hilltop village a child was born the youngest of a tribe of brothers He was destined to become one of the best known names in human history As a child he knew nothing of this Yet he dreamed And as he led his father s sheep through the wild pastures he looked to the heavens played his harp and lifted his voice in spontaneous song There were predators in those hills but he was unafraid and full of courage as if protected from all harm A natural leader he won the loyalty and admiration of the other boys in town He drilled them in war games and they shared many adventures These childhood companions remained faithful to him throughout all the seasons of his life Through thick and thin they followed him because of that special something that capacity to inspire and to lead which seemed to come so naturally to him This is the story of his early years It lays the foundation culturally socially and geographically for the epic life journey which lay ahead His legacy would last forever
