alternative medicine Invented by German physician Samuel Hahnemann 1755 1843 homeopathy is based on two key principles 1 the law of similars symptoms induced in healthy volunteers after ingestion of a substance are the same symptoms in sick people that this substance will cure and 2 the concept of potentization the most diluted remedies have the greatest curative power Shelton clearly shows that although these principles may have had the ring of science in the early 19th century they are not well supported by today s science And yet most patients who visit homeopaths are better afterwards Homeopaths assume the remedies are the cause Shelton finds explanations based on known science to be better supported by the evidence Unassisted natural healing changes in lifestyle urged by the homeopath the placebo effect and cessation of harmful treatments are more probable causes of improved health This being the case he pursues the question why so many people continue to believe that the remedies themselves are responsible Among the contributing factors Shelton notes the plausible sounding explanations of homeopathic theory a fundamental misunderstanding among homeopaths of science and its methods and ultimately the poor quality of education in critical thinking and science This reasoned balanced and in depth assessment will interest both homeopaths and conventional medical practitioners as well as consumers curious about a well known and much publicized alternative medicine Whole Woman Homeopathy Judyth Reichenberg-Ullman,2005-07 A comprehensive practical user friendly guide to homeopathic care for women Homeopathy is a safe effective natural alternative to drugs hormones and surgery This book helps a woman treat herself effectively for a wide range of common women s health conditions while directing her to seek professional help from a competent homeopath when necessary It also shows her how to find the correct homeopathic medicines for self treatment and the fifty homeopathic medicines that should be in every woman s home medicine kit **Homeopathy for Menopause** Beth MacEoin,1997-04 This positive holistic approach to menopause shows how to safely treat its symptoms with gentle all natural homeopathic remedies Common discomforts that may arise before during or after menopause and that can be treated homeopathically include menstrual irregularities hot flashes night sweats depression low self esteem weight gain sleep disturbances and aching joints
