**Jannis Panagiotidis**

## **Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration:**

*Challenging Ethnic Citizenship* Daniel Levy, Yfaat Weiss, 2002 Includes statistics      **Immigration and Asylum** Matthew J. Gibney, Randall Hansen, 2005-06-21 A comprehensive and timely examination of the history and current status of immigrants and refugees their stories the events that led to their movement and the place of these movements in contemporary history and politics *Immigration and Asylum From 1900 to the Present* is an accessible and up to date introduction to the key concepts terms personalities and real world issues associated with the surge of immigration from the beginning of the 20th century to the present It focuses on the United States but is also the first encyclopedic work on the subject that reflects a truly global perspective With contributions from the world's foremost authorities on the subject *Immigration and Asylum* offers nearly 200 entries organized around four themes immigration and asylum the major migrating groups around the world expulsions and other forced population movements and the politics of migration In addition to basic entries the work includes in depth essays on important trends events and current conditions There is no better resource for exploring just how profoundly the voluntary and forced movement of asylum seekers and refugees has transformed the world and what that transformation means to us today      *Crimmigration under International Protection* Rottem Rosenberg-Rubins, 2023-03-23 By exploring crimmigration at its intersection with international refugee law this book exposes crimmigration as a system focused on the governance of territorially present migrants which internalizes the impracticability of removal and replaces expulsion with domestic policing The convergence of criminal law and immigration law known as crimmigration has become perhaps the paradigmatic model for governing migration in the age of globalization This book offers a unique way of understanding crimmigration as a system of governmentality the primary target of which is the population its principal form of knowledge being political economy and its essential mechanism being the apparatus of security It does so by characterizing a particular model of crimmigration termed crimmigration under international protection which targets refugees and asylum seekers who are principally undeportable under international law The book draws on comparative research of such models implemented worldwide combined with a detailed case study of the immigration detention system instigated in Israel for coping with asylum seekers specifically and exclusively These models demonstrate that at its core crimmigration is not a system of outright social exclusion focused on the expulsion of undesirable migrants but rather one focused on the management classification and policing of domestic populations It is argued that under crimmigration regimes criminal law becomes instrumental in the facilitation of gradual assimilation by shifting immigration enforcement from the margins of the state to the daily supervision of territorially present migrants The book illustrates this point by focusing on three main themes crimmigration as domestication crimmigration as civic stratification and crimmigration as a mechanism coined by Foucault as the apparatus of security and by Deleuze as the society of control By exploring these themes the book offers a comprehensive framework for understanding the rise of

crimmigration and the particular ways in which it targets resident migrants The book will be of interest to researchers and academics working in the areas of criminal law and criminology immigration law citizenship studies globalization studies border studies and critical refugee studies *Jewish Masculinities* Benjamin Maria Baader, Sharon Gillerman, Paul Lerner, 2012-07-18 Studies exploring the history of the German Jewish male identity from the sixteenth to twentieth centuries across a myriad of societal occupations Stereotyped as delicate and feeble intellectuals Jewish men in German speaking lands in fact developed a rich and complex spectrum of male norms models and behaviors Jewish Masculinities explores conceptions and experiences of masculinity among Jews in Germany from the sixteenth through the late twentieth century as well as emigrants to North America Palestine and Israel The volume examines the different worlds of students businessmen mohels ritual slaughterers rabbis performers and others shedding new light on the challenge for Jewish men of balancing German citizenship and cultural affiliation with Jewish communal solidarity religious practice and identity A valuable addition to the growing field of Jewish gender history Derek Penslar University of Toronto This book assembles innovative vivid and inspiring inquiries into the intersection of Jewish history German history and gender history By focusing on the male side of Jewish gender history this book establishes a new field profiting from a broad range of never or rarely before used primary sources such as memoirs letters interviews and obscure tabloids German Studies Review May 2014 A n excellent introduction to the Zionist remasculinization of the Jewish male H Judaic February 2015 I nsightful innovative and largely entertaining T his volume makes a very valuable and original contribution to German Jewish history German History Historians of central Europe will be enriched by the interrogations of theory along with excavations of little known yet critical avenues of Jewish history in this excellent volume Central European History **Jerusalem** Anne B. Shlay, Gillad Rosen, 2015-07-08 Jerusalem has for centuries been known as the spiritual center for the three largest monotheistic religions Judaism Christianity and Islam Yet Jerusalem s other worldly transcendence is far from the daily reality of Jerusalem a city bombarded by conflict The battle over who owns and controls Jerusalem is intensely disputed on a global basis Few cities rival Jerusalem in how its divisions are expressed in the political sphere and in ordinary everyday life Jerusalem The Spatial Politics of a Divided Metropolis is about this constellation of competing on the ground interests the endless set of claims struggles and debates over the land neighborhoods and communities that make up Jerusalem Spatial politics explain the motivations and organizing around the battle for Jerusalem and illustrate how space is a weapon in the Jerusalem struggle These are the windows to the world of the Israel Palestine conflict Based on ninety interviews years of fieldwork and numerous Jerusalem experiences this book depicts the groups living in Jerusalem their roles in the conflict and their connections to Jerusalem s development Written for students scholars and those seeking to demystify the Jerusalem labyrinth this book shows how religion ideology nationalism and power underlie patterns of urban development inequality and conflict **Agency in Transnational Memory Politics** Jenny Wüstenberg, Aline Sierp, 2020-07-01 The dynamics of transnational memory play a central role in

modern politics from postsocialist efforts at transitional justice to the global legacies of colonialism Yet the relatively young subfield of transnational memory studies remains underdeveloped and fractured across numerous disciplines even as nascent boundary crossing theories on topics such as multi vocal traveling or entangled remembrance suggest new ways of negotiating difficult political questions This volume brings together theoretical and practical considerations to provide transnational memory scholars with an interdisciplinary investigation into agency the who and the how of cross border commemoration that motivates activists and fascinates observers German-occupied Europe in the Second World War

Raffael Scheck,Fabien Théofilakis,Julia Torrie,2019-03-04 Inspired by recent works on Nazi empire this book provides a framework to guide occupation research with a broad comparative angle focusing on human interactions Overcoming national compartmentalization it examines Nazi occupations with attention to relations between occupiers and local populations and differences among occupation regimes This is a timely book which engages in historical and current conversations on European nationalisms and the rise of right wing populisms Nationalism and the Rule of Law Iavor Rangelov,2014 This book provides the first systematic account of the relationship between nationalism and the rule of law

**Postwar** Tony Judt,2006-09-05 Finalist for the Pulitzer Prize Winner of the Council on Foreign Relations Arthur Ross Book Award One of the New York Times s 100 Best Books of the 21st Century Impressive Mr Judt writes with enormous authority The Wall Street Journal Magisterial It is without a doubt the most comprehensive authoritative and yes readable postwar history The Boston Globe Almost a decade in the making this much anticipated grand history of postwar Europe from one of the world s most esteemed historians and intellectuals is a singular achievement Postwar is the first modern history that covers all of Europe both east and west drawing on research in six languages to sweep readers through thirty four nations and sixty years of political and cultural change all in one integrated enthralling narrative Both intellectually ambitious and compelling to read thrilling in its scope and delightful in its small details Postwar is a rare joy **Race,**

**Ethnicity, Nationality and the Law** András L. Pap,2025-09-05 This book provides a complex insight into how law as a distinct tool and technology conceptualizes and operationalizes race ethnicity and nationality The focus of the comparative project by bringing examples from five continents and scores of jurisdictions as well as showcases for hybrid intersectional groups is specifically the morphology and dynamics of legal categorization Separate discussions concentrate on conceptualizing groupness and membership as well as agency and contestation The book shows that although identity politics has dominated recent decades ethno racial self identification is not the only operationalizing model legal regimes apply especially with the recent boost in artificial intelligence AI and bio genetic research Examples for the re biologization of ethno racial conceptualization are brought from a wide range of legal regimes including citizenship anti discrimination asylum and Indigenous law The work provides a journey through the administrative political construction and contestation of ethno racial classifications with particular attention paid to the concepts of free choice of identity covering and fraud as well

as the arbitrariness the historical path dependence and the role of merit in conceptualization While the starting point of the book is to capture ethnicity as a category of law it shows how legal conceptualization and operationalization are intertwined with categories of analysis and experience The methodology applied is comparative constitutional and international law but the research will have wider interdisciplinary appeal offering a novel perspective for a broad audience in social sciences and humanities

**The Unchosen Ones** Jannis Panagiotidis, 2019-08-28 This fascinating original well researched and persuasively argued work examines the phenomenon of co ethnic migration in Israel and Germany Sebastian Conrad author of What Is Global History Co ethnic migration happens when migrants seek admission to a country based on their purported ethnicity or nationality being the same as the country of destination In The Unchosen Ones social historian Jannis Panagiotidis looks at legislation and implementation regarding co ethnic migration in Germany and Israel This study focuses on individual cases ranging from after the Second World War to after the fall of the Berlin Wall where migrants were not allowed to enter the country they sought to make their home These rejections confound notions of an open door or a return to the homeland and present contrasting ideas of descent culture blood and race Questions of historical origins immigrant selection and screening and national belonging are deeply ambiguous complicating migration even in nations that are purported to be ethnically homogenous Through highly original and illuminating analysis Panagiotidis shows that migration is never a simple matter of moving from place to place

**Yiddish in Israel** Rachel Rojanski, 2020-01-07 Yiddish in Israel A History challenges the commonly held view that Yiddish was suppressed or even banned by Israeli authorities for ideological reasons offering instead a radical new interpretation of the interaction between Yiddish and Israeli Hebrew cultures Author Rachel Rojanski tells the compelling and yet unknown story of how Yiddish the most widely used Jewish language in the pre Holocaust world fared in Zionist Israel the land of Hebrew Following Yiddish in Israel from the proclamation of the State until today Rojanski reveals that although Israeli leadership made promoting Hebrew a high priority it did not have a definite policy on Yiddish The language s varying fortune through the years was shaped by social and political developments and the cultural atmosphere in Israel Public perception of the language and its culture the rise of identity politics and political and financial interests all played a part Using a wide range of archival sources newspapers and Yiddish literature Rojanski follows the Israeli Yiddish scene through the history of the Yiddish press Yiddish theater early Israeli Yiddish literature and high Yiddish culture With compassion she explores the tensions during Israel s early years between Yiddish writers and activists and Israel s leaders most of whom were themselves Eastern European Jews balancing their love of Yiddish with their desire to promote Hebrew Finally Rojanski follows Yiddish into the 21st century telling the story of the revived interest in Yiddish among Israeli born children of Holocaust survivors as they return to the language of their parents

Struggling for Recognition Martin Sökefeld, 2008-05-01 As a religious and cultural minority in Turkey the Alevis have suffered a long history of persecution and discrimination In the late 1980s they started a movement for the recognition of Alevi identity in both

Germany and Turkey Today they constitute a significant segment of Germany's Turkish immigrant population In a departure from the current debate on identity and diaspora S kefeld offers a rich account of the emergence and institutionalization of the Alevi movement in Germany giving particular attention to its politics of recognition within Germany and in a transnational context The book deftly combines empirical findings with innovative theoretical arguments and addresses current questions of migration diaspora transnationalism and identity

**Cosmopolitan Vision** Ulrich Beck, Ciaran Cronin, 2014-11-05 In this new book Ulrich Beck develops his now widely used concepts of second modernity risk society and reflexive sociology into a radical new sociological analysis of the cosmopolitan implications of globalization Beck draws extensively on empirical and theoretical analyses of such phenomena as migration war and terror as well as a range of literary and historical works to weave a rich discursive web in which analytical critical and methodological themes intertwine effortlessly Contrasting a cosmopolitan vision or outlook sharpened by awareness of the transformative and transgressive impacts of globalization with the national outlook neurotically fixated on the familiar reference points of a world of nations states borders sovereignty exclusive identities Beck shows how even opponents of globalization and cosmopolitanism are trapped by the logic of reflexive modernization into promoting the very processes they are opposing A persistent theme running through the book is the attempt to recover an authentically European tradition of cosmopolitan openness to otherness and tolerance of difference What Europe needs Beck argues is the courage to unite forms of life which have grown out of language skin colour nationality or religion with awareness that in a radically insecure world all are equal and everyone is different

*Leaving Zion* Ori Yehudai, 2020-05-14 Explores Jewish emigration from Palestine and Israel during the critical period between 1945 and the late 1950s by weaving together the perspectives of governments aid organizations Jewish communities and the personal stories of individual migrants

*Gender and the Abjection of Blackness* Sabine Broeck, 2018-05-22 In *Gender and the Abjection of Blackness* Sabine Broeck argues that gender studies as a mostly white field has taken insufficient account of Black contributions and that more than being an ethnocentric limitation or blind spot this has represented a structural anti Blackness in the field Engaging with the work of Black feminist authors Sylvia Wynter Hortense Spillers and Saidiya Hartman Broeck critiques a selection of canonical white gender studies texts to make this case The book discusses this problem at the core of gender theory as a practice which Broeck terms enslavism the ongoing abjection of Black life which Hartman has called the afterlife of slavery This has become manifest in the repetitive employment of the woman as slave metaphor so central to gender theory as well as in recent theoretical mutations of these anti Black politics of analogy It is the structural separation of Blackness from gender that has functioned over and over again as the scaffold enabling white women's struggles for successful recognition of equality and subjectivity in the human world as we know it This book challenges white readers to rethink their own untroubled identification with gender theory and it provides all readers with a white feminist theorist's sophisticated theoretical and self critical scholarly account of her own

reckoning with and learning in dialogue from Black feminism's critique      **A Queer Way Out** Hila Amit, 2018-05-23 Argues that queer Israeli emigrants engage in a deliberately unheroic form of resistance to Zionism. The very language of Zionism prizes the concept of immigration to Israel (aliyah literally ascending while stigmatizing emigration from Israel (yerida descending). In *A Queer Way Out* Hila Amit explores the as yet untold story of queer Israeli emigrants. Drawing on extensive fieldwork in Berlin, London, and New York, she examines motivations for departure and feelings of unbelonging to the Israeli national collective. Amit shows that sexual orientation and left wing political affiliation play significant roles in decisions to leave. Queer Israeli emigrants question national and heterosexual norms such as army service, monogamy, and reproduction. Amit argues that emigration itself is not only a political act but one that pioneers a deliberately unheroic form of resistance to Zionist ideology. This fascinating study enriches our understandings of migration, political activism, and queer forms of living in Israel and beyond.

Contested Embrace Jaeeun Kim, 2016-07-20 Scholars have long examined the relationship between nation states and their internal others such as immigrants and ethnoracial minorities. *Contested Embrace* shifts the analytic focus to explore how a state relates to people it views as external members such as emigrants and diasporas. Specifically, Jaeeun Kim analyzes disputes over the belonging of Koreans in Japan and China, focusing on their contested relationship with the colonial and postcolonial states in the Korean peninsula. Extending the constructivist approach to nationalisms and the culturalist view of the modern state to a transnational context, *Contested Embrace* illuminates the political and bureaucratic construction of ethno-national populations beyond the territorial boundary of the state. Through a comparative analysis of transborder membership politics in the colonial, Cold War, and post-Cold War periods, the book shows how the configuration of geopolitics, bureaucratic techniques, and actors' agency shapes the making, unmaking, and remaking of transborder ties. Kim demonstrates that being a homeland state or a member of the transborder nation is a precarious, arduous, and revocable political achievement.

*Conflicted Memories* Konrad H. Jarausch, Thomas Lindenberger, 2007-05-01 Despite the growing interest in general European history, the European dimension is surprisingly absent from the writing of contemporary history. In most countries, the historiography on the 20th century continues to be dominated by national perspectives. Although there is cross-national work on specific topics such as occupation or resistance, transnational conceptions and narratives of contemporary European history have yet to be worked out. This volume focuses on the development of a shared conception of recent European history that will be required as an underpinning for further economic and political integration so as to make lasting cooperation on the old continent possible. It tries to overcome the traditional national framing that ironically persists just at a time when organized efforts to transform Europe from an object of debate to an actual subject have some chance of succeeding in making it into a polity in its own right.

**Israel-Palestine** Omer Bartov, 2021-09-17 The conflict between Israel and Palestine has raised a plethora of unanswered questions, generated seemingly irreconcilable narratives, and profoundly transformed the land's physical and political geography. This volume seeks to provide a deeper understanding of

the links between the region that is now known as Israel and Palestine and its peoples both those that live there as well as those who relate to it as a mental mythical or religious landscape Engaging the perspectives of a multidisciplinary international group of scholars it is an urgent collective reflection on the bonds between people and a place whether real or imagined tangible as its stones or ephemeral as the hopes and longings it evokes

Getting the books **Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration** now is not type of inspiring means. You could not deserted going in imitation of book amassing or library or borrowing from your friends to admission them. This is an unquestionably easy means to specifically get guide by on-line. This online revelation Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration can be one of the options to accompany you taking into account having extra time.

It will not waste your time. receive me, the e-book will certainly tone you supplementary concern to read. ### Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Challenging Ethnic Citizenship

German And Israeli Perspectives On Immigration is one of the best book in our library for free trial. We provide copy of Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration. Where to download Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration online for free? Are you looking for Challenging Ethnic Citizenship German And Israeli Perspectives On Immigration PDF? This is definitely going to save you time and cash in something you should think about.
