Forty Weeks The Langley Brothers:

The Competition Michael R. Shoulders, 2007-02-27 The Competition is a new kind of novel a fast paced sophisticated architectural thriller The books dry humor and intriguing characters along with its intricate suspenseful plot provide all of the necessary ingredients for a brilliant new genre When washed up architect William Lightstone Travers enters a design competition for the new Governors Mansion in Indianapolis he discovers graft and murder are part of the process Can Travers save his troubled career and win the competition despite corrupt officials determined to ruin him Or will the large Chicago firm where his daughter works buy its way to the winning competition entry In the end Travers must choose between a victory that could save him or a secret that might kill him *Aviation Week & Space Technology*, 1921 Includes a mid December issue called Buyer guide edition

The Granddaughters of Edward III Kathryn Warner, 2023-03-23 Edward III may be known for his restoration of English kingly authority after the disastrous and mysterious fall of his father Edward II and eventual demise of his mother Queen Isabella It was Edward III who arguably put England on the map as a military might This show of power and strength was not simply through developments in government success in warfare or the establishment of the Order of the Garter which fused ideals of chivalry and national identity to form camaraderie between king and peerage The expansion of England as a formidable European powerhouse was also achieved through the traditional lines of political marriages particularly those of the king of England s own granddaughters This is a joint biography of nine of those women who lived between 1355 and 1440 and their dramatic turbulent lives One was queen of Portugal and was the mother of the Illustrious Generation one married into the family of her parents deadly enemies and became queen of Castile one became pregnant by the king of England s half brother while married to someone else and her third husband was imprisoned for marrying her without permission one was widowed at about 24 when her husband was summarily beheaded by a mob and some years later bore an illegitimate daughter to an earl one saw her marriage annulled so that her husband could marry a Bohemian lady in waiting one was born illegitimate had sixteen children and was the grandmother of two kings of England

The Sunday at Home, 1894 Nickelodeon, 1915 *The Rise and Fall of a Medieval Family* Kathryn Warner, 2021-01-18 A historian s fascinating account of two centuries in the lives of the powerful Despensers famed for tragedy and scandal in medieval England The Despensers were a baronial English family who rose to great prominence in the reign of Edward II 1307-27 when Hugh Despenser the Younger became the king s chamberlain favorite and perhaps lover He and his father Hugh the Elder wielded great influence and Hugh the Younger s greed and tyranny brought down a king for the first time in English history and almost destroyed his own family The Rise and Fall of a Medieval Family tells the story of the ups and downs of this fascinating family from the thirteenth to the fifteenth centuries when three Despenser lords were beheaded and two fell in battle We begin with Hugh Chief Justiciar of England who died rebelling against King Henry III and his son in 1265 and end with Thomas Despenser summarily beheaded in 1400 after attempting to free a deposed Richard II

and Thomas's posthumous daughter Isabella a countess twice over and the grandmother of Richard III's queen From the medieval version of Prime Ministers to the possible lovers of monarchs the aristocratic Despenser family wielded great power in medieval England Drawing on the popular intrigue and infamy of the Despenser clan Kathryn Warner's book traces the lives of the most notorious powerful and influential members of this patrician family over a two hundred year span
