Within the Christian community at large there is often little correlation between scriptural guidelines for Christian living and the lifestyle practices and behavior of believers Christian social scientist George Barna has done extensive research in this area that reveals alarming data For example nearly nine of ten adults state that religious faith is very important in their lives However only one in five adults claims that the Bible is the dominant influence in their decisions regarding lifestyle practices Further research suggests that there is often little difference between the lifestyle practices of Christians and non Christians This nominal difference in lifestyle practices and behavior between Christians and non Christians as well as the minimal correlation between Scripture and practice among many Christians produced an interest in this area of practical theology Serving as a Christian pastor over the past two decades the reality of Barnas research has been observed personally The biblical parallel of the prevailing apathy within todays churches is seen in Judges 21 25 NASB In those days there was no king in Israel everyone did what was right in his own eyes That is in those days there was no accepted standard of truth Likewise only one in four American adults believes in the existence of absolute truth As a result the relationship between doctrine and practice belief and behavior is often minimal with many Christians doing only what is right in their own eyes rather than allowing Gods Word to influence their mode of living A distinct relationship between belief and behavior is seen in I Timothy 4 16 In this passage Paul clearly identifies a correlation between what one believes doctrine and the lifestyle behavior one lives when he writes Watch your life and doctrine closely Persevere in them because if you do you will save both yourself and your hearers From this verse it is clear that there are two areas in the life of the Christian that need to be scrutinized and pursued namely belief and behavior The fundamental thesis of this book is that a deeper understanding of Christian ethics will inform and facilitate the Christian life **Peloubet's Select Notes on the International Bible Lessons for Christian Living** Alice Peloubet Norton,1899 *Managing Decision Making by Applying Biblical Perspective* Damian Iwuala,2010-07 Decision making begins with a willingness to submit your intentions to God s perfect will and humbly follow His direction and understanding the impact of consequences in your decision making The daily decisions that you make today will determine what kind of impact you will make tomorrow The key to making better decisions is to educate yourself make adjustments necessary let your decisions be based on a solid foundation and take proper precaution This book can help you understand decision making process and help you develop in moving forward in your journey of life and also makes the principles in the Bible relevant to everyday living *NKJV, New Spirit-Filled Life Bible* Thomas Nelson,2002-07-30 Find the Holy Spirit throughout the Bible Dr Jack Hayford founding pastor of The Church on the Way has led a team of anointed leaders to produce the New Spirit Filled Life Bible This outstanding resource offers a fresh look at the
