Their groundbreaking work explores the four attributes of transformational trust and the guiding principles to achieve it in one's life. Hospitals are so clinically oriented they often overlook the emotional and relational aspects of patient care, which is how many patients judge their experience. When caregivers let patients know who they are, what they do, and why they care, it creates a great sense of hope, trust, and belonging. *Forgive to Live Workbook* Dick Tibbits, 2006-08-30 Everyone has a grievance story; we've all been hurt or rejected by someone who mattered to us. Enter forgiveness. Unfortunately, while most of us have been told to forgive, we've never been told how or why to forgive. But in his medically acclaimed book *Forgive to Live* and now in this workbook, Dr. Dick Tibbits demonstrates that understanding and practicing forgiveness can literally save your life. Dr. Tibbits' pioneering research has revealed that a failure or inability to forgive creates an inner anger that affects our emotional, spiritual, and physical well-being. But his work has also revealed a solution: forgiveness. And this interactive guide will show you how to forgive, insight by insight, step by step, in a workable plan that can effectively reduce your anger, improve your health, and put you in charge of your life again, no matter how deep your hurts. **From Trauma to Triumph** Antoinette Spade, 2020-02-11 Love: What is it? Can a person describe love? Can love even be described? Throughout time, it has been heard that love can be defined in different ways. That there are different types and styles. It has been heard that love could be defined as an attraction driven by the chemicals in our brains, such as adrenaline, dopamine, and serotonin; an infatuation, a feeling, an emotion, an action, and even as much as a choice. In this book, you will read of how a woman experienced the Storge, empathy, Philia, friendly Eros, romantic types of love throughout her life at the onset of trauma that cost her identity, therefore leading her through life searching for the only type of love that not only covered all her mistakes and bad decisions but also experienced the only type of love that she needed: called the Agape, unconditional type of love. The trauma Antoinette experienced stemmed from various types of abuse she went through during her childhood, at which, when she reached her teen years, had prompted her to embark on different endeavors during those years into the adult years of her life. The most crucial and important type of love there is to be found by everyone, including Antoinette. It was when she found that type of love that she realized that there really and truly was someone who did see her as a person, a human, that noticed and loved her for who she was. Someone not only fully loved her but also fully knew her, even when she was in her mother's womb. This love, my friend, was the love that she had been longing for, searching for her whole life. It took for her to experience this love that she finally recognized someone was chasing her all along and didn't even know it. This love that was given to Antoinette was not merely because she was attracted by this someone; no, she was chosen by this someone because of the unconditional love that He had for her. He made

a choice which is an action He made a sacrifice for her but He knew He had to let her experience all that she did in order for her to find the love that she longed for It has been 16 years since she has found this love and it hasn't faded away for her nor did it ever leave or hurt her not one time Because of this very reason Antoinette would like to share who gave her this love and let you know that this love is being given to you too I must assure you Antoinette is of NO exception to this very love by any means and she would just like to share her story with you in hopes that you will find this very same love too It doesn't matter who we are where we come from or even what we did in our life because we too are worth being loved the very same way that she was at all costs This love that Antoinette found was totally worth finding She found it so worthy that she is willingly choosing to share it with all of us in hopes of us accepting the value of our own worth to accept this very same love too Contact Information secretagent4jesus@gmail.com **HelpFinder Bible NLT** Tyndale,2018-10-23 The HelpFinder Bible makes it easy for anyone whether familiar with Scripture or not to find help in the Bible for their immediate needs Application notes connect the Bible's truths to today's issues and the extensive topical index points readers to verses where answers can be discovered issues resolved and freedom found Topics such as experiencing pain facing anxiety and finding your purpose appear alongside the Scripture text The HelpFinder Bible is God's Word at your point of need The HelpFinder Bible is a quality affordable gift that is easy to navigate through and helpful FEATURES HelpFinder Index This is the heart of the HelpFinder Bible It provides instant access to thousands of verses and notes on well over 100 key topics that are important and relevant for your life today Application Notes Nearly 500 in text application notes on specific needs help you understand how the truths you read in God's Word apply to your personal situation Book Introductions Each introduction includes an outline of the book and Key Verses and helps you focus on the needs or concerns addressed in the book Promises from God 177 callouts highlight Bible promises New Living Translation The accurate yet easy to understand text of the New Living Translation speaks directly and clearly to you allowing God's Word to meet you at your point of need [Oroonoko](#) Susan B. Iwanisziw,2017-11-30 With the aim of examining the postcolonial applications of Aphra Behn's re entry into the literary canon the editor presents this edition as a collection representing the nexus of very specific articulations of literary cultural and political tropes produced by various writers and adapters from 1695 through 1999 The volume begins with a general introduction It then presents seven 18th century versions of the play and one poem ending with Biyi Bandele's late 20th century drama All texts are supplemented by original paratextual commentary if that is known and prefaced by a brief editorial commentary setting out pertinent biographical bibliographical theatrical and historical context not covered in the general introduction The tradition of stage adaptations of Oroonoko most of them keyed to Southerne's drama rather than to Behn's initial novella clearly shows the responsiveness of this series to studies of authorship gender genre and theatricality class race and especially the British response to the Atlantic slave trade and thus to the enduring relevance of these plays in modern literary and historical scholarship [151 Quick Ideas to Improve Your People Skills](#) Robert E.
