IF YOU BUY THE BOOK YOU CAN GET THE PDF VERSION WITH CLICKABLE LINKS ABSOLUTELY FREE. This book is a superb manual for anyone who wants to get the best out of their Nikon D5200. It covers the basics really well, explaining each button and setting in detail. Then it goes into much more detail explaining how to use the settings so that you can produce beautiful professional level photography. The author Jeremy Bayston has been a picture editor for national newspapers for over 25 years and brings his wealth of experience to this manual. He has produced 15 specially made videos which can be accessed by short code or QR code which go into greater detail on effects, menus, modes, getting the best sound for movies, lens codes and much more. In fact, there are even more videos exclusively about the D5200 on his youtube channel <http://www.youtube.com/user/NikonD5200Channel>. This manual helps you get a great feel for the camera, exploring the shooting modes and effects. Explains the settings to get better results from exposure, lighting and focus. Tips and tricks to help you master focusing, metering and flash. Includes 30 pages on shooting video with a whole chapter on sound. Chapters on shooting better portraits, action shots, reportage and landscapes. The brilliant tips and tricks on metering, focusing, how to use the flash and how to shoot great movies have come from years of working with some of the best photographers in the industry. There are chapters on best equipment, lenses and setting up studio lights. He has also included chapters on shooting portraits, landscapes, action and reportage photography again with great advice and tips. And for anyone who wants to use the D5200 to shoot movies, it is a great video camera. There are chapters on video basics, using picture controls, how to get the best sound and much more. Although quite compact, this is a very accessible manual telling you all you need to know to get started with the Nikon D5200. Then it shows you how to take great pictures and videos with the Nikon D5200. For more experienced photographers, this guide explains the advanced functions so that you can quickly get started and take advantage of these features, including the 39 point autofocus system, Focus Modes and AF Area Modes. It also explains the camera controls, the in-camera HDR and guides you through all the Menus and Custom Settings to help you best set up the camera for your specific shooting needs. The videos explain things in more detail and if you have any problems, you can contact the author via the thriving Youtube community, 20,000 subscribers on the D5200 channel. With this manual
