the National Book Award I hope that Klein's book is read by more than just her mostly leftwing fan base For whatever you think about her economic arguments she makes a powerful and an important point that you cannot understand Trump without looking at how he reflects bigger cultural and social dynamics And what is perhaps refreshing about No Is Not Enough is that Klein tries to move beyond mere outrage and hand wringing to offer a practical manifesto for opposition Financial Times Brims with ideas rarely heard in the mainstream media And her fiery punchy writing style which is occasionally laced with humor makes it hard to put down The Georgia Straight The Battle for Paradise Naomi Klein, 2018-06 Fearless necessary reporting Klein exposes the battle of utopias that is currently unfolding in storm ravaged Puerto Rico a battle that pits a pitilessly neoliberal plutocratic paradise against a community movement with Puerto Rican sovereignty at its center Junot D az We are in a fight for our lives Hurricanes Irma and Mar a unmasked the colonialism we face in Puerto Rico and the inequality it fosters creating a fierce humanitarian crisis Now we must find a path forward to equality and sustainability a path driven by communities not investors And this book explains with careful and unbiased reporting only the efforts of our community activists can answer the paramount question What type of society do we want to become and who is Puerto Rico for Yulin Cruz Mayor of San Juan Puerto Rico In the rubble of Hurricane Maria Puerto Ricans and ultrarich Puertopians are locked in a pitched struggle over how to remake the island In this vital and startling investigation bestselling author and activist Naomi Klein uncovers how the forces of shock politics and disaster capitalism seek to undermine the nation's radical resilient vision for a just recovery All royalties from the sale of this book in English and Spanish go directly to JunteGente a gathering of Puerto Rican organizations resisting disaster capitalism and advancing a fair and healthy recovery for their island For more information visit http juntegente org Naomi Klein is an award winning journalist syndicated columnist documentary filmmaker and author of the international bestsellers No Logo Taking Aim at the Brand Bullies The Shock Doctrine The Rise of Disaster Capitalism This Changes Everything Capitalism vs the Climate and Doppelganger Naomi Klein, 2023-09-12 1 NATIONAL BESTELLER Winner of the 2024 Women's Prize No Is Not Enough for Non Fiction Winner of the 2024 Vine National Canadian Jewish Book Award for Non Fiction Finalist for the 2024 National Book Critics Circle Award for Criticism Shortlisted for the 2024 Hubert Evans Non Fiction Prize A New York Times Notable Book of 2023 Vulture s 1 Book of 2023 A Guardian Best Ideas Book of 2023 What if you woke up one morning and found you d acquired another self a double who was almost you and yet not you at all What if that double shared many of your preoccupations but in a twisted upside down way furthered the very causes you d devoted your life to fighting against Not long ago Naomi Klein had just such an experience she was confronted with a doppelganger whose views she found abhorrent but whose name and public persona were similar enough to her own that many people confused her for the other For a vertiginous moment she lost her bearings And then she got interested in a reality that seems to be warping and doubling like a digital hall of mirrors It's happening in our politics as New Age wellness entrepreneurs turned anti vaxxers find common
