*Cistercian Spirituality* Francis Acharya, 2011-04-01 *Cistercian Spirituality An Ashram Perspective* is a spiritual directory written by Fr Francis Acharya for the monastic community that he founded at Kurisumala Kerala India As the editor Fr Michael Casey relates in the introduction This book is offered to a wider world in the hope that it will serve as a means of making and deepening contact with the spirit of the Cistercian tradition not so much as it is written but as it has been lived for over six decades by a deeply spiritual man To those who know of Kurisumala Ashram or who have read the biography of Fr Francis it will provide a gateway to an understanding of the interior life of this remarkable monk In particular his description of the stages of the experience of prayer will certainly be helpful to many who like him are lifelong seekers of the unseen God Francis Acharya OCSO left the Belgian monastery of Scourmont in 1955 after twenty years as a Trappist to live his monastic life in India His experiences put him in contact with such other pioneering spirits as Henri Le Saux Abishiktananda Jules Monchanin In Quest of the Absolute and Bede Griffiths Return to the Centre The Golden String and led to an uncommonly successful inculturation of Christian monasticism within Indian culture and spirituality at Kurisumala where he served as Acharya teacher until his death in 2001 His biography Kurisumala Francis Mahieu Acharya A Pioneer of Christian Monasticism in India is also published by Cistercian Publications *The Way of Simplicity* Esther De Waal, 1998

*Passing from Self to God* Robert Thomas, 2006 Those seeking to deepen their spiritual lives by visiting monasteries rarely have enough time to absorb as much as they would like In this book an experienced spiritual master provides an intensive directed retreat which relies heavily on the rich Cistercian spiritual tradition Readers may read and digest at their own pace savoring the author's contagious enthusiasm for the monastic way and the medieval monks who formed this distinctive contemplative tradition Robert Thomas a monk of Sept Fons from 1928 until his death in 2002 served as prior of his community professor of theology and Sacred Scripture and chaplain to Cistercian nuns He was instrumental in translating the early Cistercian Fathers into modern languages *Monastic Practices* Charles Cummings, 2015 For three decades *Monastic Practices* has been a valued resource for English speaking aspirants to monastic life In this revised edition updated and expanded Charles Cummings OCSO explores the common practices of the monastic life in order to rediscover them as viable means of leading persons to a deeper encounter with God How do monks and nuns occupy themselves throughout the day Have they modernized their lifestyle or is it still cluttered with medieval customs Could any of the monastic practices be of use to those outside the monastery A certain wisdom is necessary to know how to use such practices and how to give oneself to them until they lead one to God After long monastic experience Cummings shows us how the ordinary things we do constitute our path to God In the art of living life he argues we are always beginners searching for God through our concrete circumstances and actions **Inside The School Of Charity** Trisha Day, 2010-01-01 In 2003 Trisha Day spent three months living inside the enclosure of Our Lady of the Mississippi Abbey a community of twenty Cistercian nuns Although she had

long been monastic associate she was startled by the unexpected challenges and insights that emerged as the weeks went by and began a process of profound reflection on her experience Now drawing on her journals and reflections and on her own experience as a professional woman wife daughter and mother she delves into the questions of how the centuries old wisdom of monastic life can challenge inspire and guide those living outside the monastery Organized around topics such as prayer community and the vows each of Day s reflections begins with memories of her monastic experience and then presents a perceptive and often humorous critique of the contrasting values of our present culture For each topic she chronicles with honesty and humility her subsequent struggles to apply back home the alternative approaches learned from the sisters she lived with and offers a wealth of practical suggestions Filled with stories from her own life and fascinating details of daily life in the monastery her book is sure to strike a spark with all those seeking to live in a fully human and Christ centered way

**Coenobium** Michael Casey, 2021-11-08 After sixty years of living in a Cistercian community Michael Casey combines his down to earth observations about the joys and challenges of living in community with an appreciation of the deeper meanings of cenobitic life taking into account the changes in both theory and practice that have occurred in his lifetime He invites his readers especially monks and nuns to reflect on their own experiences of community as a means of seeing a path forward into the future Many of the key components of monastic community have kept the same names for more than a millennium In an age of paradigm shift Michael Casey invites readers to examine these essential practices of community life and to ask how they might be envisioned in a way that speaks to our contemporaries The Cistercian Fathers and Their Monastic Theology Thomas Merton, 2016 These conferences presented by Thomas Merton to the novices at the Abbey of Gethsemani in 1963 1964 focus mainly on the life and writings of his great Cistercian predecessor St Bernard of Clairvaux 1090 1153 Guiding his students through Bernard s Marian sermons his treatise On the Love of God his controversy with Peter Abelard and above all his great series of sermons on the Song of Songs Merton reveals why Bernard was the major religious and cultural figure in Europe during the first half of the twelfth century and why he has remained one of the most influential spiritual theologians of Western Christianity from his own day until the present As James Finley writes in his preface to this volume Merton is teaching us in these notes how to be grateful and amazed that the ancient wisdom that shimmers and shines in the eloquent and beautiful things that mystics say is now flowing in our sincere desire to learn from God how to find our way to God **Monastic wisdom series** , 19?? The Art of Life Joan Chittister, 2012-10 The best of ourselves That s what Joan Chittister wants each of us to find and become Through brief daily reflections the bestselling author looks to great works of art for inspiration bringing the monastic perspective to the brushstrokes of masters like Van Gogh Cezanne Millet and more Each art masterpiece one for each month of the year is reproduced in full lustrous color and is accompanied by Sister Joan s meditations on life the soul and the search for fullness of self in a modern world This stirring and inspiring collection is full of the wisdom wit encouragement and advice that have made Sister Joan one of the great spiritual writers of
