Discovery ,1949 The Immortality Key Brian C. Muraresku,2020-09-29 THE NEW YORK TIMES BESTSELLER As seen on The Joe Rogan Experience A groundbreaking dive into the role psychedelics have played in the origins of Western civilization and the real life quest for the Holy Grail that could shake the Church to its foundations The most influential religious historian of the 20th century Huston Smith once referred to it as the best kept secret in history Did the Ancient Greeks use drugs to find God And did the earliest Christians inherit the same secret tradition A profound knowledge of visionary plants herbs and fungi passed from one generation to the next ever since the Stone Age There is zero archaeological evidence for the original Eucharist the sacred wine said to guarantee life after death for those who drink the blood of Jesus The Holy Grail and its miraculous contents have never been found In the absence of any hard data whatever happened at the Last Supper remains an article of faith for today's 2.5 billion Christians In an unprecedented search for answers The Immortality Key examines the archaic roots of the ritual that is performed every Sunday for nearly one third of the planet Religion and science converge to paint a radical picture of Christianity's founding event And after centuries of debate to solve history's greatest puzzle Before the birth of Jesus the Ancient Greeks found salvation in their own sacraments Sacred beverages were routinely consumed as part of the so called Ancient Mysteries elaborate rites that led initiates to the brink of death The best and brightest from Athens and Rome flocked to the spiritual capital of Eleusis where a holy beer unleashed heavenly visions for two thousand years Others drank the holy wine of Dionysus to become one with the god In the 1970s renegade scholars claimed this beer and wine the original sacraments of Western civilization were spiked with mind altering drugs In recent years vindication for the disgraced theory has been quietly mounting in the laboratory The constantly advancing fields of archaeobotany and archaeochemistry have hinted at the enduring use of hallucinogenic drinks in antiquity And with a single dose of psilocybin the psychopharmacologists at Johns Hopkins and NYU are now turning self proclaimed atheists into instant believers But the smoking gun remains elusive If these sacraments survived for thousands of years in our remote prehistory from the Stone Age to the Ancient Greeks did they also survive into the age of Jesus Was the Eucharist of the earliest Christians in fact a psychedelic Eucharist With an unquenchable thirst for evidence Muraresku takes the reader on his twelve year global hunt for proof He tours the ruins of Greece with its government archaeologists He gains access to the hidden collections of the Louvre to show the continuity from pagan to Christian wine He unravels the Ancient Greek of the New Testament with the world's most controversial priest He spelunks into the catacombs under the streets of Rome to decipher the lost symbols of Christianity's oldest monuments He breaches the secret archives of the Vatican to unearth manuscripts never before translated into English And with leads from the archaeological chemists at UPenn and MIT he unveils the first scientific data for the ritual use of psychedelic drugs in classical antiquity The Immortality Key reconstructs the suppressed history of women consecrating a forbidden drugged Eucharist that was later banned by the Church Fathers Women who were then targeted as witches during the Inquisition when Europe's sacred pharmacology

largely disappeared If the scientists of today have resurrected this technology then Christianity is in crisis Unless it returns to its roots Featuring a Foreword by Graham Hancock the NYT bestselling author of *America Before* **Journal of the American Medical Association** ,1919 Includes proceedings of the association papers read at the annual sessions and lists of current medical literature *Wounded Leaders* Nick Duffell,2016-08-24 Political leaders in Britain are consistently drawn from a class born to be educated away from their families in institutions elite boarding schools This has a direct effect on their ability to love to relate to make good judgments and to develop the necessary leadership qualities for today s world In this controversial and highly acclaimed book the author guides the reader along the elite path through boarding school and Oxbridge to government unpacking what he calls the Entitlement Illusion Central to the Illusion is a uniquely British phenomenon an industrialised process for turning out servants of the Empire that has been unwilling to change with the times It was deified in the Victorian Rational Man Project and normalised by the British public who still buy into the trance Up to date evidence from Neuroscience shows what a poor training for leadership this actually is *Dental Digest* ,1912 *The American Whig Review* ,1852 **American Review** ,1852 *Johanna Beyer* Amy C. Beal,2015-02-28 Composer Johanna Beyer s fascinating body of music and enigmatic life story constitute an important chapter in American music history As a hard working German migr piano teacher and accompanist living in and around New York City during the New Deal era she composed plentiful music for piano percussion ensemble chamber groups choir band and orchestra A one time student of Ruth Crawford Charles Seeger and Henry Cowell Beyer was an ultramodernist and an active member of a community that included now better known composers and musicians Only one of her works was published and only one recorded during her lifetime But contemporary musicians who play Beyer s compositions are intrigued by her originality Amy C Beal chronicles Beyer s life from her early participation in New York s contemporary music scene through her performances at the Federal Music Project s Composers Forum Laboratory concerts to her unfortunate early death in 1944 This book is a portrait of a passionate and creative woman underestimated by her music community even as she tirelessly applied her gifts with compositional rigor The first book length study of the composer s life and music Johanna Beyer reclaims a uniquely innovative artist and body of work for a new generation **The Publishers' Circular and Booksellers' Record** ,1924 *Visions of Discovery* Raymond Y.
