Robertson Nicoll, 2018-05-10 Emily Jane Brontë 30 July 1818 19 December 1848 was an English novelist and poet who is best known for her only novel Wuthering Heights now considered a classic of English literature Emily was the third eldest of the four surviving Brontë siblings between the youngest Anne and her brother Branwell She wrote under the pen name Ellis Bell Emily Brontë was born on 30 July 1818 in the village of Thornton Market Street on the outskirts of Bradford in the West Riding of Yorkshire in Northern England to Maria Branwell and an Irish father Patrick Brontë She was the younger sister of Charlotte Brontë and the fifth of six children In 1820 shortly after the birth of Emily's younger sister Anne the family moved eight miles away to Haworth where Patrick was employed as perpetual curate here the children developed their literary talents The Poems of Emily Brontë Emily Brontë, 1992-01-01 This new edition of Emily Brontë's poetry the first for 50 years contains all those poems which she herself chose to keep It is based on the texts of the three notebooks into which she transcribed her poems supplemented by others on single sheets scattered in various collections and the versions published in Poems by Currer Ellis and Acton Bell and in Charlotte's 1850 edition of the novels Variants between the Notebooks and the latter are listed in the Notes The majority of the poems stand without need of explanation However it is helpful to be aware of the context in which they were written and especially their relationship to the imaginary world of Gondal shared by Emily and Anne This and the history are explained fully in the Introduction and Notes **Brontës: Selected Poems** Charlotte Brontë, Emily Brontë, Anne Brontë, 2022-10-06 The Brontë sisters' lives and works have become modern day cultural touchstones Emily Brontë best known for her novel WUTHERING HEIGHTS began writing poetry first and before her untimely death wrote some of the most touching and emotive poems which often reflected the landscape of her Yorkshire home Charlotte Brontë whose novel JANE EYRE has had numerous TV and film adaptations took responsibility for finding a home for their work In her own words We had very early cherished the dream of one day becoming authors Anne Brontë author of AGNES GREY often used autobiographical elements in her poems giving us a hint of the struggles and turmoil of her life These poems offer glimpses of the joys and sorrows of the Brontës and are a beautifully compelling introduction to their writing and lives **Poetic World of Emily Brontë** Laura Inman, 2014-06-01 Emily Brontë is known as a novelist but she was first and equally a poet Before during and after writing Wuthering Heights she wrote poetry Indeed she wrote virtually nothing else for us to read no other work of fiction or correspondence Her poems however fill this void They are varied lyrical intriguing and innovative yet they **Emily Brontë and Beethoven** Robert K. Wallace, 2008-08-01 When Emily Brontë was studying music in Brussels in 1842 she was drawn into the city's appreciation of Beethoven After her exposure to the works of the great composer Brontë's creativity flourished and she went on to compose what was to be her

only novel Wuthering Heights In Emily Bront and Beethoven Robert K Wallace continues to work from the perspective he developed in his Jane Austen and Mozart integrating two fields that have traditionally been kept apart Wallace compares Bront and Beethoven through a close examination of the Romantic traits that their works share Innovative and stimulating Wallace s study extends literary criticism into a new context where equilibrium balance proportion and symmetry serve as a fulcrum to launch the reader into a new understanding of the formal parallels the moods and emotions that connect music and literature
