## **Forgive Us Confessions Of A Compromised Faith:**

*Forgive Us* Mae Elise Cannon, Lisa Sharon Harper, Troy Jackson, Soong-Chan Rah, 2014-09-23 Many people have become angry and frustrated with organized religion and evangelical Christianity in particular Too often the church has proven to be a source of pain rather than a place of hope *Forgive Us* acknowledges the legitimacy of much of the anger toward the church In truth Christianity in America has significant brokenness in its history that demands recognition and repentance Only by this path can the church move forward with its message of forgiveness reconciliation and peace *Forgive Us* is thus a call to confession From Psalm 51 to the teachings of Jesus to the prayers of Nehemiah confession is the proper biblical response when God's people have injured others and turned their backs on God's ways In the book of Nehemiah the author confesses not only his own sins but also the sins of his ancestors The history of the American church demands a Nehemiah style confession both for our deeds and the deeds of those who came before us In each chapter of *Forgive Us* two pastors who are also academically trained historians provide accurate and compelling histories of some of the American church's greatest shortcomings Theologian Soong Chan Rah and justice leader Lisa Sharon Harper then share theological reflections along with appropriate words of confession and repentance Passionate and purposeful *Forgive Us* will challenge evangelical readers and issue a heart felt request to the surrounding culture for forgiveness and a new beginning

Margot Starbuck Too Heavy a Yoke Nilwona E Nowlin Faith Rooted Organizing Anthony Grimes Bad Faith Randall Balmer, 2021-08-10 What really gave rise to the Religious Right There is a commonly accepted story about the rise of the Religious Right in the United States It goes like this with righteous fury American evangelicals entered the political arena as a unified front to fight the legality of abortion after the Supreme Court's 1973 Roe v Wade decision The problem is this story simply isn't true Bad Faith recounts how it was in fact the elimination of tax exempt status for racially discriminatory Christian institutions like Bob Jones University that galvanized evangelicalism into a political force Only later when something more palatable was needed to cover for what was becoming an increasingly unpopular position following the civil rights era was the moral crusade against abortion made the leading issue Through exhaustive research and trenchant historical analysis Randall Balmer exposes the ingrained priorities of the Religious Right movement and uncovers the roots of coded evangelical watchwords like religious freedom and family values helping to explain in part what this movement has become *Letters to Young Scholars, Second Edition* William Carey Ringenberg, 2018-04-05 Letters to Young Scholars is designed primarily for college students advanced high school students and church and parachurch study groups on spiritual development As a college text the book introduces beginning students to the general education or liberal arts portion of a Christian college education It gives major emphasis to the humanities and social science disciplines the integration of the Christian faith with those disciplines and the application of Christian thought to daily living applied Christianity It seeks to challenge the students to become broader in perspective and appreciation more compassionate toward all of God's creatures and more confident and committed as they develop their worldviews and personal values **Preaching with Cultural Intelligence** Matthew D. Kim, 2017-10-17 To preach effectively in today's world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegesis listeners and for exploring cultural differences **CCDA Theological Journal, 2015 Edition** Bethany Harris, 2015-10-07 **Love in a Time of Fear** Cassie J. E. H. Trentaz, 2018-08-29 How do we love people who we are afraid of The political climate of the US in recent years has revealed significant divisions in our nation and our neighborhoods divisions often fueled by fear For those who follow a call and commitment to love our neighbors how do we love in the midst of this fear In this book Cassie Trentaz looks that question in the eyes and asks her friends and neighbors in four communities currently facing pressure and often viewed with suspicion immigrants Muslim Americans LGBTQ people and young African American men what feels like love to them and alternatively what does not Trentaz brings their honest heartfelt responses in their own words helping us to know people we might not know and bringing us powerful stories of

offerings of love that were received as love as well as stories of good intentions that missed their mark She then offers us tools to help us act on what we hear This book is both an invitation and a toolbox for listening It takes love from a good idea to a concrete force that can speak to our fears reach across divisions and just might heal our world Sameya Love in a Time of Fear from Peripheral Vision PDX on Vimeo Victor Love in a Time of Fear from Peripheral Vision PDX on Vimeo Sarah Love in a Time of Fear from Peripheral Vision PDX on Vimeo      **Ex Auditu - Volume 31** Klyne Snodgrass, 2016-05-20 Contents Announcement of the 2016 Symposium Abbreviations Introduction Klyne Snodgrass North Park Theological Seminary Faculty Statement on Racism Racial Realism in Biblical Interpretation and Theological Anthropology A Systematic Theological Evaluation of Recent Accounts Elizabeth Y Sung Response to Sung Valerie Landfair Reimagining Koinonia Confronting the Legacy and Logic of Racism by Reinterpreting Paul's Letter to Philemon Lewis Brogdon Response to Brogdon Al Tizon The Bible's Outrage at Blumenbach's Babel An Antiracist Hermeneutic for White Followers of Jesus Kyle J A Small Enemies Romans Pigs and Dogs Loving the Other in the Gospel of Matthew Love L Sechrest Response to Sechrest Rebecca Gonzalez The Lynching of the Suffering Servant of Isaiah Death at the Hands of Persons Unknown Bo H Lim Response to Lim Evelmyn Ivens What's Missing Theological Musings on a Hermeneutics of Absence Nestor Medina Response to Medina Bruce L Fields Lost in Translation Ethnic Conflict in English Bibles The Gospels Race and the Common English Bible An Introductory and Exploratory Conversation Emerson B Powery Response to Powery Michael O Emerson An Indigenous Reinterpretation of Repentance Raymond Aldred Response to Aldred Mark Tao Truth Be Told A Necessary Funeral Dirge in the Middle of Our Conversation Soong Chan Rah Annotated Bibliography on Race and Racism Presenters and Respondents Ex Auditu Volumes Available      Whole and Reconciled Al Tizon, 2018-10-16 The ministry of reconciliation is the new whole in holistic ministry It must be if the Christian mission is to remain relevant in our increasingly fractured world This book offers a fresh treatment of holistic ministry that takes the role of reconciliation seriously rethinking the meaning of the gospel the nature of the church and the practice of mission in light of globalization post Christendom and postcolonialism It also includes theological and practical resources for effectively engaging in evangelism compassion and justice and reconciliation ministries Includes a foreword by Ruth Padilla DeBorst and an afterword by Ronald J Sider      **The Logic of Intersubjectivity** Darren M. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren's inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren's actual philosophy of religion What is argued in this book is that McLaren's philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ's religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the

believer's identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren's philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren's line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

The Jesus Quotient Jennie A. Harrop, 2019-06-21 As leaders our capacity to hear is often muddled by an inability to acknowledge our own insufficiencies and emotions Jesus knew his God given purpose and emotional character so deeply that he was able to operate out of these foundations boldly and instinctively Jesus's infallible Intelligence Quotient IQ and Emotional Quotient EQ allowed him to focus on a third concept called Audience Quotient AQ an individual's ability to focus consistently completely and effectively on others As a church we are failing a twenty first century culture that is defined by an unprecedented interconnectedness and speed of information We are witnessing a scramble to manipulate and manage information that demands renewed integrity and yet the church is seen as hypocritical judgmental and irrelevant If we are going to earn a voice the future church cannot be about the components of church at all but instead the individual souls within the church pastors included The better we ground ourselves in the truth of who we were created to be IQ EQ and AQ the better able we will be to love God fully and love those around us as we love ourselves That after all is what Jesus commanded us to do

The Crisis of Evangelical Christianity Keith C. Sewell, 2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop integral Christian thinking and living the religious significance of culture and the coming of the kingdom reductionist Evangelicalism struggles with its only rarely acknowledged deficiencies As a result we have all too often ended up with a Christianity shorn of its cosmic scope and wide cultural implications and restricted to institutional church life and the cultivation of private spiritual experience The consequences are frequently enervating and corrosive Without disregarding what is important in the past evangelicals are here challenged to take the Bible much more seriously and thereby transcend the limitations of their habitual reductionism Evangelicals are encouraged to embrace an integral and full orbbed understanding of Christian discipleship that will equip the faithful to address the deep and complex challenges of the twenty first century
