John Henry Newman and the Imagination Bernard Dive,2018-05-17 For John Henry Newman religion is animated by an imaginative master vision which supplies the mind with spiritual life and peace All his life Newman reflected on this master vision His reflections on the moral imagination developed out of his understanding of practical wisdom as characterized by Aristotle the wisdom that the good man has in living a good life For Newman the vision at the core of religion completes and perfects the intuitions of the conscience John Henry Newman and the Imagination looks at how Newman s understanding of the moral and visionary imagination developed over the course of his life and it relates his ideas about the imagination to his portrayals of religious experience and vision in his novels and poetry *The Complete Works of John Henry Newman* John Henry Newman,2020 *Newman on the Bible* John Henry Newman,William Park,2006-01-01 Offers a selection of John Henry Newman s writings on the Bible This book consists not only of comments on passages and ideas in the Old and New Testaments but also comments on the nature of the Bible itself and how one is to read it *The Philosophical Notebook of John Henry Newman: The text* John Henry Newman,1970 *Newman and Truth* Terrence Merrigan,Ian Turnbull Ker,2008

John Henry Newman 1801 1890 chose as his epitaph the words Ex umbris et imaginibus in veritatem Out of shadows and images into the truth These words are more than the expression of Newman's hope for the future They summarize his lifelong quest to penetrate ever more deeply into the mystery of God's relationship to humankind and the ways in which men and women are able to gain insight into that relationship This collection of papers reflects on Newman's understanding of the nature of truth's survival in the contemporary world At the same time it provides a critical reflection on the continuing significance of Newman's thought The collection includes contributions by Colin Barr Michael J Buckley Brian Daley Paul J Griffiths Keith Hanley Ian Ker Terrence Merrigan and John Milbank
