Heart of Legend Martina Boone, 2017-06-12 Kath Cameron's acting career plunged off a cliff thanks to her divorce from mega star ex husband. She has one last shot at a reboot when the lead in the Welsh version of *Braveheart* has to be recast weeks into production. On location in Wales, she finds herself working around the clock with the film's undeniably gorgeous director. But Dai Rhys has a knack for getting past all her defenses. And falling for him is the last thing she can afford when her whole career is on the line. Dai Rhys left the British army and took up acting as part of his PTSD treatment. After a decade as a Hollywood star, he's paid his dues and directing *The Last Prince* is what he's dreamed about for years. Having had to replace one star already, he can't risk more complications by getting involved with Kath. Now, if only his heart would listen to that advice. He's always had a protective streak two miles wide, and Kath's smile and vulnerability make him ache to heal her broken spirit. Both Kath and Dai have been married before. They know how fragile relationships can be. When the film is over, they will be on different continents again, so this may be their only opportunity to find out whether it's attraction or love that lies between them. But with the film and damage to their reputations at risk, can they dare to take the chance?
