**Age** Eliakim Littell,Robert S. Littell,1856 *The Celtic Ghost of the House of Tennant* Kat Gady,2024-05-13 Deep in the  
Appalachian Mountains of Kentucky sat an old stone house built before the Revolutionary War It had been a place that cried  
out for many years while ghosts of the past walked its halls The house had seen good and evil and screamed out for the  
justice that it deserved Many had come and gone as the house waited for the rightful owner The stone house would only  
permit the one who would bring beauty and happiness back to enter through its doors Colton had dedicated his life to being a  
deputy His love for his town family and job had cost him the love of a woman His trust in women had made him bitter and  
distrustful He wasn't willing to put his heart on the line again A new beginning a new future a new lease on life Quinn had  
waited for a chance to escape the trauma she had endured at the hands of her fiance a man who she loved In one drunken fit  
of rage it was all gone She never looked back as she fled Boston Defiance and battles lead to hope love and devotion as  
Colton and Quinn butted heads trying to find their way A secret room was revealed Would the magic return to the mountains  
and the land surrounding the house And if not how long would it last before death and despair would try to destroy it again  
The Scottish clans would have to stand together to ensure their beliefs and traditions were not silenced again as their  
ancestors once were **Haunted Holidays** Roberta Simpson Brown,Lonnie E. Brown,2015-09-07 From ghost dogs to  
phantom orbs from dead spirits visiting and avenging wraiths there is plenty to keep skeptic and believer both enthralled  
Thomas Freese coauthor of *Haunted Battlefields of the South* With its tales of benevolent and malicious specters terrifying  
monsters and unexplained phenomena Halloween is the holiday most people associate with spooky stories But do spirits  
remain hidden the rest of the year In the rich storytelling customs of the commonwealth the supernatural world is also  
connected with holidays such as Thanksgiving Christmas Valentine's Day and Memorial Day In *Haunted Holidays* celebrated  
storytellers Roberta Simpson Brown and Lonnie E Brown have assembled a hair raising collection of paranormal tales for  
readers of all ages The stories present many new and spooky characters including the deceased great aunt who still rocks in  
her favorite chair on Mother's Day the young boy who made good on his promise to return a silver dollar on the Fourth of  
July and even the ghost who hated Labor Day In addition to tales of haunting the Browns reveal many Appalachian legends  
and their importance to the storytelling tradition such as the phantom bells who guide the dead to the other side and a chime  
child born when the clock strikes midnight on Christmas Day who is rumored to be blessed with the gift of second sight More  
than a collection of ghost stories or family legends *Haunted Holidays* takes readers on a fireside journey that preserves and  
promotes oral traditions revealing the importance of sharing beliefs traditions and values with a new generation of listeners
