**Peter H. Smith, Andrew D. Selee**

**By Andrew Selee *Decentralization Democratization And Informal Power In Mexico* Paperback:**

Decentralization, Democratization, and Informal Power in Mexico Andrew Selee, 2015-10-20 In the last two decades of the twentieth century many countries in Latin America freed themselves from the burden of their authoritarian pasts and developed democratic political systems At the same time they began a process of shifting many governmental responsibilities from the national to the state and local levels Much has been written about how decentralization has fostered democratization but informal power relationships inherited from the past have complicated the ways in which citizens voice their concerns and have undermined the accountability of elected officials In this book Andrew Selee seeks to illuminate the complex linkages between informal and formal power by comparing how they worked in three Mexican cities The process of decentralization is shown to have been intermediated by existing spheres of political influence which in turn helped determine how much the institution of multiparty democracy in the country could succeed in bringing democracy closer to home

*Democracy From Above?* Stephanie L. McNulty, 2019-05-14 People are increasingly unhappy with their governments in democracies around the world In countries as diverse as India Ecuador and Uganda governments are responding to frustrations by mandating greater citizen participation at the local and state level Officials embrace participatory reforms believing that citizen councils and committees lead to improved accountability and more informed communities Yet there s been little research on the efficacy of these efforts to improve democracy despite an explosion in their popularity since the mid 1980s *Democracy from Above* tests the hypothesis that top down reforms strengthen democracies and evaluates the conditions that affect their success Stephanie L McNulty addresses the global context of participatory reforms in developing nations She observes and interprets what happens after greater citizen involvement is mandated in seventeen countries with close case studies of Guatemala Bolivia and Peru The first cross national comparison on this issue *Democracy from Above* explores whether the reforms effectively redress the persistent problems of discrimination elite capture clientelism and corruption in the countries that adopt them As officials and reformers around the world and at every level of government look to strengthen citizen involvement and confidence in the political process McNulty provides a clear understanding of the possibilities and limitations of nationally mandated participatory reforms

***Decentralization, Democratization, and Informal Power in Mexico*** Andrew D. Selee, 2011 Explores the democratization and decentralization of governance in Mexico and finds that informal political networks continue to mediate citizens relationships with their elected authorities Analyzes the linkages between informal and formal power by comparing how they worked in three Mexican cities Tijuana Ciudad Nezahualc oytol and Chilpancingo Provided by publisher **Local Politics in Jordan and Morocco** Janine A. Clark, 2018-04-03 In recent years authoritarian states in the Middle East and North Africa have faced increasing international pressure to decentralize political power Decentralization is presented as a panacea that will foster good governance and civil society helping citizens procure basic services and fight corruption Two of

these states Jordan and Morocco are monarchies with elected parliaments and recent experiences of liberalization Morocco began devolving certain responsibilities to municipal councils decades ago while Jordan has consistently followed a path of greater centralization Their experiences test such assumptions about the benefits of localism Janine A Clark examines why Morocco decentralized while Jordan did not and evaluates the impact of their divergent paths ultimately explaining how authoritarian regimes can use decentralization reforms to consolidate power *Local Politics in Jordan and Morocco* argues that decentralization is a tactic authoritarian regimes employ based on their coalition strategies to expand their base of support and strengthen patron client ties Clark analyzes the opportunities that decentralization presents to local actors to pursue their interests and lays out how municipal level figures find ways to use reforms to their advantage In Morocco decentralization has resulted not in greater political inclusivity or improved services but rather in the entrenchment of pro regime elites in power The main Islamist political party has also taken advantage of these reforms In Jordan decentralization would undermine the networks that benefit elites and their supporters Based on extensive fieldwork *Local Politics in Jordan and Morocco* is an important contribution to Middle East studies and political science that challenges our understanding of authoritarian regimes survival strategies and resilience

**The Persistence of Local Caudillos in Latin America** Tomáš Došek, 2024-03-26 Despite democratization at the national level local political bosses still govern many municipalities in Latin America Caudillos and clans often use informal political practices ranging from clientelism and patronage to harassment of political opposition to control local political dynamics These arbitrary and at times abusive practices pose important challenges to how Latin American democracy works and how power is exercised after the decentralization reforms in the region These reforms promised to bring the government closer to the people and to promote popular participation In many cases these ideals are unmet and newly empowered local politicians have been able to turn municipalities into personal fiefdoms This book explores how local caudillos stay in power and why some are more successful than others in retaining office Tom Došek provides an in depth analysis of six cases from Chile Paraguay and Peru to show the strategies that caudillos pursue to secure power and the mistakes they commit that drive them out

*Mexico's Human Rights Crisis* Alejandro Anaya-Muñoz, Barbara Frey, 2019-01-11 Lawless elements are ascendant in Mexico as evidenced by the operations of criminal cartels engaged in human and drug trafficking often with the active support or acquiescence of government actors The sharp increase in the number of victims of homicide disappearances and torture over the past decade is unparalleled in the country's recent history According to editors Alejandro Anaya Muñoz and Barbara Frey the war on drugs launched in 2006 by President Felipe Calderón and the corrupting influence criminal organizations have on public institutions have empowered both state and nonstate actors to operate with impunity Impunity they argue is the root cause that has enabled a human rights crisis to flourish creating a climate of generalized violence that is carried out condoned or ignored by the state and precluding any hope for justice *Mexico's Human Rights Crisis* offers a broad survey of the current human rights

issues that plague Mexico Essays focus on the human rights consequences that flow directly from the ongoing war on drugs in the country including violence aimed specifically at women and the impunity that characterizes the government's activities Contributors address the violation of the human rights of migrants in both Mexico and the United States and cover the domestic and transnational elements and processes that shape the current human rights crisis from the state of Mexico's democracy to the influence of rulings by the Inter American Court of Human Rights on the decisions of Mexico's National Supreme Court of Justice Given the scope the contemporaneity and the gravity of Mexico's human rights crisis the recommendations made in the book by the editors and contributors to curb the violence could not be more urgent

Contributors Alejandro Anaya Muñoz Karina Ansolabehere Ariadna Estévez Barbara Frey Janice Gallagher Rodrigo Gutiérrez Rivas Susan Gzesh Sandra Hincapi Catalina Pérez Correa Laura Rubio Díaz Leal Natalia Saltalamacchia Carlos Silva Forn Regina Tamás Javier Treviño Rangel Daniel Vázquez Benjamin James Waddell

**Bankrupt Representation and Party System Collapse** Jana Morgan, 2011 Explores the phenomenon of party system collapse through a detailed examination of Venezuela's traumatic party system decay as well as a comparative analysis of collapse in Bolivia Colombia and Argentina and survival in Argentina India Uruguay and Belgium Provided by publisher

**Offshore Finance and State Power** Andrea Binder, 2023-01-13 Offshore financial centers such as Luxembourg the Cayman Islands or the City of London provide non residents with a legal framework that is strong on property rights and soft on taxation and regulation Building on a historical institutionalist comparison of Britain Germany Brazil and Mexico Offshore Finance and State Power asks how these offshore financial services affect the power of the state Combining a concept analysis with empirical research the book finds that economic actors go offshore to create money more than to hide it Legal offshore banking trumps tax planning or money laundering in its impact on state power Offshore Finance and State Power also reveals that the relationship between the two is not straightforward Offshore finance can limit state power by transmitting the volatility of unregulated offshore banking into the domestic economy Yet counterintuitively offshore finance can also enhance state power It provides governments with an extraterritorial vehicle to cover up political conflicts over how to finance the state and to mitigate class conflict To which extent a state can put offshore finances at its own service depends on a country's domestic elite constellation and the tax and bank bargains they have forged throughout history

**Unequal Neighbors** Kristen Hill Maher, David Carruthers, 2021-04-02 San Diego and Tijuana are the site of a national border enforcement spectacle but they are also neighboring cities with deeply intertwined histories cultures and economies In Unequal Neighbors Kristen Hill Maher and David Carruthers shift attention from the national border to a local one examining the role of place stigma in reinforcing actual and imagined inequalities between these cities Widespread bordered imaginaries in San Diego represent it as a place of economic vitality safety and order while stigmatizing Tijuana as a zone of poverty crime and corruption These dualisms misrepresent complex realities on the ground but they also have real material effects the vision of a local border benefits

some actors in the region while undermining others Based on a wide range of original empirical materials the book examines how asymmetries between these cities have been produced and reinforced through stigmatizing representations of Tijuana in media everyday talk economic relations and local tourism discourse and practices However both place stigma and borders are subject to contestation and the book also examines debordering practices and counter narratives about Tijuana s image While the details of the book are particular to this corner of the world the kinds of processes it documents offer a window into the making of unequal neighbors more broadly The dynamics at the Tijuana border present a framework for understanding how inequalities that manifest in cultural practices produce asymmetric borders between places

Decentralization, Democratization and Informal Power in Mexico, de Andrew Selee, University Park Pennsylvania, The Pennsylvania State University Press, 2011, 191 Pp Matthew R. Cleary, 2012

**Mexico & the United States** Peter H. Smith, Andrew D. Selee, 2013 What are the strengths and weaknesses of the partnership between Mexico and the United States What might be done to improve it Exploring both policy and process and ranging from issues of trade and development to concerns about migration the environment and crime the authors of Mexico and the United States provide a comprehensive analysis of one of the world s most complex bilateral relationships Publisher description

**Decentralization In Mexico** Victoria Rodriguez, 1997-09-05 Although Mexico was once recognized for the stability of its strongly centralist one party political system events occurring since the mid 1980s have made it increasingly difficult for both the government and the ruling party to sustain legitimacy and credibility This book assesses the impact of decentralization on Mexico s intergovernmental relations and examines the constraints upon the devolution of political power from the center to the lower levels of government It also discusses the distribution of power and authority to governments of opposition parties within the context of a more open political space Victoria Rodriguez uncovers a new paradox in the Mexican political system retaining power by giving it away She argues that from the beginning of the de la Madrid presidency 1982 1988 to the end of the Carlos Salinas de Gortari administration 1988 1994 the Mexican government embarked upon a major effort of political and administrative decentralization as a means to increase its hold on power to centralize by decentralizing However since the beginning of the presidency of Ernesto Zedillo 1994 2000 it has become increasingly clear that the survival of the ruling party and indeed the viability of his own government require a genuine de facto reduction of centralism For Zedillo and future political administrations decentralization in some guise will have to be a key ingredient of any attempt at modernization in contemporary Mexico

Decentralization and Democratic Governance in Latin America Joseph S. Tulchin, Andrew D. Selee, 2004

**The Paradox of Local Empowerment** Andrew Dan Selee, 2006 This dissertation examines whether decentralization to municipal governments in Mexico has improved democratic governance The research examines the effects of decentralization on democratic governance in three Mexican cities Tijuana Ciudad Nezahualcōtli and Chilpancingo and draws on key national indicators The findings indicate that decentralization has significantly increased the

authority and autonomy of Mexican municipalities but that these changes have not necessarily led to local governments that are responsive and accountable to citizens or allow for citizens active engagement in public affairs Further analysis of these findings suggests that municipal political institutions create few incentives for public authorities to be responsive and accountable to citizens The use of closed party lists prohibitions on independent candidacies guaranteed supermajorities for the leading party and the prohibition on reelection all combine to undermine accountability and responsiveness In this environment public authorities tend to be more concerned about party leaders than citizens As a result citizens continue to be linked to local governments through political brokers within the principal political parties and there are few real opportunities for citizen engagement outside of these mediated channels despite the nominal existence of elaborate participatory planning processes Nonetheless the study also finds marked differences in the way that citizens are linked to the political system in different cities Where strong social organizations existed prior to decentralization citizens are more likely to have effective albeit indirect channels for voice in public affairs Where these social organizations are linked closely to the principal political parties they are even more likely to influence public policy than where these organizations are highly autonomous Strong social organizations provide a necessary basis for ensuring citizen voice but their li

As recognized, adventure as capably as experience roughly lesson, amusement, as skillfully as promise can be gotten by just checking out a books **By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback** also it is not directly done, you could endure even more not far off from this life, on the order of the world.

### **By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However,

the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading By Andrew Selee Decentralization

Democratization And Informal Power In Mexico Paperback any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback Books**

1. Where can I buy By Andrew Selee Decentralization Democratization And Informal Power In Mexico Paperback books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
