**David Baud**

## **Forgotten New York Views Of A Lost Metropolis:**

**Forgotten New York** Kevin Walsh, 2006-10-03 Forgotten New York is your passport to more than 300 years of history architecture and memories hidden in plain sight Houses dating to the first Dutch settlers on Staten Island yellow brick roads in Brooklyn clocks embedded in the sidewalk in Manhattan bishop s crook lampposts in Queens a white elephant in the Bronx this is New York and this is your guide to seeing it all Forgotten New York covers all five boroughs with easy to use maps and suggested routes to hundreds of out of the way places antiquated monuments streets to nowhere and buildings from a time lost Forgotten New York features Quiet Places Truly Forgotten History Happened Here What is this Thing Forgotten People And so much more No matter if you are a lifelong New Yorker recent resident or weekend visitor this magical book is the only guide to true New York

**The New York Nobody Knows** William B. Helmreich, 2015-08-25 As a kid growing up in Manhattan William Helmreich played a game with his father they called Last Stop They would pick a subway line and ride it to its final destination and explore the neighborhood there Decades later Helmreich teaches university courses about New York and his love for exploring the city is as strong as ever Putting his feet to the test he decided that the only way to truly understand New York was to walk virtually every block of all five boroughs an astonishing 6 000 miles His epic journey lasted four years and took him to every corner of Manhattan Brooklyn Queens the Bronx and Staten Island Helmreich spoke with hundreds of New Yorkers from every part of the globe and from every walk of life including Mayor Michael Bloomberg and former mayors Rudolph Giuliani David Dinkins and Edward Koch Their stories and his are the subject of this captivating and highly original book We meet the Guyanese immigrant who grows beautiful flowers outside his modest Queens residence in order to always remember the homeland he left behind the Brooklyn raised grandchild of Italian immigrants who illuminates a window of his brownstone with the family s old neon grocery store sign and many many others Helmreich draws on firsthand insights to examine essential aspects of urban social life such as ethnicity gentrification and the use of space He finds that to be a New Yorker is to struggle to understand the place and to make a life that is as highly local as it is dynamically cosmopolitan Publisher s description

**Eyes on the Sporting Scene, 1870-1930** Pamela A. Bakker, 2013-02-18 Helms Hall of Fame s brothers William M and Andrew B June Rankin lived exciting lives covering sports for papers like the New York Sunday Mercury New York Herald New York World Brooklyn Daily Eagle and New York Clipper from 1870 to 1930 Playing for amateur and semiprofessional Rockland County N Y clubs in the mid 1860s through early 1870s the brothers developed into baseball writers and editors Often working with Henry Chadwick called the Father of Baseball the brothers became authorities on the sport writing histories of clubs and players and scoring for the early New York and Brooklyn clubs June went on to cover boxing as it transitioned into a gentlemen s sport football as it emerged on college campuses and golf through the formative years of the USGA and PGA He also wrote two baseball books Filled with sporting details this book sets the brothers into a period of great changes in the world of American sports *A People's*

*Guide to New York City* Carolina Bank Muñoz, Penny Lewis, Emily Tumpson Molina, 2022-01-25 This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to reveal a people's New York City. The sites and stories of *A People's Guide to New York City* shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function: immigrants, people of color, and the working classes reside largely in the so-called outer boroughs, outside the corporations' neon and skyscrapers of Manhattan. *A People's Guide to New York City* expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn, and Staten Island, as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city. *City in Time* William Hayes, 2007 From the Bronx to the Battery and beyond, New York is a wonderful town and one that was centuries in the making. With the Statue of Liberty raising her torch high, it became the shining symbol of a promised land for immigrants throughout the world. Follow the city's growth and look at her buildings, old and new, from Trinity Church to today's glass and steel skyscrapers. The trip passes through Ellis Island, first stop for many new Americans; Battery Park City, where Castle Clinton still stands; Hester Street, once filled with peddlers selling their wares; the original and new Penn Stations; and Madison Square Gardens and more. Sidebars look in depth at such New York attractions as the subway. **The Bowery Boys** Greg Young, Tom Meyers, 2016-06-21 Uncover fascinating little-known histories of the five boroughs in *The Bowery Boys*, official companion to their popular award-winning podcast. It was 2007. Sitting at a kitchen table and speaking into an old karaoke microphone, Greg Young and Tom Meyers recorded their first podcast. They weren't history professors or voice actors. They were just two guys living in the Bowery and possessing an unquenchable thirst for the fascinating stories from New York City's past. Nearly 200 episodes later, *The Bowery Boys* podcast is a phenomenon, thrilling audiences each month with one amazing story after the next. Now, in their first ever book, the duo gives you an exclusive personal tour through New York's old cobblestone streets and gas-lit back alleyways. In their uniquely approachable style, the authors bring to life everything from makeshift forts of the early Dutch years to the opulent mansions of The Gilded Age. They weave tales that will reshape your view of famous sites like Times Square, Grand Central Terminal, and the High Line. Then they go even

further to reveal notorious dens of vice scandalous Jazz Age crime scenes and park statues with strange pasts Praise for The Bowery Boys Among the best city centric series New York Times Meyers and Young have become unofficial ambassadors of New York history NPR Breezy and informative crowded with the finest grifters knickerbockers spiritualists and city builders to stalk these streets since back when New Amsterdam was just some farms Village Voice Young and Meyers have an all consuming curiosity to work out what happened in their city in years past including the Newsboys Strike of 1899 the history of the Staten Island Ferry and the real life sites on which Martin Scorsese's Vinyl is based The Guardian

**Hamilton Heights and Sugar Hill** Davida Siwisa James, 2024-04-02 Explores four centuries of colonization land divisions and urban development around this historic landmark neighborhood in West Harlem It was the neighborhood where Alexander Hamilton built his country home George Gershwin wrote his first hit a young Norman Rockwell discovered he liked to draw and Ralph Ellison wrote Invisible Man Through words and pictures Hamilton Heights and Sugar Hill traces the transition of this picturesque section of Harlem from lush farmland in the early 1600s to its modern day growth as a unique Manhattan neighborhood highlighted by stunning architecture Harlem Renaissance gatherings and the famous residents who called it home Stretching from approximately 135th Street and Edgecombe Avenue to around 165th all the way to the Hudson River this small section in the Heights of West Harlem is home to so many significant events so many extraordinary people and so much of New York's most stunning architecture it's hard to believe one place could contain all that majesty Author Davida Siwisa James brings to compelling literary life the unique residents and dwelling places of this Harlem neighborhood that stands at the heart of the country's founding Here she uncovers the long lost history of the transitions to Hamilton Grange in the aftermath of Alexander Hamilton's death and the building boom from about 1885 to 1930 that made it one of Manhattan's most historic and architecturally desirable neighborhoods now and a century ago The book also shares the story of the LaGuardia High School of Music Art one of the first in the nation to focus on arts and music The author chronicles the history of the James A Bailey House as well as the Morris Jumel Mansion Manhattan's oldest surviving residence and famously known as George Washington's headquarters at the start of the American Revolution By telling the history of its vibrant people and the beautiful architecture of this lovely well maintained historic landmark neighborhood James also dispels the misconception that Harlem was primarily a ghetto wasteland The book also touches upon the Great Migration of Blacks leaving the South who landed in Harlem helping it become the mecca for African Americans including such Harlem Renaissance artists and luminaries as Thurgood Marshall Count Basie Duke Ellington Mary Lou Williams Paul Robeson Regina Anderson Andrews and W E B Du Bois

The Algonquin Round Table New York Kevin C. Fitzpatrick, 2015-02-07 That is the thing about New York wrote Dorothy Parker in 1928 It is always a little more than you had hoped for Each day there is so definitely a new day Now you can journey back there in time to a grand city teeming with hidden bars luxurious movie palaces and dazzling skyscrapers In these places Dorothy Parker and her cohorts in the Vicious Circle at the infamous

Algonquin Round Table sharpened their wit polished their writing and captured the energy and elegance of the time Robert Benchley Parker's best friend became the first managing editor of Vanity Fair before Irving Berlin spotted him onstage in a Vicious Circle revue and helped launch his acting career Edna Ferber an occasional member of the group wrote the Pulitzer winning bestseller So Big as well as Show Boat and Cimarron Jane Grant pressed her first husband Harold Ross into starting The New Yorker Neysa McMein reputedly rode elephants in circus parades and dashed from her studio to follow passing fire engines Dorothy Parker wrote for Vanity Fair and Vogue before ascending the throne as queen of the Round Table earning everlasting fame but rather less fortune for her award winning short stories and unforgettable poems Alexander Woollcott the centerpiece of the group worked as drama critic for the Times and the World wrote profiles of his friends for The New Yorker and lives on today as Sheridan Whiteside in The Man Who Came to Dinner Explore their favorite salons and saloons their homes and offices most still standing while learning about their colorful careers and private lives Packed with archival photos drawings and other images including never before published material this illustrated historical guide includes current information on all locations Use it to retrace the footsteps of the Algonquin Round Table and you'll discover that the golden age of Gotham still surrounds us

*Francesca Woodman's Dark Gaze* Claire Raymond, 2016-05-20 Focusing on the later work of the American photographer Francesca Woodman 1958-1981 Claire Raymond takes up the question of the disintegrative condition of the art she produced in the last year of her life Departing from the techniques of her earlier compositions Woodman worked in the diazotype process for many of these late pieces most importantly the monumental *Blueprint for a Temple* Raymond shows that through her use of diazotype a medium that breaks down when exposed to light Woodman created art that is both supremely evocative aesthetically and inherently unstable physically Woodman Raymond contends was imaginatively responding to the end of the durable image a historical reality acknowledged in the way her work plays the ephemeral and evanescent against the monumental and enduring Raymond focuses on the theoretical and the curatorial issues surrounding Woodman's diazotypes a thematic and practical distress that haunts much of her later art especially the artist's book and photo series *Some Disordered Interior Geometries* and *Portrait of a Reputation* Rather than conceiving of Woodman herself as fragile an artist chronicling and seeming to yearn for her own disappearance Raymond juxtaposes Woodman's career spanning documentation of her own image against other post war witnesses of trauma an artist standing in the museum ruins where she emerges most distinctly as a figure of postmodernity

**Hidden Cities** Moses Gates, 2013-03-21 In this fascinating glimpse into the world of urban exploration Moses Gates describes his trespasses in some of the most illustrious cities in the world from Paris to Cairo to Moscow Also exclusive to this e book are firsthand accounts from the author's fellow travelers and family Gates is a new breed of adventurer for the 21st century He thrives on the thrill of seeing what others do not see let alone even know exists It all began quite innocuously After moving to New York City and pursuing graduate studies in Urban Planning he began unearthing hidden facets of the city abandoned structures

disused subway stops incredible rooftop views that belonged to cordoned off buildings At first it was about satiating a nagging curiosity yet the more he experienced and saw the more his thirst for adventure grew eventually leading him abroad In this memoir of his experiences Gates details his travels through underground canals sewers subways and crypts in metropolises spanning four continents In this finely written book Gates describes his immersion in the worldwide subculture of urban exploration how he joined a world of people who create secret art galleries in subway tunnels break into national monuments for fun and travel the globe sleeping in centuries old catacombs and abandoned Soviet relics rather than hotels or bed and breakfasts They push each other further and further visiting the hidden side of a dozen countries discovering ancient underground Roman ruins scaling the Brooklyn Manhattan and Williamsburg bridges partying in tunnels sneaking into Stonehenge and even finding themselves under arrest on top of Notre Dame Cathedral Ultimately Gates contemplates why he and other urban explorers are so instinctively drawn to these unknown and sometimes forbidden places even and for some especially when the stakes are high Hidden Cities will inspire readers to think about the potential for urban exploration available for anyone anywhere if they have only the curiosity and nerve to dig below the surface to discover the hidden corners of this world

Growing Up Bank Street Donna Florio,2021-03-09 A vivid memoir of life in one of New York City s most dynamic neighborhoods Growing Up Bank Street is an evocative tender account of life in Greenwich Village on a unique street that offered warmth support and inspiration to an adventurous and openhearted young girl Bank Street a short strip of elegant brownstones and humble tenements in Greenwich Village can trace its lineage back to the yellow fever epidemics of colonial New York In the middle of the last century it became home to a cast of extraordinary characters whose stories intertwine in this spirited narrative Growing up Donna Florio had flamboyant opera performer parents and even more free spirited neighbors As a child she lived among beatniks artists rock musicians social visionaries movie stars and gritty blue collar workers who imparted to her their irrepressibly eccentric life rules The real life Auntie Mame taught her that she is a divine flame from the universe John Lennon who lived down the street was gracious when she dumped water on his head Sex Pistols star Sid Vicious lived in the apartment next door and his heroin overdose death came as a wake up call during her wild twenties An elderly Broadway dancer led by brave example as Donna helped him comfort dying Villagers in the terrifying early days of AIDS and a reclusive writer gave her a path back from the brink when as a witness to the attacks of 9 11 her world collapsed These vibrant vignettes weave together a colorful coming of age tale against the backdrop of a historic iconoclastic street whose residents have been at the heart of the American story As Greenwich Village gentrifies and the hallmarks of its colorful past disappear Growing Up Bank Street gives the reader a captivating glimpse of the thriving culture that once filled its storied streets

The Long Island Historical Journal ,2006 **Library Journal** ,2006 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately American Book Publishing Record ,2006 **The Christian**

**Union** Henry Ward Beecher, 1874      Metropolis , 1997      **The Dead City** Paul Dobraszczyk, 2017-06-30 The Dead City unearths meanings from such depictions of ruination and decay looking at representations of both thriving cities and ones which are struggling abandoned or simply in transition It reveals that ruination presents a complex opportunity to envision new futures for a city whether that is by rewriting its past or throwing off old assumptions and proposing radical change Seen in a certain light for example urban ruin and decay are a challenge to capitalist narratives of unbounded progress They can equally imply that power structures thought to be deeply ingrained are temporary contingent and even fragile Examining ruins in Chernobyl Detroit London Manchester and Varosha this book demonstrates that how we discuss and depict urban decline is intimately connected to the histories economic forces power structures and communities of a given city as well as to conflicting visions for its future      **Frank Leslie's New York Journal** , 1856      The New-York Mirror, and Ladies' Literary Gazette , 1825      *New England Journal of Education* , 1877

## The Enigmatic Realm of **Forgotten New York Views Of A Lost Metropolis**: Unleashing the Language is Inner Magic
