The Cinema of Hockey Iri Cermak, 2017-02-13 Ice hockey has featured in North American films since the early days. Hockey's sizable cinematic repertoire explores different views of the sport including the role of aggression, the business of sports, race and gender, and the role of women in the game. This critical study focuses on hockey themes in more than 50 films and television movies from the U.S. and Canada spanning several decades. Depictions of historical games are discussed, including the 1980 Miracle on Ice and the 1972 Summit Series. National myths that inform ideas of the hockey player are examined. Production techniques that enhance hockey as on-screen spectacle are covered. **Canadian Cinema Since the 1980s** David L. Pike, 2012-12-06 Award-winning author David L. Pike offers a unique focus on the crucial quarter century in Canadian filmmaking when the industry became a viable force on the international stage. Pike provides a lively personal and accessible history of the most influential filmmakers and movements of both Anglo-Canadian and Quebecois cinema, from popular movies to art film and everything in between. Along with in-depth studies of key directors including David Cronenberg, Patricia Rozema, and Denys Arcand, Jean-Claude Lauzon, Robert Lepage, L'a Pool Atom, Egoyan, and Guy Maddin, *Canadian Cinema since the 1980s* reflects on major themes and genres and explores the regional and cultural diversity of the period. Pike positions Canadian filmmaking at the frontlines of a profound cinematic transformation in the age of global media and presents fresh perspectives on both its local and international contexts. Making a significant advance in the study of the film industry of the period, *Canadian Cinema since the 1980s* is also an ideal text for students, researchers, and Canadian film enthusiasts. **Fodor's Montreal and Quebec City** Fodor's Travel Guides, 2018-05-08 Written by local experts, Fodor's travel guides have been offering advice and professionally vetted recommendations for all tastes and budgets for 80 years.
