Stephanie Block is a veteran journalist author and observer of the influence of radicalism in American religious institutions including the Catholic Church Protestant churches and Jewish congregations In *Change Agents Alinskyian Organizing Among Religious Bodies Vol 1 4* Block chronicles the history theory and practice of American radicalism of the era following the Second World War in which Saul Alinsky an atheist wielded influence through his students such as Cesar Chavez and Hillary Clinton over some of the most turbulent decades of American history Block writes Saul Alinsky was educated at the University of Chicago doing graduate work in criminology where he discovered a passion for organizing first with the Committee for Industrial

Organization CIO and later as an independent organizer What made Alinsky s organizing style unique was that it brought religious bodies into its embrace His success in collaborating with clergy came from two sources a hearty pragmatic approach to problem solving and an idealism that is similar to Christianity in its concern for the poor In other respects however Alinskyism and Christianity are diametrically opposed Community Organizing David S. Walls,2015-02-03 This incisive book provides a critical history and analysis of community organizing the tradition of bringing groups together to build power and forge grassroots leadership for social economic racial and environmental justice Begun by Saul Alinsky in the 1930s there are today nearly 200 institution based groups active in 40 U S states and the movement is spreading internationally David Walls charts how community organizing has transcended the neighborhood to seek power and influence at the metropolitan state and national levels together with such allies as unions and human rights advocates Some organizing networks have embraced these goals while others have been more cautious and the growing profile of community organizing has even charged political debate Importantly Walls engages social movements literature to bring insights to our understanding of community organizing networks their methods allies and opponents and to show how community organizing offers concepts and tools that are indispensable to a democratic strategy of social change Community Organizing will be essential reading for advanced undergraduates and graduate students of sociology social movements and social work It will also inform organizers and grassroots leaders as well as the elected officials and others who contend with them CCAR Journal ,2008 Human Resource Development Nat J. Colleta,Trudy A. Todd,1982 First published in 1982 Routledge is an imprint of Taylor Francis an informa company **The Social Work General Practitioner** Donald F. Fausel,1973 **New York Magazine** ,1986-04-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea People Power Aaron Schutz,Mike Miller,2015-04-27 Saul Alinsky according to Time Magazine in 1970 was a prophet of power to the people someone who has possibly antagonized more people than any other living American People Power introduces the major organizers who adopted and modified Alinsky s vision across the United States Fred Ross Cesar Chavez Dolores Huerta and the Community Service Organization and National Farm Workers Association Nicholas von Hoffman and the Woodlawn Organization Tom Gaudette and the Northwest Community Organization Ed Chambers Richard Harmon and the Industrial Areas Foundation Shel Trapp Gale Cincotta and National People s Action Heather Booth Midwest Academy and Citizen Action Wade Rathke and ACORN Weaving classic texts with interviews and their own context setting commentaries the editors of People Power provide the first comprehensive history of Alinsky based organizing in the tumultuous period from 1955 to 1980 when the key organizing groups in the United States took form Many of these selections previously
