The Art of Forgiveness Nya Gathu, 2025-04-29 My story about finding happiness and the gift of forgiveness In my story I focus on two significant encounters because they set me on the path toward seeking happiness and forgiveness However I discovered other encounters in my life that also required forgiveness As I share my story don't be misled into thinking my life is filled with hardship or pain On the contrary my life has been rich with enchanting beautiful and wonderful encounters far more than I can recount here Yet how we choose to react to one negative experience can overshadow the 99.9% of wonderful moments in our lives if we view everything through the lens of that single event When I finally broke free from that perspective I was able to fully experience all the beauty life had to offer 100% of it This freedom came from the choice to forgive commit to it and decide how to react to negative energy In the end I'm grateful for those once painful experiences because they led me to forgiveness healing and thriving At the conclusion of my story I will share the process I used to achieve forgiveness Be prepared though true forgiveness isn't easy It's a long ongoing process and a lifelong practice It's not a one-time event However after reading this book I hope you too can find the freedom I discovered by releasing all the negativity that was holding you back and embracing positive outcomes I let go of anger bitterness and resentment replacing them with joy happiness and peace My goal is to guide you on your own forgiveness journey to help you find the peace necessary for growth and thriving Forgiveness is for you and is a powerful tool for your success It allows you to reclaim power from those who hurt you transforming what happened to you into something that works for you and it all

begins in your mind I believe you cannot heal without forgiving and you cannot grow without healing So forgive heal grow and thrive

Five-A-Day Sherrie Flowers,2021-04-01 We have been told since childhood to take our vitamins so that we can grow strong It is said that vitamins can keep our bodies in a healthy state to help us not only live longer and stronger but also help us to have a better quality of life One popular brand of vitamins even believes taking One a Day is beneficial There is something to be said about the discipline consistency and positive outcome from doing something on a regular or even daily basis Thus Five a Day The Perfect Dosage of Grace empowers you to grow in grace by speaking five declarations regularly or even daily in whatever area in which grace is needed or desired in your life The fundamental principle that has been established that there are benefits from doing something regularly is essential to experiencing the benefits of speaking grace into your life Knowing the fact that you can grow in grace God's supernatural ability and that you can decide what will happen in your life by declaring it from your mouth is a match made in heaven These two concepts are indeed the strategy that you need to not only adopt but also execute in your life to start you on the journey of literally changing the trajectory of your life The concept of growing stronger just like taking vitamins once a day is adopted In this case rather decreeing and speaking grace not once but five a day consistently will prove to be beneficial Five a Day The Perfect Dosage of Grace
