**Forsaken** J. D. Barker, 2014-11-30 Scary as hell Editorial Review Horror After Dark Incredibly written supremely creepy I don't say this lightly J D Barker is a force to be reckoned with NY Times Bestselling Author Tosca Lee A talented writer with a delightfully devious mind Jeffery Deaver 1 International Bestselling Author Book One of the Shadow Cove Saga Inspired by Actual Events Excerpt from the Journal of Clayton Stone 1692 She was examined today without torture at Shadow Cove township on the charge of witchcraft She said she was wholly innocent of the crime and has never in life renounced God I watched as they brought her out A poor sickly thing worn by her time behind the walls of her prison Her bared feet and hands bound in leather her clothing tattered to that of ruin Despite such condition her head was held high her eyes meeting those of her accusers Upon being stripped and examined on her right side is found a bluish mark much like a clover leaf it was thrice pricked therein but she felt no pain and no blood flowed from the wound She still refuses to provide her name so we remain unable to search baptismal records nor has her family stepped forward to claim her as their own We have no reason to believe she is anything but an orphaned child I find myself unable to look at her directly in the moments preceding her trial She is watching me though with eyes of the deepest blue she is watching me Thad McAlister Rise of the Witch When horror author Thad McAlister began his latest novel a tale rooted in the witch trials of centuries past the words flowed effortlessly The story poured forth filling page after page with the most frightening character ever to crawl from his imagination It was his greatest work one that would guarantee him a position among the legends of the craft But was it really fiction He inadvertently opened a door one that would soon jeopardize the lives of his family She wants to come back At home his wife struggles to keep their family alive Secretly wondering if she caused it all a deal she made long ago A deal with the Forsaken *Forsaken* B.J. Daniels, 2013-09-24 Danger runs high and passions burn hot in Montana's wild country Big city detective Bentley Jamison is a long way from home in the Beartooth wilderness when one of local rancher Maddie Conner's ranch hands goes missing Towering mountains and a small tight community are as unfamiliar to Jamison as herding sheep but he's never shied away from a challenge As the new deputy sheriff he's sworn to protect every inch of this rough terrain starting with unraveling a mystery that has left Maddie a wide open target Maddie's as beautiful and untamable as the land around them Like Jamison she won't back down from danger But desire that flares hotter than their tempers only raises the stakes when a fierce storm traps them in the high mountains Caught in a killer's sights Jamison and Maddie must trust one another because now survival and love are all that matter *Forsaken* J.D.Barker, 2014-11-02 J D Barker's *Forsaken* is a remarkable debut a gripping tale of suspense in the tradition of Stephen King Dean Koontz and John Saul Truly the birth of a new master in the genre Bram Stoker Award Nominee Superior Achievement in a First Novel Barker's ambitious debut is aimed squarely at fans of classic horror Witches spells miniature demons and personal doubt give plenty to latch on to the plot moves at a brisk pace a promising start to a planned series Editorial Review Publisher's Weekly A talented writer with a
