Tour de France Champions Giles Belbin,2020-07-03

The Tour de France is a race like no other so perhaps it's no surprise that it attracts racers like no other The winner of the second Tour actually came fifth but the four racers before him were disqualified for cheating The 1932 champion credits his win with saving him from capture by the Nazis as the soldiers recognised him from the podium One of Britain's best cyclists of the modern era only got into European racing by forging an email Tour de France Champions is a journey to the summit of cycling looking at those who have taken on the roads and mountains of France to prevail above all others and win cycling's greatest prize Giles Belbin presents the stories of all those who have claimed the original and greatest Grand Tour the one race that still transcends the sport of cycling the Tour de France

Historical Dictionary of Cycling Bill Mallon,Jeroen

Heijmans,2011-09-09 The nearly 150-year-old sport of cycling had its first competition in France in 1868 Soon afterward the need arose for purpose-built cycling tracks because of poor road conditions at the time Racing on blocked-off pieces of street or grass soon evolved into racing on special tracks called velodromes This development marked the split into what are still the two main forms of cycling competition road racing and track racing Initially track cycling was more popular in terms of public attention and money to be earned by racers but this gradually changed in favor of road racing which has been the most popular form of cycling since at least the end of World War II The Historical Dictionary of Cycling takes a closer look at the sport as well as discussing the use of bicycles as a means of fitness touring and commuting This is done through a chronology an introductory essay appendixes photos a bibliography and over 500 cross-referenced dictionary entries on cycling's two main disciplines road and track as well as brief overviews of the other forms of cycling This book is an excellent access point for students researchers and anyone wanting to know more about cycling
