Formatting Joshua Tallent, 2009 Publishers and independent authors everywhere are excited and somewhat anxious about the move toward digital publishing eBooks are revolutionizing the publishing world and eBook reading devices like the Amazon Kindle are on the forefront of this revolution However the text formatting the Kindle requires can be hard to decipher and even harder to implement This book serves as a guide to the process of formatting eBooks that look great on the Kindle every time Each step is explained in detail with examples and formatting tips found nowhere else In addition to instructions for the conversion and formatting process this book contains detailed explanations of all the HTML and CSS markup supported by the Kindle instructions for achieving optimal image display quality on the E Ink screen and other details about the Kindle s formatting requirements previously left to chance or speculation Beautiful eBooks are at your fingertips The Kindle and its readers await **Notjohn's Guide to E-Book Formatting** N.J. Notjohn, 2017-01-01 The self

publisher s bible In this clear and entertaining ten step guide now in its eighth edition a prolific American author tells how he formats his books using free software for upload to online bookstores The secret he explains is to use the universal epub format to create a single e book file that will be accepted by every digital retailer from Amazon com through Barnes more often it doesn t because these programs litter the file with hidden formatting The result can be a disaster Instead the word processing document should be converted to clean HTML the markup language used to create a web page All e books are web pages at heart and the Kindle and other e book readers are just special purpose web browsers The conversion from document to HTML file takes seconds It can then be plugged into a simple template that Notjohn includes in this Guide and also makes available on his blog for anyone to use He also supplies a style sheet to format the book for best appearance on the Kindle Fire tablet the various Kindle apps as well as on competing tablets and e book readers If all else fails there s Plan B a stripped down template for novels and for non fiction that consists mostly of text He concludes with a chapter on how

best to present your e book on the Kindle platform with hints on encrypting the book copyrighting it and pricing it for the greatest return And new this year a chapter on adapting the e book to a print edition With illustrations and screenshots Revised and updated 2017edition **Seven Days to Kindle** Hugh Smith,2015-12-02 Did you finish writing your book only to find out you have NO IDEA how to get it on Amazon So did I You know you have to figure out how to format your eBook for Kindle but you have no clue how Sure you could spent months learning how like I did Or you could do the smart thing and learn from someone who s been there Here s only some of what you ll learn How to format your eBook in a software you already own and are familiar with Microsoft Word A VERY simple trick that will change your Word file to HTML for much easier conversion and make for more professional looking eBook formatting How to convert your book to MOBI the file type used by Amazon The right way to include images in your eBook Sounds like something you could use TODAY doesn t it Yes it does Just imagine If you could cut through all the technical jargon and shorten the learning curve Your book would be available for sale on Amazon by THIS TIME NEXT WEEK or even SOONER *Subject Index to Periodicals* ,2008 **The Ultimate Kindle Formatting Guide** Timo Hofstee,2014-07-24 Do you want to sell MORE books Formatting a book the right way so that it displays correctly on all the different electronic devices like Kindles PCs mobiles and laptops can be a real headache After having read a lot of articles books and blog postings on the subject I didn t really find THE guide I was looking for complete simple and straight forward without the fluff A better formatted book means No negative reviews due to formatting issues and therefore more SALES This guide takes you step by step with lots of screenshots through the whole process how to format your Word document to make it look good and professional on any Kindle device This Guide covers EVERYTHING you need to know and more headings paragraphs indents bullet lists table of contents fonts and font sizes colors styles negative margins hyperlinks bookmarks images TABs indents wildcard find replace Ecovers uploading testing and publishing Once you have gone through this guide all your following books will be a piece of cake to get them published on Amazon Who is this book for This book was written with the complete novice in mind If you want to get simple and direct explanations on HOW to do the formatting without being bothered about dpi CMYK Unicode UTF 8 and other technical terms then this book is for you *Kindle Formatting Guide for Idjits* Rebecca Melvin,2013-03-14 You re ready to upload your masterpiece onto Kindle You have no pictures no bells and whistles why does it seem so complicated For Text only Books Everything you need to know for Taking Your Manuscript and Making it Kindle Compatible in Seven Easy Steps Great for beginners overwhelmed with information invaluable for the pro who needs a quick checklist Learning ebooks was a challenge especially for those of us who were at the very start of this huge revolution We had no idea that it would bring in the revenue it has grow as quickly at it has and be as exciting as it is We only knew that we owed it to our authors to cover every possible market and we were determined to do so even if it meant learning a whole new skill set During the course of this learning curve I learned a simple truth formatting an ebook for Kindle was nearly identical to formatting an ebook for Smashwords

The only real difference was that Smashwords required an ISBN easily attainable from them for free or a small fee depending on whether you wish them or yourself as the holder of record and Kindle did not. To expedite the process I came up with a bulleted list on my computer that boiled down to seven simple steps. It guaranteed acceptance into Kindle and into the Smashwords Premium Catalog the first time every time making our ebooks available to just about every reading device known to mankind at any given time including Nook and iBooks. About a year ago after running across numerous complaints of frustration from independent authors over how to format their work and have it accepted for both Kindle and Smashwords I fleshed out my bulleted list and offered it on the market as *The Smashwords Style Guide for Idjits Taking Your Manuscript and Making it Smashwords Compatible in Seven Easy Steps*. I was surprised and gratified at the response it received. Every rating was five stars with numerous in depth humorous reviews where more than one reader now proudly claimed the title of one happy idjit after successfully and easily formatting their work and having it accepted on the first submission. What I didn't realize and should have was that because of the title of the book those independents most interested in submitting to Kindle were passing the book over even though it had everything they needed to know to format their work and submit it successfully to Kindle. With these entrepreneurial spirited people in mind I now present the revised version geared specifically for submitting your work to Kindle with the bonus option of also submitting to Smashwords. I hope you find as much value in it as did those readers of the original.
