Forty Thieves Thomas Perry Ebook:

Forty Thieves Thomas Perry, 2016 From Thomas Perry the New York Times bestselling author of the Jane Whitefield series comes a whip smart and lethally paced standalone novel. Forty Thieves Sid and Ronnie Abel are a first rate husband and wife detective team both retirees of the LAPD. Ed and Nicole Hoyt are married assassins for hire living in the San Fernando Valley. Except for deadly aim with a handgun the two couples have little in common until they are both hired to do damage control on the same murder case. The previous spring after days of torrential rain a body was recovered from one of the city's overwhelmed storm sewers. The victim was identified as James Ballantine a middle aged African American who worked as a research scientist for a prestigious company and was well liked by his colleagues. But two bullets to the back of the head looked like nothing if not foul play. Now with the case turning cold Ballantine's former employers bring in the Abels to succeed where the police have failed while the Hoyts mysterious contractors want to make sure that the facts about Ballantine's death stay hidden. As the book races toward a high octane climax the Abels must fend for their own lives as they circle ever closer to the truth.

With the case turning cold Ballantine's former employers bring in the Abels to succeed where the police have failed. As for the Hoyts their mysterious contractors want to make sure that the facts about Ballantine's death stay hidden. Now the Abels must try to survive as they circle ever closer to the truth and to a dangerous pair guarding it with their lives.
