**Dawn of a New Order** Rein Mullerson, 2017-06-30 The most significant development in global politics following the end of the bi polar Cold War era has been the rise of a multi polar state system This has led to the emergence of major potential super powers global rivalry international terrorism and the gradual weakening of the one remaining hegemonic uni polar state after the Cold War the US The idealistic hopes following the collapse of communism have evaporated and Cold War competition between liberal capitalism and communism has been replaced by multi polar global rivalry that can only be resolved by a balance of power buttressed by international law In this ambitious and thought provoking book Professor Rein Mullerson outlines the challenges associated with the new geopolitics of the twenty first century Based on in depth research over several decades it is an essential tool for understanding the new world order and the ensuing crises in global politics

*The Innovation Blind Spot* Ross Baird, 2017-09-12 Our innovation economy is broken But there s good news The ideas that will solve our problems are hiding in plain sight While big companies in the American economy have never been more successful entrepreneurial activity is near a 30 year low More businesses are dying than starting every day Investors continue to dump billions of dollars into photo sharing apps and food delivery services solving problems for only a wealthy sliver of the world s population while challenges in health food security and education grow more serious In *The Innovation Blind Spot* entrepreneur and venture capitalist Ross Baird argues that the innovations that truly matter don t see the light of day for reasons entirely of our own making A handful of people in a handful of cities are deciding behind closed doors which entrepreneurs get a shot to succeed And most investors are what Baird calls two pocket thinkers artificially separating their charitable work from their day job of making a profit The resulting system creates rising income inequality stifled entrepreneurial ambition social distrust and political uncertainty Our innovation problem makes all our other problems harder to solve In this book Baird demonstrates how and where to find better ideas by lifting up people places and industries that are often overlooked What s more Baird ultimately outlines how to create long term success through one pocket thinking eliminating the blind spot that separates what we do for a living and what we really care about

Obama White House throughout the talks and had access to decision makers and diplomats on the U S and Iranian sides alike With his unique insight he examines every facet of a triumph that could become as important and consequential as Nixon s rapprochement with China Drawing from more than seventy five in depth interviews with key decision makers including Iran s Foreign Minister Javad Zarif and U S Secretary of State John Kerry this is the first authoritative account of President Obama s signature foreign policy achievement A detailed and gripping account of the 22 months of negotiations over Iran s nuclear program that resulted in the 2015 deal John Waterbury Foreign Affairs **The Mueller Report** The Washington Post,2019-04-30 ONE OF TIME S 100 BEST BOOKS OF THE YEAR The Crucial 1 New York Times Bestseller The Mueller report is that rare Washington tell all that surpasses its pre publication hype the best book by far on the workings of the Trump presidency Carlos Lozada The Washington Post The only book with exclusive analysis by the Pulitzer Prize winning staff of The Washington Post and the most complete and authoritative available Read the findings of the Special Counsel s investigation into Russian interference in the 2016 election complete with accompanying analysis by the Post reporters who ve covered the story from the beginning This edition from The Washington Post Scribner contains The long awaited Report On The Investigation Into Russian Interference In The 2016 Presidential Election An introduction by The Washington Post titled A President a Prosecutor and the Protection of American Democracy A timeline of the major events of the Special Counsel s investigation from May 2017 when Robert Mueller was appointed to the report s delivery A guide to individuals involved including in the Special Counsel s Office the Department of Justice the FBI the Trump Campaign the White House the Trump legal defense team and the Russians Key documents in the Special Counsel s investigation including filings pertaining to General Michael T Flynn Paul Manafort Michael Cohen Roger Stone and the Russian internet operation in St Petersburg Each document is introduced and explained by Washington Post reporters One of the most urgent and important investigations ever conducted the Mueller inquiry focuses on Donald Trump his presidential campaign and Russian interference in the 2016 election and draws on the testimony of dozens of witnesses and the work of some of the country s most seasoned prosecutors The special counsel s investigation looms as a turning point in American history The Mueller Report is essential reading for all citizens concerned about the fate of the presidency and the future of our democracy

**The Case Against Free Speech** PE Moskowitz,2019-08-13 A hard hitting expose that shines a light on the powerful conservative forces that have waged a multi decade battle to hijack the meaning of free speech and how we can reclaim it There s a critical debate taking place over one of our most treasured rights free speech We argue about whether it s at risk whether college students fear it whether neo Nazis deserve it and whether the government is adequately upholding it But as P E Moskowitz provocatively shows in The Case Against Free Speech the term has been defined and redefined to suit those in power and in recent years it has been captured by the Right to push their agenda What s more our investment in the First Amendment obscures an uncomfortable truth free speech is impossible in an unequal society where a few corporations and

the ultra wealthy bankroll political movements millions of voters are disenfranchised and our government routinely silences critics of racism and capitalism Weaving together history and reporting from Charlottesville Skokie Standing Rock and the college campuses where student protests made national headlines Moskowitz argues that these flash points reveal more about the state of our democracy than they do about who is allowed to say what Our current definition of free speech replicates power while dissuading dissent but a new ideal is emerging In this forcefully argued necessary corrective Moskowitz makes the case for speech as a tool for exposing the truth demanding equality and fighting for all our civil liberties
