magazines brought blood and bad taste to America's newsstands from 1965 through 1975 Here's the sordid background behind this mysterious comics publisher featuring astonishingly red reproductions of many covers and the most spectacularly creepy art

Four Color Fear Greg Sadowski, John Benson, 2010-10-18 A massive collection of never before collected pre Comics Code horror comics of the 1950s Of the myriad genres comic books ventured into during its golden age none was as controversial as or came at a greater cost than horror the public outrage it incited almost destroyed the entire industry Yet before the watchdog groups and Congress could intercede horror books were flying off the newsstands During its peak period 1951-54 over fifty titles appeared each month Apparently there was something perversely irresistible about these graphic excursions into our dark side and Four Color Fear collects the finest of these into a single robust volume *Eerie #17* Avon Periodicals, 2015-12-20
