

The background of the cover is a collage of a human face. The face is constructed from various pieces of paper in shades of brown, tan, and grey, which are torn and layered to create a textured, three-dimensional effect. The eyes are prominent, looking slightly to the left. The nose and mouth are also visible, though less defined than the eyes. The overall composition is abstract and artistic, suggesting themes of identity, perception, and the fragmented nature of the mind.
