Antonia Finnane

Cinderellas Sisters A Revisionist History Of Footbinding:

Cinderella's Sisters Dorothy Ko,2005 Footbinding is widely condemned as perverse as symbolic of male domination over women This study offers a more complex explanation of a thousand year practice contending that the binding of women s feet in China was sustained by the interests of both women and men **Cinderella's Sisters** Dorothy Ko,2005-12-12 Footbinding is widely condemned as perverse as symbolic of male domination over women This study offers a more complex explanation of a thousand year practice contending that the binding of women s feet in China was sustained by the interests of both women and men *Beyond the May Fourth Paradigm* Kai-wing Chow,2008-01-01 *Beyond the May Fourth Paradigm* explores various dimensions of modern Chinese culture ranging from literature thought and music to scientific research business and everyday life By heeding how the May Fourth and non May Fourth groups depended on each other and joined forces in creating Chinese modernity this anthology points to the significant directions that Chinese historical actors chose as they competed but also collaborated in modernizing themselves their culture and the nation Confucianism in Context Wonsuk Chang,Leah Kalmanson,2010-11-10 What is Confucianism This book provides a wide ranging view of the tradition and its contemporary relevance for Western readers Discussing the development of Confucianism in China the work goes on to show the deep impact of Korean and Japanese cultures on Confucian thinking A dialogic way of thought highly sensitive to locations and conditions Confucianism is shown to be a valuable philosophical resource for a multicultural globalizing world In addition to discussing Confucianism unique responses to traditional philosophical problems such as the nature of self and society Confucianism in Context shows how Confucian philosophy can contribute to contemporary issues such as democracy human rights feminism and ecology *Ordinary Violence* Mary White Stewart,2014-01-27 Addresses the many forms of global violence against women and shows how the psychology of individuals institutions and societies perpetuate the oppression of women In this eye opening study the author asserts that institutionalized definitions of masculinity and femininity along with the social and economic inequality among the sexes help perpetuate the daily and deadly violence against women all across the world This second edition of a classic work examines the latest discussions on gender relations including the current debate over whether prostitution and pornography should be deemed inherently violent and the role of western countries in the global response to violence against women **Gendering the Trans-Pacific World** ,2017-03-06 As the inaugural volume of the new Brill book series Gendering the Trans Pacific World Diaspora Empire and Race this anthology presents an emergent interdisciplinary and multidisciplinary field that highlights the inextricable link between gender and the trans Pacific world The anthology features twenty one chapters by new and established scholars and writers They collectively examine the geographies of empire the significance of intimacy and affect the importance of beauty and the body and the circulation of culture This is an ideal volume to introduce advanced undergraduate and graduate students to Transpacific Studies and gender as a category of analysis Gendering the Trans Pacific World Diaspora Empire and Race is

now available in paperback for individual customers How to Make a Mao Suit Antonia Finnane, 2023-08-03 When the People's Republic of China was founded in 1949 new clothing protocols for state employees resulted in far reaching changes in what people wore In a pioneering history of dress in the Mao years 1949 1976 Antonia Finnane traces the transformation using industry archives and personal stories to reveal a clothing regime pivoted on the so called Mao suit The time of the Mao suit was the time of sewing schools and sewing machines pattern books and homemade clothes It was also a time of close economic planning when rationing meant a limited range of clothes made usually by women from limited amounts of cloth In an area of scholarship dominated by attention to consumption Finnane presents a revisionist account focused instead on production How to Make a Mao Suit provides a richly illustrated account of clothing that links the material culture of the Mao years to broader cultural and technological changes of the twentieth century **Encyclopedia of Body Adornment** Margo DeMello, 2007-08-30 People everywhere have attempted to change their bodies in an effort to meet their cultural standards of beauty as well as their religious and or social obligations Often times this modification or adornment of their bodies is part of the complex process of creating and re-creating personal and social identities Body painting has probably been practiced since the Paleolithic as archaeological evidence indicates and the earliest human evidence of tattooing goes back to the Neolithic with mummies found in Europe Central Asia the Andes and the Middle East Adornments such as jewelry have been found in the earliest human graves and bodies unearthed from five thousand years ago show signs of intentional head shaping It is clear that adorning and modifying the body is a central human practice Over 200 entries address the major adornments and modifications their historical and cross cultural locations and the major cultural groups and places in which body modification has been central to social and cultural practices This encyclopedia also includes background information on some of the central figures involved in creating and popularizing tattooing piercing and other body modifications in the modern world Finally the book addresses some of the major theoretical issues surrounding the temporary and permanent modification of the body the laws and customs regarding the marking of the body and the social movements that have influenced or embraced body modification and those which have been affected by it All cultures everywhere have attempted to change their body in an attempt to meet their cultural standards of beauty as well as their religious and or social obligations In addition people modify and adorn their bodies as part of the complex process of creating and re-creating their personal and social identities Body painting has probably been practiced since the Paleolithic as archaeological evidence indicates and the earliest human evidence of tattooing goes back to the Neolithic with mummies found in Europe Central Asia the Andes and the Middle East Adornments such as jewelry have been found in the earliest human graves and bodies unearthed from five thousand years ago show signs of intentional head shaping It is clear that adorning and modifying the body is a central human practice Over 200 entries address the major adornments and modifications their historical and cross cultural locations and the major cultural groups and places in which body modification has been central to social and cultural

practices This encyclopedia also includes background information on the some of the central figures involved in creating and popularizing tattooing piercing and other body modifications in the modern world Finally the book addresses some of the major theoretical issues surrounding the temporary and permanent modification of the body the laws and customs regarding the marking of the body and the social movements that have influenced or embraced body modification and those which have been affected by it Entries include acupuncture amputation Auschwitz P T Barnum the Bible body dysmorphic disorder body piercing branding breast augmentation and reduction Betty Broadbent castration Christianity cross dressers Dances Sacred and Profane Egypt female genital mutilation foot binding freak shows genetic engineering The Great Omi Greco Roman world henna infibulation legislation regulation lip plates medical tattooing Meso America military tattoos National Tattoo Association nose piercing obesity permanent makeup primitivism prison tattooing punk rites of passage scalpellling silicone injections Stalking Cat suspensions tanning tattoo reality shows tattooing Thailand transgender tribalism **Changing**

Clothes in China Antonia Finnane, 2023-05-30 Historians have long regarded fashion as something peculiarly Western In this surprising sumptuously illustrated book Antonia Finnane challenges this view which she argues is based on nineteenth and twentieth century representations of Chinese dress as traditional and unchanging Fashions she shows were part of Chinese life in the late imperial era even if a fashion industry was not then apparent In the early twentieth century the key features of modern fashion became evident particularly in Shanghai and rapidly changing dress styles showed the effects The volatility of Chinese dress throughout the twentieth century matched vicissitudes in national politics Finnane describes in detail how the close fitting jacket and high collar of the 1911 Revolutionary period the skirt and jacket blouse of the May Fourth era and the military style popular in the Cultural Revolution gave way finally to the variegated globalized wardrobe of today She brilliantly connects China's modernization and global visibility with changes in dress offering a vivid portrait of the complex subtle and sometimes contradictory ways the people of China have worn their nation on their backs **The Fox Spirit, the Stone Maiden, and Other Transgender Histories from Late Imperial China** Matthew H.

Sommer, 2024-03-19 In imperial China people moved away from the gender they were assigned at birth in different ways and for many reasons Eunuchs boy actresses and clergy left behind normative gender roles defined by family and procreation Stone maidens women deemed physically incapable of vaginal intercourse might depart from families or marriages to become Buddhist or Daoist nuns Anatomical males who presented as women sometimes took a conventionally female occupation such as midwife faith healer or even medium to a fox spirit Yet they were often punished harshly for the crime of masquerading in women's attire suspected of sexual predation even when they had lived peacefully in their communities for many years Exploring these histories and many more this book is a groundbreaking study of transgender lives and practices in late imperial China Through close readings of court cases as well as Ming and Qing fiction and nineteenth century newspaper accounts Matthew H Sommer examines the social legal and cultural histories of gender crossing He considers a

range of transgender experiences illuminating how certain forms of gender transgression were sanctioned in particular social contexts and penalized in others Sommer scrutinizes the ways Qing legal authorities and literati writers represented and understood gender nonconforming people and practices contrasting official ideology with popular mentalities An unprecedented account of China's transgender histories this book also sheds new light on a range of themes in Ming and Qing law religion medicine literature and culture

Proceedings of the 2022 6th International Seminar on Education, Management and Social Sciences (ISEMSS 2022) Ghaffar Ali,Mehmet Cüneyt Birkök,Intakhab Alam Khan,2023-09-16

Hostile Forces Jamie J. Gruffydd-Jones,2022-07-19 How do authoritarian regimes deal with pressure from the international community China's leaders have been subject to decades of international attention condemnation resolutions boycotts and sanctions over their treatment of human rights We assume that hearing about all this pressure will make the public more concerned about human rights and so regimes like the Chinese Communist Party CCP should do what they can to prevent this from happening In Hostile Forces Jamie Gruffydd Jones argues that while international pressure may indeed embarrass authoritarian leaders on the international stage it may in fact benefit them at home The targets of human rights pressure regimes like the Communist Party are not merely passive recipients but actors who can proactively shape and deploy that pressure for their own advantage Taking us through an exploration of the history of the Communist Party's reactions to foreign pressure from condemnation of Mao's crackdowns in Tibet to outrage at the outbreak of COVID 19 analysis of a novel database drawn from state media archives as well as multiple survey experiments and hundreds of interviews Gruffydd Jones shows that the CCP uses the most hostile pressure strategically and successfully to push citizens to view human rights in terms of international geopolitics rather than domestic injustice and reduce their support for change The book shines a light on how regimes have learnt to manage manipulate and resist foreign pressure on their human rights and illustrates how support for authoritarian and nationalist policies might grow in the face of a liberal international system

Middle Imperial China, 900-1350 Linda Walton,2023-08-03 In this highly readable and engaging work Linda Walton presents a dynamic survey of China's history from the tenth through the mid fourteenth centuries from the founding of the Song dynasty through the Mongol conquest when Song China became part of the Mongol Empire and Marco Polo made his famous journey to the court of the Great Khan Adopting a thematic approach she highlights the political social economic

intellectual and cultural changes and continuities of the period often conceptualized as Middle Imperial China Particular emphasis is given to themes that inform scholarship on world history religion the state the dynamics of empire the transmission of knowledge the formation of political elites gender and the family Consistent coverage of peoples beyond the borders Khitan Tangut Jurchen and Mongol among others provides a broader East Asian context and introduces a more nuanced integrated representation of China's past

Feet and Footwear Margo DeMello, 2009-09-10 Take a walk in someone else's shoes in this fascinating examination of shoes and feet around the world This one of a kind A Z reference work contains over 150 fascinating entries and intriguing sidebars that look at feet and adornment of feet across the many cultures of the world throughout time A wide range of international and multicultural topics are covered including foot binding fetishes diseases of the foot customs and beliefs related to the foot shoe construction myths and folktales featuring feet or shoes the history of footwear iconic brands and types of shoes important celebrities associated with shoes and the types of footwear worn around the world This exhaustive compilation is ideal for students and general readers interested in the human body fashion and medicine and even scholars looking for more in depth coverage on the social and cultural uses of the body will find it as a useful starting point in their research Cross references suggestions for further reading and a full bibliography of print and electronic resources are valuable tools for all readers Students can use this reference work to draw cross cultural comparisons as well as study the evolution of footwear in terms of social religious and ethnic parameters Aside from iconic American brands and types of shoes this volume will also look at how feet are treated and viewed around the globe removing shoes upon entering a house washing feet for religious purposes giving feet the spa treatment and covering feet up for social customs Perfect for undergraduate and high school students studying anthropology and world culture

The Hypothetical Mandarin : Sympathy, Modernity, and Chinese Pain Eric Hayot Associate Professor of Comparative Literature and Director of the Program in Asian Studies Pennsylvania State University, 2009-03-27 Why has the West for so long and in so many different ways expressed the idea that the Chinese have a special relationship to cruelty and to physical pain What can the history of that idea and its expressions teach us about the politics of the West's contemporary relation to China And what does it tell us about the philosophy of modernity The Hypothetical Mandarin is in some sense a history of the Western imagination It is also a history of the interactions between Enlightenment philosophy of globalization of human rights and of the idea of the modern Beginning with Bianchon and Rastignac's discussion of whether the former would if he could obtain a European fortune by killing a Chinese mandarin in Balzac's *Le Pere Goriot* 1835 the book traces a series of literary and historical examples in which Chinese life and European sympathy seem to hang in one another's balance Hayot's wide ranging discussion draws on accounts of torture on medical case studies travelers' tales photographs plasticized corpses polemical broadsides watercolors and on oil paintings His analyses show that the historical connection between sympathy and humanity and indeed between sympathy and reality has tended to refract with a remarkable frequency through the lens

called China and why the story of the West's Chinese pain goes to the heart of the relation between language and the body and the social experience of the modern human being Written in an ebullient prose The Hypothetical Mandarin demonstrates how the network that intertwines China sympathy and modernity continues to shape the economic and human experience

Making China Modern Klaus Mühlhahn, 2019-01-14 Klaus Mühlhahn situates modern China in the nation's long dynamic tradition of overcoming adversity and weakness through creative adaptation a legacy of crisis and recovery that is apparent today in China's triumphs but also in its most worrisome trends Mühlhahn's panoramic survey rewrites the history of modern China for a new generation Eastern Encounters: Canadian Women's Writing about the East, 1867-1929 Shoshannah Ganz

□, 2017-04-17 Eastern Encounters releases early Canadian women writers from a simple focus on autobiography and racial politics and interrogates their specific and sophisticated Asian influences With a compelling reconstruction of historical context Ganz has created perhaps the first book in a much needed series that will revisit Canadian nationalism through the important cultural exchanges she examines Though shaped with an Asian readership in mind Eastern Encounters is an important work for all who wish to challenge the notion that Judeo Christian traditions almost exclusively shaped early Canadian discourse A Companion to Chinese History Michael Szonyi, 2017-02-06 A Companion to Chinese History presents a collection of essays offering a comprehensive overview of the latest intellectual developments in the study of China's history from the ancient past up until the present day Covers the major trends in the study of Chinese history from antiquity to the present day Considers the latest scholarship of historians working in China and around the world Explores a variety of long range questions and themes which serves to bridge the conventional divide between China's traditional and modern eras Addresses China's connections with other nations and regions and enables non specialists to make comparisons with their own fields Features discussion of traditional topics and chronological approaches as well as newer themes such as Chinese history in relation to sexuality national identity and the environment *Women Shall Not Rule* Keith

McMahon, 2013-06-06 Chinese emperors guaranteed male successors by taking multiple wives in some cases hundreds and even thousands Women Shall Not Rule offers a fascinating history of imperial wives and concubines especially in light of the greatest challenges to polygamous harmony rivalry between women and their attempts to engage in politics Besides ambitious empresses and concubines these vivid stories of the imperial polygamous family are also populated with prolific emperors wanton women libertine men cunning eunuchs and bizarre cases of intrigue and scandal among rival wives Keith McMahon a leading expert on the history of gender in China draws upon decades of research to describe the values and ideals of imperial polygamy and the ways in which it worked and did not work in real life His rich sources are both historical and fictional including poetic accounts and sensational stories told in pornographic detail Displaying rare historical breadth his lively and fascinating study will be invaluable as a comprehensive and authoritative resource for all readers interested in the domestic life of royal palaces across the world **Representations of China in British Children's Fiction,**

1851-1911 Shih-Wen Chen, 2016-04-08 In her extensively researched exploration of China in British children's literature Shih Wen Chen provides a sustained critique of the reductive dichotomies that have limited insight into the cultural and educative role these fictions played in disseminating ideas and knowledge about China. Chen considers a range of different genres and types of publication: travelogue, storybooks, historical novels, adventure stories, and periodicals, to demonstrate the diversity of images of China in the Victorian and Edwardian imagination. Turning a critical eye on popular and prolific writers such as Anne Bowman, William Dalton, Edwin Harcourt Burrage, Bessie Marchant, G. A. Henty, and Charles Gilson, Chen shows how Sino-British relations were influential in the representation of China in children's literature. Chen challenges the notion that nineteenth-century children's literature simply parroted the dominant ideologies of the age and offers insights into how attitudes towards children's relationship with knowledge changed over the course of the century. Her book provides a fresh context for understanding how China was constructed in the period from 1851 to 1911 and sheds light on British cultural history and the history and uses of children's literature.

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Cinderellas Sisters A Revisionist History Of Footbinding**

In some sort of inundated with screens and the cacophony of immediate connection, the profound power and psychological resonance of verbal beauty frequently fade in to obscurity, eclipsed by the regular onslaught of sound and distractions. Yet, situated within the musical pages of **Cinderellas Sisters A Revisionist History Of Footbinding**, a interesting work of literary brilliance that impulses with fresh thoughts, lies an unforgettable journey waiting to be embarked upon. Published by a virtuoso wordsmith, that magical opus instructions readers on an emotional odyssey, delicately revealing the latent possible and profound impact stuck within the elaborate internet of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is main styles, dissect their charming writing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Cinderellas Sisters A Revisionist History Of Footbinding Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cinderellas Sisters A Revisionist History Of Footbinding has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cinderellas Sisters A Revisionist History Of Footbinding has opened up a world of possibilities. Downloading Cinderellas Sisters A Revisionist History Of Footbinding provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cinderellas Sisters A Revisionist History Of Footbinding has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cinderellas Sisters A Revisionist History Of Footbinding. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cinderellas Sisters A Revisionist History Of Footbinding. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Cinderellas Sisters A Revisionist History Of Footbinding, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cinderellas Sisters A Revisionist History Of Footbinding has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
