The Lady's Gazette of Fashion ,1866-12 *Brow of Stone* Kaylee Reilley Christian,2011-04 During the toilsome era of the 1920 s few dreamed of frivolous fortunes But Gregory Allen despite his humble upbringing did more than dream He achieved wealth power and a large estate in his early twenties Still Gregory saw no life in living without love and married his dream girl Emily Allen With a child on the way and his fragrance company on the rise Gregory s dreams finally seemed to be coming true But when a fiercely sought after and rare flower causes a close friend s daughter to disappear Gregory has no choice but to leave his growing family behind and hunt for her in the harsh jungle of Africa The nightmare begins when Gregory passes out in the mysterious jungle and wakes up in the captivity of a strange group twenty five years later The family and the company he thought he left for only a few months has vanished and without proof of who he is Gregory struggles to break free When Gregory finally returns home everything he loved and cared about has been destroyed or more accurately stolen A childhood foe has stripped Gregory of his life Getting even becomes Gregory s only purpose But if he is not careful he will loose more than he ever thought possible With his life love and family on the line Gregory needs allies but quickly learns his greatest weapon is his own forgiveness Author Kaylee Reilley Christian was born and raised in Taylorsville Utah She is happily married with three beautiful children The Christian family recently moved to a sweet little town in Idaho called Glenns Ferry

Love's Forgiveness John Lippitt,2020-09-25 Love s Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard

of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard s discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean s Dead Man Walking Thordis Elva and Tom Stranger s South of Forgiveness and Ian McEwan s Atonement
