

# CIRCUMCISION

## The Painful Dilemma

Rosemary Romberg

2nd Edition

"The definitive book on circumcision, meriting the subtitle  
'Everything you wanted to know about  
circumcision and were afraid to ask.' "

Robert S. Mendelsohn, M.D., Author,  
*Confessions of a Medical Heretic*

# Circumcision The Painful Dilemma

**Arthur Firstenberg**

## **Circumcision The Painful Dilemma:**

**Circumcision** Rosemary Romberg, 2021-03-27 Features a collection of articles about circumcision compiled by Vernon Quiantance Provides guidelines for making a decision on circumcision FAQs aimed at teenagers descriptions of the surgical procedures involved in circumcision and a glossary of terms related to circumcision and the genital organs Links to other related Web sites on circumcision

**Understanding Circumcision** George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2013-06-29 Every year in the United States and the third world combined 13 3 million boys and 2 million girls are circumcised Whether because of perceived medical cultural or religious necessity most of these parents feel they have no alternative but to allow their children to undergo this surgery Sparking intense debate the circumcision of children is a highly controversial and complex phenomenon that touches a variety of sociological areas such as religious beliefs identity issues medical conceptualizations fear and superstition The contributors to this volume comprise an international panel of experts in the fields of medicine psychology law ethics sociology anthropology history theology and politics In 18 chapters they discuss the history of circumcision document the physical and psychological consequences of circumcision present the latest anatomical discoveries about the male prepuce analyze the role of circumcision in various traditions reveal the medical industry's investment in the practice describe current legislative efforts to protect children from circumcision and outline effective culturally sensitive methods that are being implemented today to safeguard the human rights of at risk children For its insights into this troubling aspect of culture Understanding Circumcision A Multi Disciplinary Approach to a Multi Dimensional Problem is a critically important contribution to the growing body of literature on this subject

**Flesh and Blood** George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2004 This book illuminates the vulnerability of human society to medical economic and historical pressures It provides a much needed thoughtful and detailed analysis of the impact of circumcision on human rights and the development of the concept of bodily integrity In this last sense the challenge posed by the contemporary cultural disregard for the individual's right to control his own body and sexual destiny serves as a vivid example of how medicine has played a decisive role in shaping and defining cultural attitudes towards male sexuality and the male body

Sacred Tropes: Tanakh, New Testament, and Qur'an as Literature and Culture Roberta Sabbath, 2009-09-30 Contemporary sacred text scholarship has been stimulated by a number of intersecting trends a surging interest in religion sacred texts and inspirational issues burgeoning developments in and applications of literary theories intensifying academic focus on diverse cultures whether for education or scholarship Although much has been written individually about Tanakh New Testament and Qur'an no collection combines an examination of all three Sacred Tropes interweaves Tanakh New Testament and Qur'an essays Contributors collectively and also often individually use mixed literary approaches instead of the older single theory strategy Appropriate for classroom or research the essays utilize a variety of literary theoretical lenses including environmental cultural studies gender

psychoanalytic ideological economic historicism law and rhetorical criticisms through which to examine these sacred works

**Complications in Male Circumcision** Mohamed A Baky Fahmy, 2019-05-22 Circumcision remains as one of the most controversial topics in current urological practice The most important argument against circumcision is the permanent change of anatomy histology and function of the penis with potential complications with rates reported to be low in developed countries whereas it may be up to 85% when circumcision is carried out by traditional circumcisers rather than by medically trained professionals in developing countries In some studies reporting the complications of circumcision primary haemorrhage was the most common 52% whereas infection meatal stenosis incomplete circumcision penile oedema glandular injury penile adhesions iatrogenic hypospadias and urethral injuries were also detected at different rates At times minor complications after circumcision which cannot be avoided even when the procedure is undertaken by specialized pediatric surgeons or urologist in a properly equipped centres specially if the child or his penis is congenitally abnormal the obvious examples are circumcising a child with an excessive suprapubic fat or a child with webbed penis or micropallus This title aims to minimize complications of MC and to compete against its serious impact on men s health it will educate and teach physicians about potential complications and how they could manage it early on and avoid further patient problems This title will shed some light over the common as well the uncommon complications which usually raise a debate about its management There are different sets to classify MC complications Either early or late minor or major local or systemic rare or common Both rare and common complications will be discussed with comprehensive photos and illustrations for each complication and its operative remedy

**Mother Jones Magazine** ,1986-04 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

*Encyclopedia of Gender and Society* Jodi O'Brien, 2009 Provides timely comparative analysis from internationally known contributors

**Circumcision** Ronald Goldman, 1997 CIRCUMCISION THE HIDDEN TRAUMA is the first intensive exploration of the unrecognized psychological and social aspects of this increasingly controversial American cultural practice The book has been endorsed by dozens of professionals in psychology psychiatry child development pediatrics obstetrics childbirth education sociology and anthropology including Ashley Montagu Christiane Northrup Warren Farrell Sheila Kitzinger Sam Keen and Penelope Leach Without much knowledge the American public generally assumes that our cultural practice of circumcision is a trivial and benign procedure Plain facts and research results conflict with these beliefs and raise serious questions Dr Goldman s application of psychological and social research coherently explains both the tenacity of the practice and the contradictory information and beliefs about it After a review of the surprising abilities of infants and their responses to circumcision pain the long term psychological effects of circumcision are examined from the perspectives of both traditional and innovative psychological theories We learn that circumcision has potential effects not only on men and sexuality but also on mother child relationships male female relationships and societal traits and problems The text is

supported with clinical reports interviews surveys and thorough documentation CIRCUMCISION THE HIDDEN TRAUMA identifies an overlooked source of early pain and points us in the direction of both healing and preventing this pain It is of particular interest to men who seek to explore their sexuality and deepen self awareness women who want to understand men better parents and children s advocates childbirth educators and allied workers and mental health medical and academic professionals The book has wide appeal because more generally it is about trusting our instincts questioning some of our cultural values and assumptions and reflecting on who we are and who we can be as individuals and as a society Ronald Goldman Ph D is a psychologist educator and executive director of the Circumcision Resource Center in Boston [www.circumcision.org](http://www.circumcision.org) a nonprofit educational organization He gives lectures and seminars on the psychological and social aspects of circumcision and provides consultation to expectant parents and circumcised men Dr Goldman has been a featured guest on local and national radio and television shows and has been cited in numerous newspapers and periodicals

*Israel's Original Sin, Volume I* Richard J. Rolwing, 2001-11-15

Freud, Race, and Gender Sander L. Gilman, 2021-01-12 A Jew in a violently anti Semitic world Sigmund Freud was forced to cope with racism even in the serious medical literature of the fin de siècle which described Jews as inherently pathological and sexually degenerate In this provocative book Sander L Gilman argues that Freud s internalizing of these images of racial difference shaped the questions of psychoanalysis Examining a variety of scientific writings Gilman discusses the prevailing belief that male Jews were feminized as stated outright by Jung and others and concludes that Freud dealt with his anxiety about himself as a Jew by projecting it onto other cultural inferiors such as women Gilman s fresh view of the origins of psychoanalysis challenges those who separate Freud s revolutionary theories from his Jewish identity

*Genital Autonomy*: George C. Denniston, Frederick M. Hodges, Marilyn Fayre Milos, 2010-08-25 Circumcision affects 15 3 million children and young adults annually In terms of gender 13 3 million boys and 2 million girls are subjected to the involuntary removal of part or all of their external sexual organs every year The problem of female circumcision has been addressed on an international level but male circumcision remains a controversial subject that many academics have been reluctant to examine Circumcision is tolerated today because it has been practiced for millennia by a small but vocal minority of religious and ethnic groups however when the practice is examined through the lens of modern legal ethical and human rights advancements no place remains in civilized society for this body altering ritual In *Genital Autonomy Protecting Personal Choice* international experts address various types of genital modifications the impact of these harmful traditional practices on the child on human rights and on the development of the concept of bodily integrity The papers presented in this volume address these topics from a variety of angles They question and dissect the true motivations of the doctors witch doctors and holy men who promote and profit from circumcision

**Liber Memorialis**

**Petar Šarčević** Petar Sarcevic, 2006 This vast collection of scholarly writings examines a wide range of legal topics including for example European Private International Law of Obligations and Internal Market Legislation A Matter of Coordination

Balancing Sovereignty and Party Autonomy in Private International Law Parenthood for Same Sex Couples Challenges of Private International Law from a Scandinavian Perspective The Use of Unpublished Opinions on Relocation Law by the California Courts of Appeal Hiding the Evidence Spousal Support after Divorce under American Family Law An Attempt to Contribute to the Alimony Debate Working with Children The Balance between the Protection of Children and the Right to Work with Children Changing Parenthood after Divorce The Contribution of the UNCITRAL Arbitration Rules to International Commercial Arbitration Universalism and Tradition The Use of Non binding Principles in International Commercial Law Problems in the Implementation of WTO Law in the People s Republic of China Notes on the Pellegrini Judgment of the European Court of Human Rights Professional Traditions The Reciprocating Ethics of Jurist and Judge     Reader's Guide to Judaism Michael Terry,2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly     **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1985     The Primal Wound John Firman,Ann Gila,1997-01-01 Argues that a primal wounding of the human spirit occurs in earliest human life that disrupts fundamental relationships and leads to anxiety loneliness and alienation and shows how this wounding can be redeemed through therapy and through living one s life differently

Current Catalog National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70     **Between Rites and Rights** ,2007-08-24 The study shows in chronological fashion how African women writers in the past five decades have introduced a new autobiographical discourse around their experience of excision bringing nuance and vitality to the FGM debate     The Earth and I Arthur Firstenberg,2025-01-07 Almost all environmental books treat the environmental crisis as though humans are in charge of nature rather than part of it The Earth and I is the first book to put all preconceived notions aside and to ask na vely Who are we really What is our relationship to the earth How is it possible that we out of all the millions of species have come to destroy our common home The answers are surprising and have far reaching implications for those searching for solutions Part One tells what is happening to the earth s systems and how they are being destroyed It rewrites the two million year history of humanity s tenure on the earth as if we are part of nature and not separate from it and describes both the earth and the universe as living systems It paints a global coherent picture of the devastation to Earth s air water forests and creatures that is not found elsewhere It reviews assaults on these systems that are not treated adequately if at all elsewhere chemicals radiation plastics detergents biocides noise cars and guns Part Two Digging below the Surface asks why and enters territory not previously explored by environmentalists It describes the various ways to make a living on the earth hunting and gathering shifting agriculture nomadic herding settled agriculture

and industrial technology as choices not eras choices coexisting with one another until today It rewrites economics It explores the relationship of warfare slavery religion and human sexuality to the environmental crisis And it is forced to conclude that these aspects of human culture are not only shaped but created by the technologies we use that the use of non human sources of energy interferes with human psychological development and that the unfulfilled urges within us explode in the violent technologies that are destroying our planet The solutions if it is not too late therefore lie in wise choice rather than wise use of our technologies

*Reemerging Jewish Culture in Germany* Sander L. Gilman, Karen Remmler, 1994-08

How can there be a Jewish culture in today's Germany Since the fall of the Wall there has been a substantial increase in the visibility of Jews in German culture not only an increase in the number of Jews living there but more importantly an explosion of cultural activity Jews are writing and making films about the central question of Jewish life after the Shoah Given the xenophobia that has marked Germany since reunification the appearance of a new Jewish is both surprising and normalizing Even more striking than the reappearance of Jewish culture in England after the expulsion and massacres of the Middle Ages the presence of a new generation of Jewish writers in Germany is a sign of the complexity and tenacity of modern Jewish life in the Diaspora Edited by Sander L. Gilman and Karen Remmler and featuring works by many of the most noted specialists on the subject including Susan Niemann Y. Michael Bodemann Marion Kaplan Katharina Ochse Robin Ostow Rafael Seligmann Jack Zipes Jeffrey Peck Kizer Walker and Esther Dischereit this volume explores the questions and doubts surrounding the revitalization of Jewish life in Germany The writers cover such diverse topics as the social and institutional role that Jews now play the role of religion in daily life and gender and culture in post Wall Jewish writing

**Israel's Original Sin** Richard J. Rolwing, 2002-05

WAS THE GOD OF JOSHUA THE GOD OF JESUS A relook at modern Israel's roots in ancient Israel salvation history biblical inspiration partial revelation imperfect theology and misguided leaders among Jews Muslims and Christians It asks considering Mohammed Ben Gurion and Harry Truman if Joshua has not had as much influence on western civilization as Jesus What on earth is God doing in the Middle East Do Uncle Sam and his protégé Israel justify divine providence in human history Do victories in war and success in business prove God's blessing and do failures in finance and disasters in health Aids manifest God's displeasure How does Christ's cross theology fit into history politics This book is indeed thoughtful and creative It highlights the need for all of us today to be much more self-critical especially for us Christians to see how domination theology has been a part of our own approach

Fr. Dr. James Bacik author of *Apologetics and the Eclipse of Mystery*

The book delves into Circumcision The Painful Dilemma. Circumcision The Painful Dilemma is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Circumcision The Painful Dilemma, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Circumcision The Painful Dilemma
- Chapter 2: Essential Elements of Circumcision The Painful Dilemma
- Chapter 3: Circumcision The Painful Dilemma in Everyday Life
- Chapter 4: Circumcision The Painful Dilemma in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Circumcision The Painful Dilemma. This chapter will explore what Circumcision The Painful Dilemma is, why Circumcision The Painful Dilemma is vital, and how to effectively learn about Circumcision The Painful Dilemma.

3. In chapter 2, the author will delve into the foundational concepts of Circumcision The Painful Dilemma. This chapter will elucidate the essential principles that need to be understood to grasp Circumcision The Painful Dilemma in its entirety.

4. In chapter 3, the author will examine the practical applications of Circumcision The Painful Dilemma in daily life. The third chapter will showcase real-world examples of how Circumcision The Painful Dilemma can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Circumcision The Painful Dilemma in specific contexts. This chapter will explore how Circumcision The Painful Dilemma is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, the author will draw a conclusion about Circumcision The Painful Dilemma. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Circumcision The Painful Dilemma.
