Cicero Xva Orations Philippics 1 6 Loeb Classical Library:

Cicero Gesine Manuwald,2014-11-28 Marcus Tullius Cicero 106 43 BCE introduced Romans to the major schools of Greek philosophy forging a Latin conceptual vocabulary that was entirely new But for all the sophistication of his thinking it is perhaps for his political and oratorical career that Cicero is best remembered He was the nemesis of Catiline whose plot to overthrow the Republic he famously denounced to the Senate He was the selfless politician who turned down the opportunity to join Julius Caesar and Pompey in their ruling triumvirate with Crassus He was briefly Rome s leading man after Caesar s assassination in 44 BCE And he was the great political orator whose bitter conflict with Mark Antony led to his own violent death in 43 BCE In her authoritative survey Gesine Manuwald evokes the many faces of Cicero as well as his complexities and seeming contradictions She focuses on his major works allowing the great writer to speak for himself Cicero s rich legacy is seen to endure in the works of Quintilian and the Church Fathers as well as in the speeches of Harry S Truman and Barack Obama Reading the Roman Republic in Early Modern England Freyja Cox Jensen,2012-08-03 Placing the reading of history in its cultural and educational context and examining the processes by which ideas about ancient Rome circulated this study provides the first assessment of the significance of Roman history broadly conceived in early modern England
