

## First Train Ride

Story By: Judie Eberhardt

Twins, Laura and Lilly, were ten years old. Their mom had passed away last year, and dad was left to raise the girls alone. Some days being both mom and dad were a breeze, but there were days when dad would say to himself, *how do I handle this?* Then, the unthinkable happened. Dad lost his job at the factory. He didn't know what he was going to do, and he didn't know what to tell the twins.

Dad called his older sister who lived out of state. "What am I going to do with the girls being home all summer from school?" he asked his sister. "I can't leave them alone, and I need to spend all my time trying to get work." His sister said, "Why don't you send the girls to my house for the summer?" "I can spend time with them, and you can spend time finding a job." "Gee, I don't know," said dad. "The whole summer away from Laura and Lilly will be tough." "Let me ask the girls, and I'll call you back."

That night, Dad told the twins about his job, and that Aunt Nancy invited them to spend the summer at her house in Michigan. "Wow," said Lilly. "At least it will be warm there this time of year." "We will miss you dad," said Laura. "I will miss you both too," said dad. "I can't leave you alone, and daddy needs to find work in order to take care of you both." "We understand," said the girls. That night the girls spoke to Aunt Nancy on the phone, and it was all settled. They would spend the summer with her. There was one thing exciting for them. They were going to take their first train ride.

Two days later, dad took the girls to the train station and spoke to the people in charge of the train ride to Michigan. They said they would take good care of the girls on the trip. When they arrived, Aunt Nancy was there to pick them up. They called dad that night to let him know they were okay. "We miss you!" said the girls.

One month passed, and dad called Aunt Nancy with fantastic news. He had found a job and would be starting in two weeks. "I think I'll come and visit since I have two weeks until the new job," said dad. They were finally all together before it was time to return home. "What a wonderful summer it turned out to be!" said dad. "It sure is," said the girls hugging dad.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Comprehension Story About A Train eBooks, including some popular titles.

## FAQs About Comprehension Story About A Train Books

**What is a Comprehension Story About A Train PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Comprehension Story About A Train PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Comprehension Story About A Train PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Comprehension Story About A Train PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Comprehension Story About A Train PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
