed but unpublished works Kierkegaard's Journals and Notebooks enables us to see the thinker in dialogue with his times and with himself Kierkegaard wrote his journals in a two column format one for his initial entries and the second for the extensive marginal comments that he added later This edition of the journals reproduces this format includes several photographs of original manuscript pages and contains extensive scholarly commentary on the various entries and on the history of the manuscripts being reproduced Volume 8 of this 11 volume series includes five of Kierkegaard's important NB journals Journals NB21 through NB25 which cover the period from September 1850 to June 1852 and which show Kierkegaard alternately in polemical and reflective postures The polemics emerge principally in Kierkegaard's opposition to the increasing infiltration of Christianity by worldly concerns a development that in his view had accelerated significantly in the aftermath of the political and social changes wrought by the Revolution of 1848 Kierkegaard understood the corrupting of Christianity to be in the interest of the powers that be and he directed his criticism at politicians the press and especially the Danish Church itself particularly church officials who claimed to be reformers On the reflective side Kierkegaard delves into a number of authors and religious figures some of them for the first time including Montaigne Pascal Seneca Savonarola Wesley and F W Newman These journals also contain Kierkegaard's thoughts on the decisions surrounding the publication of the Anti Climacus writings The Sickness unto Death and especially Practice in Christianity Kierkegaard's reader gets the sense both of a gathering storm by the close of the last journal in this volume the famous attack on Christendom is less than three years away and a certain hesitancy What needs reforming Kierkegaard insists is not the doctrine or the Church but existences i e lives *History of the Restoration of Monarchy in France* Alphonse de Lamartine, 1891 Lamartine's Works ...
