

A low-angle, upward-looking photograph of an oil drilling rig. The image shows a complex network of white metal beams and structures. A prominent feature is a long, vertical column of many parallel pipes or rods that stretch from the bottom towards the top of the frame. To the left, a large, dark-colored mechanical component, possibly a valve or part of the hoist system, is visible. The background is a clear, bright blue sky. The overall perspective creates a sense of height and industrial scale.
