**Mark Twain Collection "His Novels, Short Stories, Speeches, and Letters"**

Mark Twain, 2024-01-23. This excellent collection brings together Mark Twain's longer major books and a fine selection of shorter pieces and science fiction books. This book was created and collected in Mark Twain's most important works, illuminating the life and work of one of the most individual writers of the XX century. A man who elevated political writing to an art, Samuel Langhorne Clemens (November 30, 1835 – April 21, 1910), known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer. He was lauded as the greatest humorist the United States has produced, and William Faulkner called him the father of American literature. His novels include *The Adventures of Tom Sawyer* (1876) and its sequel *The Adventures of Huckleberry Finn* (1884), the latter often called *The Great American Novel*. Twain was raised in Hannibal, Missouri, which later provided the setting for *Tom Sawyer* and *Huckleberry Finn*. He served an apprenticeship with a printer and then worked as a typesetter, contributing articles to the newspaper of his older brother Orion Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his lack of success at mining, turning to journalism for the *Virginia City Territorial Enterprise*. His humorous story *The Celebrated Jumping Frog of Calaveras County* was published in 1865, based on a story that he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The short story brought international attention and was even translated into French. His wit and satire in prose and in speech earned praise from critics and peers, and he was a friend to presidents, artists, industrialists, and European royalty. Twain earned a great deal of money from his writings and lectures, but he invested in ventures that lost most of it, such as the Paige Compositor, a mechanical typesetter that failed because of its complexity and imprecision. He filed for bankruptcy in the wake of these financial setbacks but, in time, overcame his financial troubles with the help of Henry Huttleston Rogers. He eventually paid all his creditors in full, even though his bankruptcy relieved him of having to do so. Twain was born shortly after an appearance of Halley's Comet, and he predicted that he would go out with it as well; he died the day after the comet made its closest
