The Constitution Demands It Ron Fein, John Bonifaz, Ben Clements, 2018-08-14 Read this book and learn how best to protect our democracy Tom Steyer founder of Need To Impeach The reasons Donald Trump must be impeached as per the Founding Fathers and what you can do to help make that happen Three veteran constitutional attorneys say there's no way around it The Constitution demands that Donald Trump must be impeached And in clear language using compelling logic rooted firmly in the Constitution they detail why the time to start is now not in the indefinite future after criminal investigations have ended In fact much of Trump's impeachable conduct lies outside the scope of ongoing federal criminal investigations Citing charges such as accepting illegal payments from foreign governments using government agencies to persecute political enemies obstructing justice abusing the pardon power and the undermining freedom of the press they provide the factual and legal basis for eight articles of impeachment In short they argue abuses threatening our constitutional democracy should be dealt with by the remedy that the Constitution provides for a lawless authoritarian president impeachment And an informed citizenry should be part of the process After all they say impeachment is not a constitutional crisis impeachment is the cure for a constitutional crisis

Criminal Justice India Series: Jharkhand ,2002 Double Lives Eric Brach,2018-08-15 Terrifying true stories of criminals who live seemingly normal lives perfect for fans of Mindhunter these are the stories that keep me up at night Sgt Joseph Kuns LAPD He seemed so normal is an all too common sentiment from the neighbors of violent criminals when their heinous acts are finally exposed There are often no obvious indicators that separate the pleasant neighbor from the sadistic murderer Even serial killers like Jeffrey Dahmer Ted Bundy and John Wayne Gacy managed to circulate unnoticed among their communities They are neighbors and students professionals and friends living out criminal double lives In Double Lives true crime author Eric Brach presents both a nonfiction expos and a nationwide search that details the exploits of some of the worst criminals in recent American history all of whom succeeded in going undetected for years while perpetrating one crime after another all in their own hometowns Monsters of every race age gender and socioeconomic class are profiled in this roller coaster of crime Along the way the author discusses the criminals he grew up with in his own seemingly innocent community and provides a personal look at the current scourge of opioid addiction making Double Lives a sensational yet sobering read *Story of an Era Told Without Ill-will* M K K Nayar,2014-02-24 The author M K K Nayar s impressionable childhood schooling and university years began in early 1920s the most turbulent period of India s independence struggle Aftergraduating in 1940 and spending two years in Travancore Civil Service M K K Nayar joined the Ordnance Department of British India in Hyderabad During this phase of his career he risked his life more than once to bring nefarious going ons in the princely state of Hyderabad to the attention of national leaders like Sardar Vallabhai Patel and defuse conspiracies that were jeopardizing India s national interests In 1948 M K K Nayar joined the IAS and was involved prominently in India s national development notably in building the Bhilai Steel Plant and fertilizer plants that also seeded several other industries in the Cochin Industrial Belt and by propagating modern agriculture throughout South India His friendship and intimacy with national leaders like Pandit Jawaharlal Nehru illustrious civil servants like V P Menon industrialists like J R D Tata and innumerable opinion leaders all over India gave him a ringside view of and insider information on some the most important and interesting episodes of Indian history until mid 1970s Destiny took him to Kerala in 1959 to head India s pioneer fertilizer company The Fertilisers And Chemicals Travancore Ltd FACT which he developed into a multifaceted organization that grew over twenty fold during the decade of his tenure in it This period that ended in 1971 also found him raising Kathakali one of the most stylized forms of mime dance drama from a destitute existence on the fringes of Kerala s social

milieu to the forefront of international recognition Success in everything he did even outside of his vocation from resolving political imbroglios to promoting art and literature took him to the forefront of life in Kerala and the national capital Jealousies it aroused resulted in court cases being instituted against him on frivolous charges and they took 12 years for him to be fully exonerated In that time India lost the services of one of its ablest go getters during what should have been his peak years Between June 1986 until his premature passing away in September 1987 he penned a series of articles about his life and times It was serialized under the title of Aarodum Paribhavamillathe Oru Kalaghattathinte Katha in the popular Malayalam weekly Kala Kaumudi It was later published as a book which became a big hit with Malayali readers and is printed and published even now M K K Nayar emphasizes that this was not an autobiography but an attempt to share without bitterness or ill will some of his experiences and the joy pain and terrible sadness they brought him The renowned historian author and academician M G S Narayan says that M K K Nayar s memoirs did not get the due recognition it deserved and acknowledges it as a historical chronicle of pre and post independent India The book has been translated into English by Gopakumar M Nair who was an executive of FACT during a part of M K K Nayar s tenure there Though Gopakumar is a popular amateur writer from his college days in IIT Madras this translation named The Story of an Era Told Without Ill will is his first book
