Formula Eradicating Racism Debunking Supremacy:

A Formula for Eradicating Racism Timothy McGettigan, Earl Smith, 2016-05-04 In this book Tim McGettigan and Earl Smith make the unprecedented argument that racism is a remediable form of suggestion induced sadism The authors explain in plain terms how societies like the USA construct racism and put forward a practical plan to eradicate racism in the USA and all over the world

The Formula of Race and Racism: White Supremacy + Anti-Blackness + Non-White, Non-black = Less () Than Black Ayan Abdulle, 2020-05-24 In this book I argue that white supremacy and anti Blackness are always deployed together White supremacy and anti Blackness are the foundational structure that allow for race and racism to operate and racism is a superstructure that is built on the foundational structure of white supremacy and anti Blackness A formula for race and racism is forwarded white supremacy anti Blackness non white non black groups as less Blacks This formula is built on the idea that anti Blackness anchors and pins white supremacy whiteness The formulaic polarity built into the relationship of white supremacy anti Blackness allows for proximity and brings in intermediate non white non black groups peoples These intermediate groups center white supremacy whiteness by buying into the formula of white supremacy anti Blackness non white non black groups as less than Black

White Supremacy and Racism in the Post-civil Rights Era Eduardo Bonilla-Silva, 2001 Is a racial structure still firmly in place in the United States White Supremacy and Racism answers that question with an unequivocal yes describing a contemporary system that operates in a covert subtle institutional and superficially nonracial fashion Assessing the major perspectives that social analysts have relied on to explain race and racial relations Bonilla Silva labels the post civil rights ideology as color blind racism a system of social arrangements that maintain white privilege at all levels His analysis of racial politics in the United States makes a compelling argument for a new civil rights movement rooted in the race class needs of minority masses multiracial in character and focused on attaining substantive rather than formal equality
