**By Grace Transformed** N. Gordon Cosby, 1999 The heart of the ministry and the man who is the founder and Pastor of the pioneering Church of the Saviour in Washington D C *Reimagining Christian Education* Johannes M. Luetz, Tony Dowden, Beverley Norsworthy, 2018-07-04 This book is an arresting interdisciplinary publication on Christian education comprising works by leading scholars professionals and practitioners from around the globe It focuses on the integrated approaches to Christian education that are both theoretically sound and practically beneficial and identifies innovative pedagogical methods and tools that have been field tested and practice approved It discusses topics such as exploring programmes and courses through different lenses learning challenges and opportunities within organisational management theology of business Christian models of teaching in different contexts job preparedness developing different interpretive or meaning making frameworks for working with social justice people with disability non profit community organisations and in developing country contexts It offers graduate students teachers school administrators organisational leaders theologians researchers and education practitioners a fresh and inspiring reimagining of Christian education perspectives and practices and the ramifications of their application to life long learning **Building a People of Power** Robert C.

Linthicum, 2015-09-15 Jesus never intended the church to become an institution he intended it to be a people of power transforming the world Power is the capacity ability and the willingness to act Most people and systems use power to dominate and control but others have used it relationally to liberate transform and even save Built around a biblical exploration of shalom Building a People of Power explains how local churches can use power to transform their communities and their cities Detailed power strategies are presented enabling churches to build productive relationships to address the primary issues of people they serve and to develop strong leaders faithful organizations and redeemed neighborhoods that live out shalom **To Whom Shall We Go** Irene Alexander, Christopher Brown, 2021-05-07 With the world turned upside down by the global pandemic people of faith aligned to the upside down kingdom of Jesus are asking how do we sing the Lord's song in these times How do we now live worship and serve amid such upheaval insecurity fear grief and social isolation Is it just to endure the worst or to seek the best by walking the way of the cross Is there an invitation to renewed kingdom citizenship of heaven and earth Our backgrounds will impact our responses as will our prayers our scripture reflections our worship and our willingness to put the center of ourselves outside to offer unlimited space for others With backgrounds in medicine physics economics missiology theology social activism pastoral care and spiritual companioning these writers engage such questions There is a cruciform shape to their reflections and to the prayers and liturgies they include We glimpse the One who is with us and for us in these troubled times sharing our laments fostering kingdom heartedness igniting our passions offering tender mercies decluttering our hearts making peace instilling courage and inviting our participation Though in crisis times our poverty of spirit is amplified the kingdom of heaven is wide open With contributions

from Terry Gatfield Athena Gorospe Ross McKenzie Tim MCowan Paul Mercer Sarah Nicholl Charles Ringma     **A Glimpse of the Kingdom in Academia** Irene Alexander,2013-02-11 University is a major way that our society prepares professionals and leaders in education health government business arts church all components of our communal lives Although the beginnings of the first universities were Christian academia has become more and more adrift from these foundations We have lost not only the union the interwovenness of theological and academic understandings but also the relational and communal process of learning which teaches students to be other centered in their practice A Glimpse of the Kingdom in Academia tells the story of the social sciences department of a small Christian university that took seriously the mandate to prepare their students to be salt and light in a secular society Here are stories of the transformation in students lives as well as description of classroom practices and the epistemological theory behind those practices The book explores academic knowing Christian worldview relational epistemology inner knowing and wisdom all ways of knowing that a Christian university should teach The process of transformation the context of community and the bigger picture of life s journey and changing images of God are identified as important aspects of kingdom life in academia The institutional setting is also critiqued with the recognition that power practices need to align with the kingdom of the Christ who emptied himself

**Treasure in the Wilderness** Andrew D. Mayes,2023-06-29 This exciting resource on desert spirituality is quite unlike any other at once a physical journey to outstanding deserts of the planet and an odyssey of the soul A journey of discovery takes us across five continents as we venture to places few pilgrims reach the Gazan desert the Sahara the Australian outback the Athos wilderness and the Ordos Desert of China and the Syrian desert among others Evocative descriptions by early travelers and by the author immerse us into a diversity of wilderness landscapes stimulating the senses and the imagination Physicality leads to spirituality as we listen to compelling voices that speak to us poignantly across space and time including spiritual writers long forgotten or not well known These unearth for us the treasure we seek we uncover the distinctive charism of each desert offering us different and challenging ways of looking at the world and at the spiritual life We discover the unpredictable desert to contain unexpected priceless treasures of transformative wisdom that speak uncannily into our own contemporary spiritual search We see how these gems can energize and inspire our discipleship or spiritual practice As we embark on this spiritual quest we may never be the same again     **Transfiguring Life** Andrew D. Mayes,2025-04-29 Explosive esoteric enigmatic the Transfiguration event is often greeted with puzzlement But as a mystery pulsating at the very heart of the gospel a watershed in Mark at its very center the pivotal turning point in Jesus ministry it reveals crucial aspects of Christian living This book uncovers its secrets and unleashes its significance for discipleship in troubled times looking through the lens of life giving paradox This hermeneutical key unlocks unexpected insights and allows transfiguring light to shine into crucial contemporary concerns and crises as we discover the energy and dynamic of paradox Drawing on the wisdom and experience of a wide variety of sources from patristic teachers spiritual writers orthodox art and

liturgies present day scholarship as well as from the author's years researching in the Holy Land this resource becomes a kaleidoscope of the Transfiguration opening widening and challenging perspectives We discover it to be a vortex of grace epicenter of revelation its centrifugal power emanating seismic implications for the universe its centripetal power drawing all things into Christ the unifying center of all paradox Ultimately we're invited not to solve a puzzle but to live a transformative mystery ever more deeply ever more creatively

### **Toward a Spiritual Research Paradigm** Jing Lin, Rebecca L.

Oxford, Tom E. Culham, 2016-07-01 Spirituality and spiritual experiences have been the bedrock of every civilization and together form one of the highest mechanisms for making sense of the world for billions of people Current research paradigms due to their limitation to empirical sensory psychologically or culturally constructed realities fail to provide a framework for exploring this essential area of human experience The development of a spiritual research paradigm will provide researchers from the social sciences and education the tools and abilities to systematically explore fundamental questions regarding human spiritual experiences and spiritual growth A spiritual research paradigm requires an ontology that considers all reality to be multidimensional interconnected and interdependent It requires an epistemology that integrates knowing from outer sources as well as inner contemplation acknowledging our integration of soul and spirit with the body and mind Three additional aspects are useful to a spiritual research paradigm axiology methodology and teleology An axiology concerns what is valued good and ethical A methodology is the appropriate approach to systematic inquiry A fifth and less frequently mentioned aspect is teleology an explanation of the goal or end telos to which new knowledge is applied such as gaining wisdom and truth touching the divine increasing inner peace exploring hidden dimensions or improving society This book takes the first step to develop such a research paradigm We draw from world spiritual traditions as well as scholarship that has arisen from contemplative practices We also attempt to build a bridge between science and spirituality Spiritual research is not necessarily opposed to scientific research in fact each can shed light on the other

Faith Seeking Action Gregory P. Leffel, 2007-06-01 In Faith Seeking Action author Gregory Leffel links a description of the church as a global movement with a description of contemporary social movements that are actively challenging today's societies such as the environmental global justice and identity movements Not surprisingly Christian communities and communities of social activists share much in common as they each work to enrich their societies It is natural then to ask what missionally concerned Christians may learn from social movements about the public role of their churches the connection of their beliefs to social change and the mobilization of their people It can also be asked how these often divided communities may find ways to collaborate around common actions rooted in such shared values as peace justice life and the integrity of the environment Building on growing interest in the field of missiology and its missional church concept Leffel has created a dialog between the church as a social actor and social movements Along with introducing movement theory to mission studies Leffel introduces a new way of addressing the issues involved in the church's engagement with society a concept he calls *missio ecclesiology* Of interest to

those seeking vital ways to live out their faith in the world missiologists missional church leaders and street level workers alike this work fuels fresh thinking about the church's role in cultural and social change

**A New Day in the City** Donna Claycomb Sokol, L. Roger Owens, 2017-05-16 Many urban congregations remember days of fame and fortune days when their prominence downtown or in city neighborhoods mattered Population shifts the decline of congregations and neighborhoods and demographic changes depleted the dreams of many urban churches But not all churches gave up hope Many congregations are struggling to survive but thousands of urban churches are thriving again Churches with revived hope learn to let go of nostalgic dreams and tired habits and to walk with God into a new day of vibrant mission and ministry Donna Claycomb Sokol and Roger Owens share lessons they've learned on the job and from other urban pastors Along the way they challenge clichés about church leadership and strategic planning by showing what congregational renewal can look like and how it can become a reality Each chapter features a set of practical guidelines for leading a congregation to address the questions that matter most The urban church can be quite a challenge I know because I've served a couple Now two thoughtful pastors with actual urban church experience take an affectionate positive honest and hopeful look at the urban church and give practical wisdom for the revival of languishing urban congregations There's a remarkable revival of the urban church in North America Donna and Roger can help you be part of it William H Willimon Professor of the Practice of Christian Ministry Duke Divinity School Duke University Durham NC retired bishop The United Methodist Church Three things excite me most about this book First these two young pastors understand the strategic importance of urban ministry and are passionately committed to it Second they show that when you turn from tired church growth and corporate paradigms choosing rather to model your ministry on Jesus new life happens And third they explain that transformation is about journeying faithfully with the questions rather than looking for quick fix techniques This book could change your ministry Peter Storey South African church leader W Ruth and A Morris Williams Distinguished Professor Emeritus of the Practice of Christian Ministry Duke Divinity School Duke University Durham NC

**Death by Baptism** Frank G. Honeycutt, 2021 Our days are filled with a variety of known and lurking fears Christians who name Jesus as Lord on Sundays are inundated with stories real and imagined inducing fear and caution throughout the week random violence health concerns the perceived threat of people different from us and economic worries to name a few News sources and national political leaders manipulate these fears in a fashion that threatens and sometimes usurps the church's ultimate trust in Christ A pastoral assumption at the core of this national anxiety is the looming fear of death spawning various supplemental protections that have little to do with the promises of Christ This fear of death and the false promises claiming to shield us from such may prompt us to nudge the One we call Lord to the margins of daily life or even solely to the afterlife a savior we'll all meet in heaven one day but whose quaint teachings have little to do with problems we're now facing In this book gifted storyteller Frank G Honeycutt calls on his many years of pastoral experience to examine one of the most stunning and

overlooked theological claims of the New Testament how baptism radically unites followers of Christ in his death and resurrection In baptism we have already died Romans 6 Disciples commence life in the kingdom on this side of the grave Believing this with theological rigor and trust relieves personal and corporate anxiety about any day in the future when a believer stops breathing Diving for Pearls Andrew D Mayes,2021-07-20 2022 Catholic Media Association first place award in mysticism This book invites the reader to a spiritual odyssey It opens before the reader an itinerary for venturing forth with God aided by the astonishing writings of seventh century Isaac the Syrian Long lost manuscripts have recently been discovered translated and published in scholarly works this book aims to make them accessible to readers who want to experience their wisdom personally and so progress in a spiritual adventure Isaac s writings are explored through the lens of his beloved metaphor of diving for pearls which opens many avenues for reflection and spiritual practice This is a book to inspire preachers and teachers on prayer It will stimulate and offer a resource to spiritual directors and retreat givers and it provides material ideally suited to quiet days and retreats A practical resource it includes questions for individual or group reflection at the end of every chapter and a range of prayer exercises Above all it is offered to those who want to leave the shallows and launch out into the deep in their spiritual journey **What You Sow Is a Bare Seed** Celeste

Kennel-Shank,2023-08-17 What You Sow Is a Bare Seed is a group biography that tells the stories of ordinary but extraordinary people who were engaged in movements for renewal in the church and justice in broader society People such as Dora Koundakjian Johnson an Armenian Lebanese linguistics scholar and activist and Doug Huron an attorney who won a landmark US Supreme Court civil rights case They were among those who came together as the ecumenical Community of Christ in Washington DC Planted in the inner city in 1965 when many churches were leaving the Community distinguished itself from the more organized church without rejecting it as one former member says They believed that helping each other identify their gifts was a compelling way to shape their collective ministry beyond themselves The Community initially intended not to own property but later bought a building and opened it up as a community center As a final act of ministry the Community gave its building away to a nonprofit partner when it closed in 2016 leaving a legacy that continues today

Holy Land? Andrew Mayes,2012-04-10 Holy Land draws us into the evocative landscape of the Holy Land itself Sacred yet scarred the lands of the Bible stimulate us to think about a range of issues that are both urgent and timeless In Jerusalem a veritable melting pot of cultures we meditate on the question What is home At the River Jordan where John the Baptist delivered his radical call to repentance and baptism we ask Who am I In the cave of Christ s burial and resurrection in the Holy Sepulchre we wonder How can I face the darkness Confronted by the vast desolation of the desert we cry Dare I be alone with God And negotiating the obstacle strewn Road to Emmaus we consider Am I ready for change Holy Land will benefit those preparing to undertake a physical pilgrimage to the Holy Land and those seeking a spiritual resource to deepen the life of faith and discipleship *In Search of an American Catholicism* Jay P. Dolan,2003 For more than two hundred

years American Catholics have struggled to reconcile their national and religious values In this incisive and accessible account distinguished Catholic historian Jay P Dolan explores the way American Catholicism has taken its distinctive shape and follows how Catholics have met the challenges they have faced as New World followers of an Old World religion Dolan argues that the ideals of democracy and American culture in general have deeply shaped Catholicism in the United States as far back as 1789 when the nation s first bishop was elected by the clergy and the pope accepted their choice Dolan looks at the tension between democratic values and Catholic doctrine from the conservative reaction after the fall of Napoleon to the impact of the Second Vatican Council Furthermore he explores grassroots devotional life the struggle against nativism the impact and collision of different immigrant groups and the disputed issue of gender Today Dolan writes the tensions remain as we see signs of a resurgent traditionalism in the church in response to the liberalizing trend launched by John XXIII and also a resistance to the conservatism of John Paul II In this lucid account the unfinished story of Catholicism in America emerges clearly and compellingly illuminating the inner life of the church and of the nation

**History of the Christian Church Vol. II** Philip Schaff,2010-11 Philip Schaff s History of the Christian Church excels at providing an impressive and instructive historical treatment of the Christian church This is Volume Two covering from 100 A D to 325 A D This volumous work begins with the early Church at its formative era This volume and the previous will comprise the major individual and their writings which shall comprise the first five 5 volumes of the Ante Nicene Series Schaff s treatment is comprehensive and in depth discussing all the major and minor figures time periods and movements of the Church One feature of the History of the Christian Church which readers will immediately notice is just how beautifully written it is in particular when comparing other texts of a similar nature Simply put Schaff s prose is lively and engaging Quite often these works can be grueling and drudgery yet this effort have been able to make it history written with heart and soul

**Myths America Lives By** Richard T. Hughes,2018-09-05 Six myths lie at the heart of the American experience Taken as aspirational four of those myths remind us of our noblest ideals challenging us to realize our nation s promise while galvanizing the sense of hope and unity we need to reach our goals Misused these myths allow for illusions of innocence that fly in the face of white supremacy the primal American myth that stands at the heart of all the others
