Citizen Hamilton The Wit And Wisdom Of An American Founder:

Citizen Hamilton Alexander Hamilton, 2006 In this elegant collection Donald R Hickey and Connie D Clark bring together enlightening important and amusing selections from Hamilton's speeches published writings and personal letters As we come to understand his thoughts on subjects as diverse as the Constitution love war liberty and honor we find that his words are often as applicable in our own time as they were in his

The Great Decision Cliff Sloan, David McKean, 2010-03-02 In 1800 the United States teetered on the brink of a second revolution The presidential election between Adams and Jefferson was a bitterly contested tie and the government neared collapse The Supreme Court had no clear purpose or power no one had even thought to build it a courtroom in the new capital city When Adams sought to prolong his policies in defiance of the electorate by packing the courts the fine words of the new Constitution could do nothing to stop him It would take a man to make those words good and America found him in John Marshall The Great Decision tells the riveting story of Marshall and of the landmark court case Marbury v Madison through which he empowered the Supreme Court and transformed the idea of the separation of powers into a working blueprint for our modern state Rich in atmospheric detail political intrigue and fascinating characters The Great Decision is an illuminating tale of America's formative years and of the evolution of our democracy

Outrage Machine Tobias Rose-Stockwell, 2023-07-11 Amazon's Best History Book of the Month for July 2023 An invaluable guide to understanding how the internet has broken our brains and what we can do to fix it The original internet was not designed to make us upset distracted confused and outraged But something unexpected happened at the turn of the last decade when a handful of small features were quietly launched at social media companies with little fanfare Together they triggered a cascading set of dramatic changes to how media politics and society itself operate inadvertently creating an Outrage Machine we cannot ignore Author designer and media researcher Tobias Rose Stockwell shares the defining shifts caused by these technologies and how they have ignited a society wide crisis of trust Drawing from cutting edge research and vivid personal anecdotes Rose Stockwell illustrates how social media has bound us to an unprecedented system of public performance training us to react rather than reflect and attack rather than debate Outrage Machine reveals the triggers and tactics used to exploit our anger unpacking how these tools hack our deep tribal instincts and psychological vulnerabilities and how they have become opportunistic platforms for authoritarians and a threat to democratic norms everywhere But this book is not just about the problem In a story spanning continents and generations Rose Stockwell explores how every new media technology disrupts our ability to make sense of the world from the printing press to the telegraph from radio to television Outrage Machine situates social media within a historical cycle of confusion violence and emerging tolerance Using clear language and powerful illustrations this book reveals the magnitude of the challenges we face while offering realistic solutions and a promising pathway out

Kaminski, 2005-12-13 Few Americans have had the profound impact on our nation as did Jefferson and even fewer left such a wealth of sage advice Jefferson a talented statesman architect musician and inventor was also gifted with a pen and the elegant turn of phrase Even his friend and rival John Adams said Jefferson had the reputation of a masterly pen and a happy talent of composition Collected here are some of the third president's most memorable passages and most deftly turned expressions The happiest moments my heart knows Jefferson wrote are those in which it is pouring forth its affections to a few esteemed character Citizen Jefferson is a beautifully produced collection of quotations from Jefferson's own private correspondence to family and friends political allies and rivals It is a testament to his position as a man of letters and an American sage To his daughter he counseled Take more pleasure in giving what is best to another than in having it yourself and then all the world will love you and I more than all the world To a friend Man once surrendering his reason is like a ship without rudder Or to his country I have sworn upon the altar of god eternal hostility against every form of tyranny over the mind of man Carefully chosen and expertly edited by Jefferson scholar Dr John P Kaminski the quotations are organized by key topics for gentle browsing and indexed for quick reference These passages reflect the best counsel that Jefferson offered his own and future generations Citizen Jefferson is the perfect companion for those who admire the Sage of Monticello *American Book Publishing Record* ,2005 □□ □□□□

□□□□□ □□-□□□,2024-11-18 [Rights Reign Supreme](#) James M. Masnov,2023-03-06 Judicial review the power of the United States Supreme Court to nullify unconstitutional laws has been attacked and celebrated The Court's authority has become even more significant over the past century as it has grown to occupy a more central role in the lives of Americans The result has been for politicians of both major political parties as well as scholars to decry the antidemocratic nature of the judicial power This book argues that judicial review ensures the survival of the republic outlining the Court's responsibilities as an instrument of rights theory and its history of defending the principles established during the American founding that assert the primacy of certain inherent rights Centering on the power of judicial review chapters detail the Court's reputation as a steward of the Constitution protecting the rights of the people against the encroachments of the executive and legislative branches and against the fleeting passions of the people **The Many Faces of Alexander Hamilton** Douglas

Ambrose,Robert W. T. Martin,2006-04-01 This anthology presents a variety of scholarly perspectives on the nation's most enigmatic Founding Father Revolutionary War officer co author of the Federalist Papers our first Treasury Secretary Thomas Jefferson's nemesis and victim of a fatal duel with Aaron Burr Alexander Hamilton's legacy is complex multifaceted and difficult to pin down On the one hand Hamilton was the quintessential Founding Father playing a central role in every key debate and event in the Revolutionary and Early Republic eras On the other hand he has received far less popular and scholarly attention than his brethren Was Hamilton a closet monarchist or a sincere republican A victim of partisan politics or one of its most active promoters A lackey for British interests or a foreign policy mastermind The Many Faces of Alexander

Hamilton addresses these and other perennial questions. Leading Hamilton scholars both historians and political scientists alike present fresh evidence and new sometimes competing interpretations of the man, his thought and the legacy he has had on America and the world. **Program** Organization of American Historians. Meeting, 2006 **America's Founding Fathers** Bill Adler, 2003-02-26 Arguably no other revolution in history has enjoyed such a brilliant gallery of thinkers as the one that led to the founding of the United States. America's Founding Fathers is centered on the personal philosophies, opinions, thoughts, witticisms and feelings of the exemplary men who founded our nation. This book gathers together the founding fathers' best quotations on a variety of subjects including life, love, marriage, family, children, religion, patriotism, sacrifice, law, professionalism, medicine, public health, education, money, modern society, the Revolutionary War, humor and death. Colleagues and rivals, friends and enemies, the eight founding fathers: Benjamin Franklin, George Washington, John Adams, Thomas Jefferson, Alexander Hamilton, James Madison, Benjamin Rush and Thomas Paine, here provide their views on subjects as relevant now as ever. **David McCullough American History E-book Box Set** David McCullough, 2011-05-24 A special ebook boxed set from Pulitzer Prize winning author David McCullough featuring four books on American history. This ebook box set includes the following American History themed books by David McCullough: John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot, one of our nation's founders and most important figures who became our second president; 1776 is the riveting story of George Washington, the men who marched with him and their British foes in the momentous year of American independence; Truman is the Pulitzer Prize winning biography of Harry Truman, the complex and courageous man who rose from modest origins to make momentous decisions as president, from dropping the atomic bomb to going to war in Korea. This set also contains a special bonus: The Course of Human Events. In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages. **David McCullough Library E-book Box Set** David McCullough, 2011-05-24 Perfect for David McCullough fans and history lovers alike, this ebook boxed set features all of his bestselling titles from 1776 to Mornings on Horseback.
