A Short History of the French Revolution, 1789-1799 Albert Soboul, 1977-07-22 A Marxist analysis of the causes and course of the French Revolution argues that it can be understood on all levels only in terms of class struggle **French Revolution: The Basics** Darius von Güttner, 2021-12-22 French Revolution The Basics is an accessible and concise introduction to the history of the revolution in France Combining a traditional narrative with documents of the era and references to contemporary imagery of the revolution the book traces the long and short term causes of the French Revolution as well as its consequences up to the dissolution of the Convention and the ascendancy of Napoleon The book is written with an explicit aim for its reader to acquire understanding of the past whilst imparting knowledge using underlying historical concepts such as evidence continuity and change cause and effect significance empathy perspectives and contestability Key topics discussed within the book include The structure of French society before 1789 The long and short term factors that contributed to the French Revolution How ordinary French people including women and slaves participated in the revolution What brought about the end of the ancien régime The major reforms of the National Assembly 1789 1791 and how they lead to the division and radicalisation of the revolution How the alternative visions of the new society divided the revolution and what were the internal and external pressures on the revolution that contributed to its radicalisation The forms of terror which enabled reality to triumph over the idealism The rise of Napoleon Bonaparte as military leader and Emperor This book is an ideal introduction for anyone wishing to learn more about this influential revolution in the shaping of modern Europe and the world *A Short History of the French Revolution, 1789-1799* Albert Soboul, 1965 *Recording for the Blind & Dyslexic, ... Catalog of Books*, 1996 *Professional Journal of the United States Army*, 1977 **Quarterly Review of Military Literature**, 1977 **Democracy as Human Rights** Michael Goodhart, 2013-05-13 Is global democracy possible The most prominent institutional manifestations of this concept the UN WTO IMF and World Bank have been skewered as cloistered anti democratic institutions by anti globalization activists Meanwhile proponents of globalization advocate reforming these institutions to make them more transparent Michael Goodhart argues that both views fail to recognize the complex link between modern democracy and the sovereign state and the degree to which globalization challenges the modern conceptualization of democracy Original and historically informed Democracys Human Rights provides a carefully argued theory of democracy in which traditional representative government is supported by global institutions designed to guarantee fundamental human rights *New Contributions to the Philosophy of History* Daniel Little, 2010-08-05 Insights developed in the past two decades by philosophers of the social sciences can serve to enrich the challenging intellectual tasks of conceptualizing investigating and representing the human past Likewise intimate engagement with the writings of historians can deepen philosophers understanding of the task of knowing the past This volume brings these perspectives together and considers fundamental questions such as What is historical causation What is

a large historical structure How can we best conceptualize mentalities and identities What is involved in understanding the subjectivity of historical actors What is involved in arriving at an economic history of a large region How are actions and outcomes related The arguments touch upon a wide range of historical topics the Chinese and French Revolutions the extension of railroads in the nineteenth century and the development of agriculture in medieval China *Military Review*, 1977 The Library Journal Book Review, 1977 **The British Library General Catalogue of Printed Books 1976 to 1982** British Library, 1983 **'American Book Publishing Record' Cumulative** R. R. Bowker LLC, 1978 Book Review Digest, 1999 **Book Forum**, 1977 *France* Frances Chambers, 1990 *The Sans-culottes* Albert Soboul, 1980 A phenomenon of the pre industrial age the Sans Culottes master craftsmen shopkeepers small merchants domestic servants were as hostile to the ideas of capitalist bourgeoisie as they were to those of the ancien regime which was overthrown in the first years of the Revolution Here is a detailed portrait of who these people were and a sympathetic account of their moment in history *The Eighteenth Century*, 1974 *The French Revolution* Frank A. Kafker, James Michael Laux, 1983 **The Annals of the American Academy of Political and Social Science**, 1978 *Books and Bookmen*, 1977
