McGough,2005-05-03 Most of us have dreamed of sitting in the dugout with our favorite baseball team and at sixteen Matt McGough was no different A few months after sending a blind application letter to George Steinbrenner on Opening Day 1992 Matt found himself walking into the legendary Yankee clubhouse There amid the chaos and excitement he was greeted by none other than his idol Don Mattingly who promptly played a prank on him Thus began two years of adventures and misadventures from being set up on a date by the bullpen to playing blackjack on the team plane to studying for an exam at 3 am in Yankee Stadium Through these often hilarious experiences and especially through his friendships with the ballplayers Matt learned priceless lessons about honor responsibility and the importance of believing in oneself A magical tale of what happens to a young man when his fondest dream comes true *Bat Boy* wonderfully evokes that twilight time just before adulthood ripe with possibility foolishness and hard won knowledge *Saffron Days in L.A.* Bhante Walpola

Piyananda,2001-05-01 In this delightful memoir Bhante Walpola Piyananda a Buddhist monk from Sri Lanka shares his often amusing often poignant experiences of life in America Whether he s reasoning with a group of confrontational punks on Venice Beach bridging the gap between a rebellious teenager and her traditional parents explaining to an errant Buddhist that the concept of non attachment does not justify irresponsibility or dealing with a nude sunbather at a meditation retreat no situation no matter how sticky manages to affect Bhante s unflappable calm or his phenomenal ability to find the right parable for the moment Bhante Walpola Piyananda who is abbot of a Buddhist meditation center in L A has met and counseled a wide range of people the disenfranchised of society couples dealing with relationship issues American Buddhists trying to reconcile their practice with their very Western lifestyles recent immigrants struggling to assimilate but also maintain their traditional values His stories reveal the complicated joyous painful baffling and inspiring aspects of the human condition and the power of true compassion *ALL THAT GLITTERS* Oliveira Taft,2021-03-11 Ignorance isn t a bliss We re

all bred to be good wives Plan dinner parties and be entertaining They all think I m too old to be here with the young single girls I should find a man I should get married I refuse but come a day when they find me a husband They fix me a husband the same way they tried to fix my behaviour They think I have no choice but I still have one left I will not behave I will not smile I will not be Blessed A memorable saga packed with tension *ALL THAT GLITTERS* will inspire fans of *The Gender Game* *VOX* and *Only Ever Yours* ***Juggle's Journey*** Crystal Belle,Theresa Jade,2023-07-26 A gripping tale for smart children and the young at heart *Juggle s Journey* follows a lovable little squirrel as he begins his personal walk with Christ after an extraordinary encounter with God He responds in obedience equipped with only a limited knowledge about almost everything and discovers that the temptations and testing of his faith are as commonplace as they are inevitable which time and again not only challenge his loyalty and faith in the Lord Jesus Christ but also serve to build him up when he learns to overcome

From a greedy old rabbit to spider monkeys with an ulterior motive to facing a vengeful ophidian to being enticed with evil spiritual forces Juggle gains many flashes of insight from these and many other creatures with their diverse needs and circumstances He is oblivious to how much his gradual but steady growth has impacted others until its positive influences are felt by them But even so is he resilient enough to survive the vicissitudes of life out in the world Will his simple faith be sufficient to sustain him from being swayed by the life challenges that await him *Billboard* ,1992-06-20 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Beyond the Shades of Gray* Dean Bailey,2011-12 Beyond the Shades of Gray is based upon Christian fundamentals and beliefs It was not written to convince anyone that homosexuality is wrong It was written primarily to assist those who are inwardly convinced that their own homosexuality is wrong for them Over 10 years in the personal journey of its writing the author uses practical applications of Bible scripture throughout the book without religiosity Scripture is used to confront various aspects of this very controversial subject head on Therefore the author makes no apologies for the portions of this book that may seem to be more graphic in nature than your average Christian book Homosexuality is a subject that absolutely needs to be dealt with truthfully and without religious avoidance of difficult topics If you are a person who has ever had doubts or questions about your sexual orientation or behavior then what the author has written here is for you The work contains a wealth of practical biblical principles and also includes information for women But the book is otherwise a work written by a man for other men who also desire freedom and heterosexual restoration from their own unwanted homosexual behaviors What we long for is a deep and heartfelt sense of brotherhood and the author proposes that the real issues behind homosexual behaviors are not about sex God's love ag p love always has both a balance of truth and a responsibility that goes along with it In this book I take the same ag p love approach toward homosexuality as Jesus did in the Book of John Chapter 8 with the woman caught in the sin of adultery Jesus showed great love and compassion toward the woman both in the way that he dealt with the hypocritical crowd that had brought her to him and in the way he spoke to her as he sent her on her way and told her Go and sin no more Dean Bailey **The Meaning of Three: Under the Mask** Sandy Sela-Smith PhD,2011-06-07 This third book in the trilogy The Meaning of Three Under the Mask focuses on the mystical magical mysterious essence that resides in each of us but few of us ever know is there Through her personal story she communicates transpersonal truths that support the reader in releasing the mask which is our false identity and what is behind the mask which is what we too often are afraid we are And through this book she supports the reader in discovering the amazing being that we are Under the Mask Mothering Outside the Lines: BettyAnn Martin,Michelann Parr,2023-09-21 In this collection authors transgress and uphold their maternal integrity as they dance at the edge of comfort and take up the challenge of exploring the boundaries of maternal practice their own their

mothers and those found in literature media or popular culture These mothers assume a hopeful stance actively choose courage over comfort push through what is fun fast or easy and show how they come to mother outside the lines in all its simplicity and complexity As they bust outdated tired and ambiguous boundaries they find and re set new boundaries that restore dignity and self respect for themselves their children their families and for the matricentric feminist collective particularly those whose voices may continue to be silenced and marginalized by structures and limits beyond their control Thirteen stories are threaded together to form a compelling tale showing how and why some mothers when faced with ambiguous and untenable boundaries resist the urge to accept the assumed the unpredictable even the demanded whether they be internal or external visible or invisible real or imaginary Train Like a Pro Matthew S.
