# Cfmeu2015calender

**Bernard Mees, Cathy Brigden**

**Cfmeu2015calender:**

Workers' Capital Bernard Mees, Cathy Brigden, 2020-07-16 Superannuation was once a privilege granted only to company head office staff and career public servants. Now in Australia nearly all workers have access to employer contributed superannuation and it is a fundamental pillar of Australia's retirement income system. Workers Capital tells the story of the Australian superannuation revolution led by trade unions in the 1980s. After a series of hard fought industrial campaigns an enormous financial industry was created involving hundreds of thousands of employers and covering millions of fund members. From having one of the worst retirement savings systems in the developed world in three decades Australia had one of the best. Now the funds held in Australian superannuation accounts exceed the entire market capitalisation of all the companies on the Australian Stock Exchange. Drawing on interviews with the key players and extensive archival research Workers Capital is the first systematic history of the unique Australian system of industry superannuation. Startling and informative. I thought I knew a lot about the industry superannuation phenomenon but this one took me by surprise. For a topic so important a real page turner. Gerard Noonan Chair of Media Super former editor of Australian Financial Review

Thank you completely much for downloading **Cfmeu2015calender**. Most likely you have knowledge that, people have seen numerous times for their favorite books behind this Cfmeu2015calender, but stop in the works in harmful downloads.

Rather than enjoying a fine PDF subsequent to a cup of coffee in the afternoon, then again they juggled later than some harmful virus inside their computer. **Cfmeu2015calender** is available in our digital library an online entry to it is set as public thus you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency epoch to download any of our books in imitation of this one. Merely said, the Cfmeu2015calender is universally compatible taking into consideration any devices to read.
