Schmeltzer, 2025-03-03 *Overcoming Adversity A Memoir of Growing Up In Foster Homes and Group Homes* This is an autobiographical story I have a few reasons for writing it The first is so that I may more fully understand cope and continue to grow beyond the abandonment neglect abuse and isolation of my childhood all of which resulted from my biological parents' limitations and failures That said I alone bear the responsibility for my life The second is hope It is my sincere wish

that others will benefit from my experiences by my sharing not merely an account of what happened but also much of what I ve learned and some pivotal choices I made along the way While it would be an exaggeration to claim I have been completely healed I m happy and grateful to report significant progress Thirdly it is my intention that this memoir will a contribute to the case for reforming the foster care system in the United States of America b stimulate an impetus for more judicial oversight of the system c motivate social workers to become more engaged listen more to at risk children placed under their supervision and take courageous steps to protect them and d inform and thus aid mental health professionals in this area of practice I m aware that my intentions may seem quixotic but I am earnest There is magic in the audacity to step forward

Another Place at the Table Kathy Harrison,2004-05-24 The startling and ultimately uplifting narrative of one woman s thirteen year experience as a foster parent For more than a decade Kathy Harrison has sheltered a shifting cast of troubled youngsters the offspring of prostitutes and addicts the sons and daughters of abusers and teenage parents who aren t equipped for parenthood All this in addition to raising her three biological sons and two adopted daughters What would motivate someone to give herself over to constant largely uncompensated chaos For Harrison the answer is easy Another Place at the Table is the story of life at our social services front lines centered on three children who when they come together in Harrison s home nearly destroy it It is the frank first person story of a woman whose compassionate best intentions for a child are sometimes all that stand between violence and redemption Seeking Out Goodness Alexandra Kuykendall,2021-10-19 Most of us feel the world is more contentious and less civil than it was a generation ago or a few years ago or maybe even last week We long to be reassured that everything is going to be okay that God is still at work even in small ways The good news is even when our circumstances change God does not He is still in control and he still offers us good gifts We just have to know where to look for them Exploring the beautiful admonition found in Philippians 4 8 to think on whatever is true noble right pure lovely admirable excellent and praiseworthy author Alexandra Kuykendall encourages us to keep seeking out goodness even when we are mired in a time of fear division and negativity Through personal stories and clear biblical insight Alex helps us see God at work right now right in our midst no matter how messy life feels She helps us appreciate other people even when we disagree with them move past false dichotomies celebrate goodness in others when we find it and hope for a brighter tomorrow even as we celebrate the good gifts we receive today **Saving Michael** Keri Vellis,2023-04-28 Describes what being a foster mom is really like the effects of foster care on the whole family and how the foster care system fails severely abused children Foster children are society s throwaway kids the children no one wants until someone finally does Saving Michael provides an inside look into Keri Vellis struggle to secure the best possible services for two severely abused and traumatized siblings Some doors opened but too many closed during her ten year journey as the voice for children in her care who have no voice of their own within the current system Readers get a glimpse of Keri and her family s day to day life as she went from mother of three to adoptive mother of three more children and then the temporary

caregiver of another seventeen Saving Michael delves into issues bigger than one family's experiences and determination Now an author and child advocate Vellis provides a profoundly personal look into what it takes to get the best for each of the children she's had in her care Her journey started from the first day of her first foster care situation and the urgent need for diagnoses and treatment It continued despite the many obstacles thrown in her path to securing services for the vulnerable children in her family's care Along the way she details the many ups and downs challenges and triumphs her whole family experienced as part of the foster care system All children deserve permanent safe homes The effort to obtain those for every child is a tremendous one not for the faint hearted But the rewards reverberate for everyone when it works Follow Keri and her family on this heartfelt journey of love and persistence *A Conversation With a Friend* Joseph P.
