## **Citizen Klansmen Citizen Klansmen:**

**Citizen Klansmen** Leonard J. Moore, 1997-02-01 Indiana had the largest and most politically significant state organization in the massive national Ku Klux Klan movement of the 1920s Using a unique set of Klan membership documents quantitative analysis and a variety of other sources Leonard Moore p *Citizen Klansmen* Leonard Joseph Moore, 1991

*Lucky Mud & Other Foma* Christina Jarvis, 2022-11-22 A fascinating deep dive into Kurt Vonnegut's oeuvre and legacy illuminating his unique perspective on environmental stewardship and our shared connections as humans Earthlings and stardust Vonnegut's major apocalyptic trio Cat's Cradle Slapstick and Galpagos prompt broad global national and species level thinking about environmental issues through dramatic and fantastic scenarios This book *Lucky Mud and Other Foma* tells the story of the origins and legacy of what Kurt Vonnegut understood as planetary citizenship and explores key roots influences literary techniques and artistic expressions of his interest in environmental activism through his writing Vonnegut saw writing itself as an act of good citizenship as a way of poisoning the minds of young people with humanity to encourage them to make a better world Often that literary activism meant addressing real social and environmental problems polluted water soil and air racial and economic injustice isolating and dehumanizing technologies and lives and landscapes desolated by war Vonnegut's remedies took many forms from the redemptive power of the arts to artificial extended families to vital communities and engaged democracies Reminding us of our shared connections as humans as Earthlings as stardust *Lucky Mud* helps fans scholars and book lovers of all kinds experience how Vonnegut's writings purposely challenge readers to think create and love **Catching Hell from All Quarters** Sean Rost, 2025-06-13 In *Catching Hell from All Quarters* Sean Rost works to invert the traditional history of what has been termed the second Ku Klux Klan 1915-1930 by examining the efforts of anti-Klan activists in particular in Missouri who challenged the growth recruitment and political ambitions of the Invisible Empire during the 1920s and 1930s through editorial crusades educational campaigns public pressure on elected officials political investigations and in some cases counter vigilantism Although anti-Klan activism was nation wide Missouri provides an excellent case study for the rise and fall of the second Klan as the organization gained a large membership and obtained a notable level of political power in some parts of the Show Me State Significantly despite membership totals comparable to that of neighboring states the Missouri Klan did not translate its recruiting success into substantial influence and political power due to significant local opposition from anti-Klan activists *Catching Hell from All Quarters* addresses key questions about the legacy of the Klan both in Missouri and nationwide Traditional scholarship on the second Klan stops at the hooded order's decline at the start of the Great Depression thus neatly splitting that era's Klan from the Civil Rights Movement era Klan of the 1950s and 1960s This book however draws direct connections between both eras by highlighting continued anti-Klan activism as well as several far right fascist and white supremacist organizations that found support among Klan members both active and former during the 1930s and 1940s and aided not only in the Klan's re emergence after

World War II but also influenced present day hate groups      Our Town Cynthia Carr,2007-03-27 The brutal lynching of two young black men in Marion Indiana on August 7 1930 cast a shadow over the town that still lingers It is only one event in the long and complicated history of race relations in Marion a history much ignored and considered by many to be best forgotten But the lynching cannot be forgotten It is too much a part of the fabric of Marion too much ingrained even now in the minds of those who live there In *Our Town* journalist Cynthia Carr explores the issues of race loyalty and memory in America through the lens of a specific hate crime that occurred in Marion but could have happened anywhere Marion is our town America's town and its legacy is our legacy Like everyone in Marion Carr knew the basic details of the lynching even as a child three black men were arrested for attempted murder and rape and two of them were hanged in the courthouse square a fate the third miraculously escaped Meeting James Cameron the man who'd survived led her to examine how the quiet Midwestern town she loved could harbor such dark secrets Spurred by the realization that like her millions of white Americans are intimately connected to this hidden history Carr began an investigation into the events of that night racism in Marion the presence of the Ku Klux Klan past and present in Indiana and her own grandfather's involvement She uncovered a pattern of white guilt and indifference of black anger and fear that are the hallmark of race relations across the country In a sweeping narrative that takes her from the angry energy of a white supremacist rally to the peaceful fields of Weaver once an all black settlement neighboring Marion in search of the good and the bad in the story of race in America Carr returns to her roots to seek out the fascinating people and places that have shaped the town Her intensely compelling account of the Marion lynching and of her own family's secrets offers a fresh examination of the complex legacy of whiteness in America Part mystery part history part true crime saga *Our Town* is a riveting read that lays bare a raw and little chronicled facet of our national memory and provides a starting point toward reconciliation with the past On August 7 1930 three black teenagers were dragged from their jail cells in Marion Indiana and beaten before a howling mob Two of them were hanged by fate the third escaped A photo taken that night shows the bodies hanging from the tree but focuses on the faces in the crowd some enraged some laughing and some subdued perhaps already feeling the first pangs of regret Sixty three years later journalist Cynthia Carr began searching the photo for her grandfather's face      *A Lynching in the Heartland* NA NA,2016-04-30 On a hot summer night in 1930 three black teenagers accused of murdering a young white man and raping his girlfriend waited for justice in an Indiana jail A mob dragged them from the jail and lynched two of them No one in Marion Indiana was ever punished for the murders In this gripping account James H Madison refutes the popular perception that lynching was confined to the South and clarifies 20th century America's painful encounters with race justice and memory      *One Hundred Percent American* Thomas R. Pegram,2011-09-16 The Klan in 1920s society Building a white protestant community Defining Americanism white supremacy and anti Catholicism Learning Americanism the Klan and public schools Dry Americanism prohibition law and culture The problem of hooded violence The search for political

influence and the collapse of the Klan movement Echoes **The Politics of Losing** Rory McVeigh, Kevin Estep, 2019-02-19 The Ku Klux Klan has peaked three times in American history after the Civil War around the 1960s Civil Rights Movement and in the 1920s when the Klan spread farthest and fastest Recruiting millions of members even in non Southern states the Klan s nationalist insurgency burst into mainstream politics Almost one hundred years later the pent up anger of white Americans left behind by a changing economy has once again directed itself at immigrants and cultural outsiders and roiled a presidential election In *The Politics of Losing* Rory McVeigh and Kevin Estep trace the parallels between the 1920s Klan and today s right wing backlash identifying the conditions that allow white nationalism to emerge from the shadows White middle class Protestant Americans in the 1920s found themselves stranded by an economy that was increasingly industrialized and fueled by immigrant labor Mirroring the Klan s earlier tactics Donald Trump delivered a message that mingled economic populism with deep cultural resentments McVeigh and Estep present a sociological analysis of the Klan s outbreaks that goes beyond Trump the individual to show how his rise to power was made possible by a convergence of circumstances White Americans experience of declining privilege and perceptions of lost power can trigger a political backlash that overtly asserts white nationalist goals *The Politics of Losing* offers a rigorous and lucid explanation for a recurrent phenomenon in American history with important lessons about the origins of our alarming political climate Racial Dynamics in Early Twentieth-Century Austin, Texas Jason McDonald, 2012-06-14 This pioneering study sheds new light on racial dynamics in the urban Southwest at a critical juncture in the history of the region and the nation It focuses upon the experiences of ethnoracial minorities particularly African Americans and Mexican immigrants in Austin Texas from the dawn of the Progressive Era to the onset of the Great Depression Through this lens McDonald explores the issues of migration proletarianization marginalization adaptation identity and community He reveals how in response to the exponential growth of the local ethnic Mexican population the white elite of the Lone Star State s capital adapted the city s bipartite system of segregation which had traditionally separated blacks from whites to incorporate Mexicans as a third and separate element neither black nor white As well as examining how African Americans and Mexican Americans responded to life in a racially stratified society McDonald examines the often fraught relationship between these groups Right-Wing Populism in America Chip Berlet, Matthew N. Lyons, 2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States Illuminated is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns

of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America

**The Rise of the Ku Klux Klan** Rory McVeigh,2009 In *The Rise of the Ku Klux Klan* Rory McVeigh provides a revealing analysis of the broad social agenda of 1920s era KKK showing that although the organization continued to promote white supremacy it also addressed a surprisingly wide range of social and economic issues targeting immigrants and particularly Catholics as well as African Americans as dangers to American society

*Hooded Knights on the Niagara* Shawn Lay,1995-07-01 A first rate study Lay offers the first look beneath the hood and robe of the Invisible Empire in a northeastern stronghold Robert A Goldberg author of *Hooded Empire The Ku Klux Klan in Colorado* They came in the dead of night marking the homes and businesses of their enemies with crude symbols and dire warnings They plotted against those of other religious faiths and circulated secret lists of alleged traitors to the community and nation They mailed anonymous threats to those who refused to be intimidated into silence all the while claiming that they were the true champions of American justice and freedom The above may seem an accurate description of the sinister activities that distinguished the Ku Klux Klan in the early twentieth century but in Buffalo New York and in fact throughout much of the northeastern United States such activities were as characteristic of the Klan s opponents as of the hooded order itself While the revived Klan of the 1920s the largest and most influential manifestation of organized intolerance in American history proceeded with relative impunity in many locales it encountered a very different situation in Buffalo where powerful enemies opposed the organization at every turn Shawn Lay here provides a riveting portrayal of how the Klan established itself in Buffalo Most chillingly he explains how otherwise ordinary well established citizens caught up in a complex set of circumstances were persuaded to join a notorious secret society that pandered to the darkest impulses in American society A welcome complement to recent work on the Klan in the South West and Midwest Larry R Gerlach author of *Blazing Crosses in Zion The Ku Klux Klan in Utah*

**The Ku Klux Klan in 1920s Arkansas** Kenneth C. Barnes,2021-03-26 Winner 2022 J G Ragsdale Book Award Arkansas Historical Association The Ku Klux Klan established a significant foothold in Arkansas in the 1920s boasting more than 150 state chapters and tens of thousands of members at its zenith Propelled by the prominence of state leaders such as Grand Dragon James Comer and head of Women of the KKK Robbie Gill Comer the Klan established Little Rock as a seat of power second only to Atlanta In *The Ku Klux Klan in 1920s Arkansas* Kenneth C Barnes traces this explosion of white nationalism and its impact on the state s development Barnes shows that the Klan seemed to wield power everywhere in 1920s Arkansas Klansmen led businesses and held elected offices and prominent roles in legal medical and religious institutions while the

women of the Klan supported rallies and charitable activities and planned social gatherings where cross burnings were regular occurrences Inside their organization Klan members bonded during picnic barbeques and parades and over shared religious traditions Outside of it they united to direct armed threats merciless physical brutality and torrents of hateful rhetoric against individuals who did not conform to their exclusionary vision By the mid 1920s internal divisions scandals and an overzealous attempt to dominate local and state elections caused Arkansas s Klan to fall apart nearly as quickly as it had risen Yet as the organization dissolved and the formal trappings of its flamboyant presence receded the attitudes the Klan embraced never fully disappeared In documenting this history Barnes shows how the Klan s early success still casts a long shadow on the state to this day

**Antisemitism Before the Holocaust** Richard E. Frankel, 2023-04-07 This book examines the history of antisemitism in the United States and Germany in a novel way by placing the two countries side by side for a sustained comparison of the anti Jewish environments in both countries from the 1880s to the end of World War II Author Richard E Frankel shatters the widely held notion of exceptionalism in Germany and America the belief that antisemitism in Germany was uniquely murderous and led inevitably to the Holocaust and that antisemitism in the United States was uniquely benign making an American Holocaust all but unthinkable In a series of new and previously published essays that have been revised updated and expanded the book relates antisemitism to issues including Jewish and Chinese immigration discrimination and exclusion World War I and its aftermath Hitler and Henry Ford Nazis the American Right and the Roosevelt Administration and a German Ku Klux Klan Taken together these essays reveal that antisemitism in Germany was less aberrant than commonly believed and that American antisemitism was indeed dangerous and more similar to what existed in Germany during the same period *Antisemitism Before the Holocaust* is an essential volume for students and scholars alike interested in European and American history the history of the Holocaust and World War I

*Shipshewana* Dorothy O. Pratt, 2004-10-19 A cultural history of a northern Indiana Amish community and its success in maintaining itself and resisting assimilation into the larger culture While most books about the Amish focus on the Pennsylvania settlements or on the religious history of the sect this book is a cultural history of one Indiana Amish community and its success in resisting assimilation into the larger culture Amish culture has persisted relatively unchanged primarily because the Amish view the world around them through the prism of their belief in collective salvation based on purity separation and perseverance Would anything new add or detract from the community s long term purpose Seen through this prism most innovation has been found wanting Founded in 1841 Shipshewana benefited from LaGrange County s relative isolation As Dorothy O Pratt shows this isolation was key to the community s success The Amish were able to develop a stable farming economy and a social structure based on their own terms During the years of crisis 1917 1945 the Amish worked out ways to protect their boundaries that would not conflict with their basic religious principles As conscientious objectors they bore the traumas of World War I struggled against the Compulsory School Act of 1921 negotiated the labyrinth of New Deal bureaucracy and

labored in Alternative Service during World War II The story Pratt tells of the postwar years is one of continuing difficulties with federal and state regulations and challenges to the conscientious objector status of the Amish The necessity of presenting a united front to such intrusions led to the creation of the Amish Steering Committee Still Pratt notes that the committee's effect has been limited Crisis and abuse from the outer world have tended only to confirm the desire of the Amish to remain a people apart and lends a special poignancy to this engrossing tale of resistance to the modern world In this careful community study Pratt a professor and assistant dean at Notre Dame analyzes the tension between assimilation and cultural distinctiveness among the northern Indiana Amish in the 19th and 20th centuries A worthy case study of resistance to change Publishers Weekly

**The Ku Klux Klan in the Heartland** James H. Madison, 2020-10-06 Who is an American asked the Ku Klux Klan It is a question that echoes as loudly today as it did in the early twentieth century But who really joined the Klan Were they hillbillies the Great Unteachables as one journalist put it It would be comforting to think so but how then did they become one of the most powerful political forces in our nation's history In *The Ku Klux Klan in the Heartland* renowned historian James H Madison details the creation and reign of the infamous organization Through the prism of their operations in Indiana and the Midwest Madison explores the Klan's roots in respectable white protestant society Convinced that America was heading in the wrong direction because of undesirable un American elements Klan members did not see themselves as bigoted racist extremists but as good Christian patriots joining proudly together in a righteous moral crusade *The Ku Klux Klan in the Heartland* offers a detailed history of this powerful organization and examines how through its use of intimidation religious belief and the ballot box the ideals of Klan in the 1920s have on going implications for America today

**Liberalism and Its Discontents** Alan Brinkley, 2000-04-14 Considering the role of alternate political traditions in liberalism's downfall *Liberalism and Its Discontents* shows how historical interpretation has been a reflection of liberal assumptions

*Notre Dame vs. The Klan* Todd Tucker, 2018-08-15 In 1924 two uniquely American institutions clashed in northern Indiana the University of Notre Dame and the Ku Klux Klan Todd Tucker's book published for the first time in paperback *Notre Dame vs The Klan* tells the shocking story of the three day confrontation in the streets of South Bend Indiana that would change both institutions forever When the Ku Klux Klan announced plans to stage a parade and rally in South Bend hoping to target college campuses for recruitment starting with Notre Dame a large group of students defied their leaders pleas to ignore the Klan and remain on campus Tucker dramatically recounts the events as only a proficient storyteller can Readers will find themselves drawn into the fray of these tumultuous times Tucker structures this compelling tale around three individuals D C Stephenson the leader of the KKK in Indiana the state with the largest Klan membership in America Fr Matthew Walsh the young and charismatic president of the University of Notre Dame and a composite of a Notre Dame student at the time represented by Bill Foohey who was an actual participant in the clash This book will appeal not only to Notre Dame fans but to those interested in South Bend and Indiana history and the history

of the Klu Klux Klan including modern day Klan violence      **The Other School Reformers** Adam Laats,2015-02-09 The idea that American education has been steered by progressivism is accepted as fact by liberals and conservatives alike Adam Laats shows that this belief is wrong Calling to center stage conservatives who shaped America s classrooms he shows that in the long march of American public education progressive reform has been a beleaguered dream      Buried in the Bitter Waters Elliot Jaspis,2008-05-06 A Pulitzer Prize winning journalist exposes the secret history of racial cleansing in America
